We knew beforehand exactly prison. Is it any wonder that the age grows what the London press would say about Mr. skeptical? After a while we will begin to Peabody, and if its exact language had been question the reality of the events of our own desired we could have waited cheerfully for the lives, and to doubt the fact of our own exist- arrival of the mails. Mr. Bennet's movements

THE CORSET QUESTION. The English journals are indulging in one of their periodical battles over the Corset Question. At moderate intervals the pros and British brothers and sisters with very great manuel is unwell, perhaps with a simple fervor and very little common sense. We gave, on Thursday, copious extracts from some subject, from which it appears that John Bull intelligent daily summary of European news, women, and that corsets have been legitimized petent Americans who have no taste for horseamong the articles of male attire in the British

John Bull in corsets presents a delightfully beef-eater, struggling with corpulence, and French editors ever warned, suppressed, imlacing up his brawny muscles in a stout leather | prisoned or exiled by Louis Napoleon, has just corset, not at all for look's sake, oh, not at been allowed to return to France. Henri all!-but just for the comfort of the Rochefort, editor of the Lanterne, who has thing, and the improvement of the digestion, is been sojourning in Brussels for many an anomaly which upsets every received notion | months, started for Paris on Thursday. He of British character. Banting has evidently was arrested at the French frontier; but, by failed to bring Mr. Bull down to the graceful order of the Emperor, was released and alproportions of his Gallic neighbor, and John, lowed to continue his journey, and he is now, with his instinctive love of brute force, turns doubtless, in the French capital. It is not upon himself with stout cord and leather and leasy to understand this extraordinary clemsteel, and straps himself up within an inch of ency to the man who has shown a more mahis life, and then growls out a hoarse invita- levolent feeling towards Napoleon and tion to his brother Bulls to come and see how his rule than any writer in France In he is enjoying himself. John finds it comfort- since Victor Hugo was driven into able to sleep in his leather corsets, which he exile. There must have been some wears next to his natural hide, and he correspondence in which mutual pledges were

science, has convened the whole and the discovered the second the General's incisive knife, or whether as cerulean edge, beautiful with Celestial scenery, ever sustained his butter pat, or whether the plate itself was ever uplifted in those giant fingers with a demand for "more"? It may be but the pleate of a degraded baker, or a scullion's vessel devoted to feeding some unhezoic cat. Shall we place greater faith in the portraits of this man? We have daily proofs of the unreliability of such things. We see how the papers keep on hand a single gloomy wood cut, and whenever a great man dies or is elected or is hung, plunge it into the forms and call it Probst, or Andrew Johnson, or Heenan, or Prince Arthur, or Franklin Pierce, or Byron at nineten, or Anna Dickinson, until the subscribers know-every line in that old wood cut by heart,

and wonder in their souls how it happens that survived the repeated crusades of satire and so many different people have such a strong family likeness. Why may not the popular very foundations of all wisdom and truth. The idea of Washington have sprung from some argument is not worth answering. POPPING THE QUESTION Received Direct,

THE BELLE OF THE BALL By MRS. GORDON SMYTHIES. Author of "The Jilt," "The Breach of Promise," "The Match Maker," "The Life of a Beauty," &c., IS PUBLISHED AND FOR SALE THIS DAY BY

T. B. PETERSON & BROTHERS, No. 306 Chestnut Street, Philadelphia "Popping the Question' is one of the very best fashionable novels of the day; in fact, the writer excels in the line she has undertaken, and her portraitures of modern society are remarkably faithful, spirited, and invested with all the interest of a graceful and elegant style." Examiner. No. 1204 CHESTNUT STREET rested with all the interests of the style. "Examiner of the 'Jilt' has given us another refreshing and delightful novel, full of vivid and glowing life-pictures, animated accres, and deeply interesting narrative. The book is one of the most readable of the season." Alternam.

tive. The book is one of the most readable of the season."—Mhenaum.

"This is a delightful book; the plot is deeply interesting, the characters well drawn, the narrative brilliant and well sustained, and the denovement comme it faut. It is the work of a gifted artist."—London Quarterly.

"The novel is admirable, its moral unexceptional, its style easy and graceful, and its interest well sustained. We commend it highly "—Liverpool Mail.

"The same deep thorough knowledge of the female heart, in its faulta, its follows, and its excellencies, which is so glowingly displayed in the pages of the 'Jilt,' is to be found here, interwoven with exciting and brilliant fiction."—London Observer.

HON. ROBERT J. Walker is lying dangerously ill at his residence here. His condition is considered very critical.

