Safely housed with her, With no company But my brother Worm, Who will feed on me, I shall slumber sound, Deep down under ground NEW PUBLICATIONS. "The Raven." Translated into German much as not only the spirit, but also the peculiar metrical construction of the original had printed edition of this German translation of

"The Raven," with a portrait and biographical sketch of Poe, and four illustrations by David several important improvements, and approaches the original now even more closely than it did in the former edition. In the biographical sketch of Poe, Mr. Eben has drawn a curious parallel between that poet and Byron; we cannot but think, however, that the article would read better with both Mrs.

Stowe's Byron story and the somewhat similar Poe scandal left out, especially as neither the several important improvements, and approaches the original now even more closely those of men, which we entirly deny.

Again, with regard to their sense of justice, its is quite probable that, with women on the bench, handsome men would be acquitted and their sense of justice, its is quite probable that, with women on the bench, handsome men would be acquitted and their own sex often come to grief, but the history of Phryne and the ballet girl afforded a modern illustration from the same text. We all know what juries will do in a breach of promise case where the plaintiff is very good looking; and it is precisely because to protect my naud. The dog then seized the cat by the back, and held it sufficiently long to enable me to draw muscles of your arms, and speaking in every movement your freedom from all conventional gives and effectual thrust.

"Brelm informs us further that near his native village a certain division of the forest bears the apparently descriptive title of 'Die Wild katze.' But the name is simply commended to receive an actual embrace from a dilettante vegue.' And the swelling muscles of your arms, and speaking in every movement your freedom from all conventional gives and the dirk, and despatch the dying animal with a second and effectual thrust.

"Brelm informs us further that near his native village a certain division of the forest bears the apparently descriptive title of 'Die Wild katze.' But the name is simply commended in order to produce the cat by the back, and held it sufficiently long to enable me to draw muscles of your arms, and speaking in every mover the dirk, and despatch the dirk, and despat The translation of the poem has undergone Stowe's Byron story and the somewhat similar Poe scandal left out, especially as neither the one nor the other has as yet been substantiated. There was certainly no necessity for introducing either into the sketch. The illustrations are very good. Published by Messrations are very good

Routledge and Sone publish "Fessays on Women," by 'Mire Eline Linton, whome we have to be the wife of the calcumbated wood engrave of that patronymic, now residing. If women inflict small tortures and intolerance are the same the world over the paper, from the Full Molt Genetics.

The paper on women the paper, from the Full Molt Genetics and intolerance are the same the world over the paper, from the Full Molt Genetics.

"Would you says De Quintery, delains in this respect is the result of the completing position in the paper, from its dismands provided in the paper of the world of the w ng her efforts to attain it, she often expresses writers very often view themselves differently herself ill or affectedly. But presently her old the may be, indeed, in a spirit of profound irony orce returns to her with culture and skill added. She knows, and is, indeed, able to state, the strong and weak points of half a dozen different positions, but commonly retains dozen different positions, but commonly retains dozen different positions, but commonly retains viewer suspects the writer of enjoying a little with pain, and blind with blood, the wretched with pain, and blind with pain are the writer of enjoying a little with pain, and blind with blood, the wretched with pain, and blind with pain are the writer of enjoying a little with pain, and blind with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little with pain are the writer of enjoying a little writer of enjoying o fayor, barring accidents, unswervingly and

pay her no indifferent compliment when we of castigate her sex she would have done it equally well, and that when she chooses to take a brief on the other side, and to arraign man in his incomings and outgoings with the same care and minuteness of observation, we shall do wisely to retain able counsel for the defence. Treating the question in a very opposite way to that adopted by Mr. Mill, this book might very well have been entitled "The Subby the just retort that they are in reality only he secondary cause, mere passion for and about fight:

some heing the primary cause. When the "The courage of the wild cat, though not

are bound to state that we have seen a strictly pious father put his whole family in the reli-

their excesses; they can break on bad habts even after they have been fully formed and cherished; and all but poor weak washy fellows, in their nature feminine and exaggerative, can pull up when they think they have gone far enough.

But with women in after restraint is possible when the curb is once slackened. So that unless they have held in subjection by the fear of God, the world, or the devil, they go headlong to destruction; and neither reason nor philosophy touches them." Now the fear of God, the world, and the devil, perhaps also of the policeman, affects men as well as women, and to affirm that the thousands of been either "poor weak washy fellows of a feminine nature," or all along unable to see that they intrue, and quite leaves out of consideration the elements of recklessness and wickedness which exist in many characters. If the argument is that a woman is sooner able to perceive that she has gone too far, but has not the power to recover herself, the tincomplimentary inference is that her judgment and perception of right and wrong are superior to those of men, which we entiry deny.

Again, with regard to their sense of justice, and haps also of the policeman, affects men as well as women, and to afferm that the thousands of raise at the thousands of raise at the thousands of raise at the cat was too quick for me, and leaped into the cat was too quick for me, and leaped into the cat was too quick for me, and leaped into the cat was too quick for me, and leaped into the contractors, broken-down politicians; and eat was now unable. The discharge my piece for the and time to fire. The dog few after it, and seized it by the back without a moment's pause or hesitation. that the author has so openly flattered us, and secret revenge in beholding the complacency with which men will accept her compliments, we trust it will be remembered that we have stated our own suspicion on this head. For the rest we recommend the book thoroughly to the attentive perusal of those whom it most concerns as affording in a concise form the result of keen observation and much thought ex-

anguisi grows intense, this at length he halfs to the earth distracted and insensible.

"The son arrives in haste, but only to find his father relinquishing all consciousness of the horrid strife. His first impulse is to drag off the cat; but the brute holds on, and the son, with the cat, fears to tear up also the lacerated with the cat, fears to tear up also the lacerated to the children agreeable and disagree with the cat, fears to tear up also the lacerated to the children agreeable and disagree. pressed in the best possible manner. If the flavor is somewhat bitter, it is at least tonic, and wholesome in its properties. \_\_\_\_\_ flesh. He then spies the hammer, and hurriedly deals with it a random blow. The cat cries, but continues not the less to tear its victim. A security able, we get into such a world of Johns, such a maelstrom of Smiths, such a maelstrom of Smiths, such a THE WILD CAT IN EUROPE. Its Strength and Ferceity." ond and well-aimed blow stretches it lifeless on the grass; and the son then bends in dread over his helpless father.

gurgling, roaring, splitting, spitting, laughing, screeching, titillated, exhilarated carnival and Fourth of July of John Smiths, that we seem to A writer in the Gentleman's Magazine furction of Women, and the Reasons why they | nishes an interesting paper on the wild cat, | his helpless father.

"The noise of the struggle has, by this time, attracted a passer-by. The poor tracker is removed to his cottage, where care and restoratives revive him sufficiently to recall his continuous father and mother a John Smith, and all surfather and mother a John Smith, that we seem to be in a room lined with mirrors that reflect only John Smiths, that we seem to be in a room lined with mirrors that reflect only John Smiths, that we seem to be in a room lined with mirrors that reflect only John Smiths, that we seem to be in a room lined with mirrors that reflect only John Smiths, that we seem to be in a room lined with mirrors that reflect only John Smiths, that we seem to be in a room lined with mirrors that reflect only John Smiths from all sides; indeed, we almost fancy ourselves a John Smith, our father and mother a John Smith, and all surfather and mother a John Smith, and all surfather and mother deserve no better." The cynical observation which he regards as the most ferocious and destructive of all living animals. The following anecdotes illustrate its desperate character in

women being the primary cause. When the writer deplores the rigid tyranny which wives who are deficient in tact, tenderness and wisdom often attempt to exercise over their husbands or male relations in respect of tobacco, newspapers, or general unitidiness, and comments on the small tortures imflicted by a believing wife on an unbelieving busband, we entirely agree with her: but we husband, we entirely agree with her; but we panther, but with such an animal the scope for no less renowned for valor, and which, on the pure courage must be narrowed considerably occasion cited, divided with him equally the by the consciousness of might. The lion stands honors of the day. This occurred in the north pious stater put his whole aminy in the left gious stocks as it were, and keep them there discredited by repeated acts of doubtful valor; and applied to the blind rage of the tiger, no rabbits, was witness of an unexpected and expenses of an unexpense of a nutil the sons at least were driven to open revolt. "The only set of educated women who
tive with their men as good comrades, tolerating what they do not share, and neither excluding nor imitating, are artists' wives and
daughters." We should be sorry to think this
true, but if it is so in any degree, it is not because association with artists makes them what
they are, but because so situated they live in a
circle of their own, and, while seeing a good
deal of the world, are in no degree accountable to it for their conduct.

The essay on Fine Ladies is exceeding well

and applied to the blind rage of the tiger, no
test of bravery can be accurate.

"The wild cat is no less prudent than
courageous. In conflict with dogs or men he
is never the aggressor, and when assailed by
numbers he usually endeavors to escape; but
he speedily grows fearless with the approach
of peril, and becomes in turn a determined
and desperate assailant. The combat is at all
times dangerous and exciting, and many occasions are on record of a tragical termination of
the essay on Fine Ladies is exceeding well

"In the neighborhood of Givry, in the de-

able to it for their conduct.

The essay on Fine Ladies is exceeding well written, but hardly well named, for it relates to women of a nature thoroughly vulgarized, sordid and commonplace, and has no reference to a lady in the real sense of the word, and still less to the grande dame of good French mill was an old building which had been one to be granded dame of good French mill was an old building which had been one to be granded dame of good French mill was an old building which had been one to be granded dame of good French mill was an old building which had been one to be granded dame of good French mill was an old building which had been one-closed jaws; and, doubtless the granded dame of good French mill was an old building which had been one-closed jaws; and, doubtless the granded and raved, rending his opponents breast and covering his side with cruel claw wounds. The ferret, calm and examined the minterior deadliness. The cat gnashed and raved, rending his opponents breast and covering his side with cruel claw wounds. The ferret, calm and examined the matter of the safe and covering his side with cruel claw wounds. The ferret, calm and examined the matter of the safe and covering his opponents breast and covering his side with cruel claw wounds. The ferret calm and examined the matter of the safe and covering his opponents breast and covering his side with cruel claw wounds. The ferret calm and examined the matter of the safe and covering his side with cruel claw wounds. The ferret calm and examined the matter of the safe and covering his side with cruel claw wounds. The ferret calm and examined the matter of the safe and covering his opponents breast and covering his side with cruel claw wounds. The ferret calm and examined the matter of the safe and covering his opponents breast and covering his side with cruel claw wounds. The ferret calm and examined the matter of the safe and the calm and the c to a lady in the real sone of the word, and still less to the grande dame of good French society. One of the small sins of women Mrs. Linton aftirms to be stinginess, and we are not going to deny this to be the case. Almost all women are stingy in a bargain and in paying for work, airly so are all middlemen in general, and women act mostly in that capacity. They have not often any money of their wwn, nor very much at their disposal; they are expected to make it go a long way and to account for the expenditure to another person who would probably shrink with a many fear from being alarged by a disappointed cabman or an exactly in that a many fear from being alarged by a disappointed cabman or an exactly in the mair cabman or an exactly shrink with a many fear from being alarged by a disappointed cabman or an exactly shrink with a many fear from being alarged by a disappointed cabman or an exactly shrink with a many fear from being alarged by a disappointed cabman or an exactly shrink with a many fear from being alarged by a disappointed cabman or an exactly shrink with a many fear from being alarged by a disappointed cabman or an exactly shrink with a many fear from being alarged by a disappointed cabman or an exactly shrink with a for shrink they like, are librarly paid, and cossected and cared for in health and in sickness, where the person who would shrink they like, are librarly paid, and cossected and cared for in health and in sickness, where the person who would shrink the buses are a substantially made, he specified worked, where the repairs to the house and to the door was the the tenants houses are substantially made, he most blook for it where two or ritper maiden and the substantially made, he most blook for it where two or ritper maiden and the substantially made, he milt be substantial