ALBAYN, Nov. 6—Governor Hoffman, last night, in the course of a speech in response to a serenade by the Jacksonians, said: '!' not as serinade by the Jacksonians, said: '!' not of the Radical papers in Albany and New York are asking "What will they do with it?"—that is, with the victory. J am hardly disposed to tell them quite yet. I prefer to give them a little time to digest the returns, and when these are fully digested, wo propose to give them so little time to digest the returns, and when these are fully digested, wo propose to give them as little time to digest the returns, and when these are fully digested, wo propose to give them so little time to digest the returns, and when these are fully digested, wo propose to give them as little time to digest the returns, and when these are fully digested, wo have found that knowledge suddenly of the decision and orders of the Section of the Radical papers in Albany to what we will do with it. In my observations I have found that knowledge suddenly and the foundation of the Radical papers in Albany to what we will do with it. In my observations I have found that knowledge suddenly and content and the subject of the rest of the returns and the foundation of the rest of the returns and the foundation of the rest of the returns and the foundation of the rest of the returns and the foundation of the rest of the returns and the return of the foundation of the return the foundation of the return the return that the foundation of the return the return the foundation of the return the return the r

I have found that knowledge suddenly acquired is never very profitable, but I will tell them in general terms one or two things we propose to do. We propose to make the Legislature of the State of New York honest,

we propose to do. We propose to make the Legislature of the State of New York honest, and that is what they have not done in some time. We propose to use the Legislature for the purpose of promoting the interest of the mass of the people, and not the interest of the few, which the Radicals have not done in a long time.

"The Eranng Journal hasstated that for many years there have been few men in the Ropublican Legislatures who could be bought. We will show them that in the Democratic Legislature there will be none of that kind. We propose to give to the people of the State of N. York, all over, the rightto govern themselves. We will not abolish such laws and give the people something worse, but will give them better laws. We propose to make the State of New York, and the Government in all its branches, thoroughly Democratic. not abolish such laws and give the people something worse, but will give them better laws. We propose to make the State of Now York, and the Government in all its branches, thoroughly Democratic.
"I am aware of the responsibilities this vitory imposes. I am aware of the responsibili-ties it imposes on me as the Executive of this

State. I realize their magnitude, and I will not say I have no fear of them, but by the not say I have no lear of them, out by the help of the people and their representatives, and all the good counsels I can get, I hope to so discharge its duties that the people will approve of my action. I believe that the Legislature which is about to assemble and legislate upon the affairs of this great State, will act with the affairs and discretion as the show such wisdom and discretion as to show to the people of the State and country that the cy of this State can be as moderatein

tolerant. We will recognize thonest men among our adversaries, and we will deal justly and honorably, and promote the great interests of the people of the State of New York, who have demanded and worked the Burning of the Rochester Theatre. ROCHESTER, Nov. 6.—The Rochester Theatre was totally destroyed by fire this morning, and some adjoining dwellings damaged. The fire was discovered at 5 o'clock, A. M., in the green-room, and swept all before it. The block was owned by Keeler & McAlpine, who

block was owned by Keeler & McAlpine, who lose \$20,000, and have an insurance for \$15,000. Repalye, seed merchant, lost several thousand dollars; Winnegar, lamp dealer; Kehoe, furniture dealer; Wilson, Plembin & Newman, billiard saloon keepers, are all sufferers, but the precise amount of their losses cannot be ascertained at present. The stock of W. D. Bowman was damaged to the amount of \$3,000 or more. Thomas Carr, manager of the theatre, lost all his properties and barely escaped with his life. E. L. Davenport was playing an engagement, and he lost loss by the fire is over \$50,000. \_\_\_\_ From Cincinnati.

CINCINNATI, Nov. 6.—The Directors of the Grand Trunk Railway arrived here this morning, and they will probably secure a Western connection from this point.

John Damerielle, Chief Engineer of the Bostin Damerielle, and Aldarman T.S. Grand Trunk Railway arrived here this morn-ing, and they will probably secure a Western connection from this point. John Damerielle, Chief Engineer of the Boston Fire Department, and Alderman J. S. workings of our fire department. The Cotton Market.

[Special Despatch to the Phila Evening Bulletin.]

NEW YORK, Nov. 6.—The Cotton Circular, just issued, says the decline in gold has produced a heavy market, which closes quiet at a decline of \( \frac{1}{2} \) from the highest point of the week. The supply offering is very small, and holders continue to be free sellers of Cotton

to arrive. The sales of the week have been 17,000 bales, and the receipts 19,500 bales.
The dry goods market is flat. HARRISBURG, Nov. 6.—About 12 o'clock last night a fire broke out in a row of frame HARRISBURG, Nov. 6.—About 12 o'clock last night a fire broke out in a row of frame buildings on Paxton street, near the river bank, resulting in the total destruction of five houses and almost their entire contents.

The 's is estimated at \$8,000 to \$10,000.

London, Nov. 6.—The death of Mr. Peabody occurred so late on Thursday evening, half-past eleven o'clock, that the fact could not be widely published until to-day. His death is universally regretted. Flags are flying at half-mast, and buildings draped in mourning in various parts of the city and other evidences of public grief attest the universal sorrow. (Special Despatch to the Phila. Evening Bulletin ]
WASHINGTON, Nov. 6.—The resignation of
Mr. McElrath, Appraiser of Merchandise at
the port of New York, was accepted to-day by
Secretary Boutwell, to take effect on the 30th
of November, and General Palmer, Assistant
Appraiser, has been appointed. Appraiser to versal sorrow.

The Daily News, this morning, in an obituary Appraiser, has been appointed Appraiser, to From Washington.

Washington, Nov.6.—Commodore Higgins and Surgeon McNulty arrived here to day from Wilmington, N. C., on their way to New York. The former is in full naval and the latter in half-dress costume. The Surgeon contradicts a statement which has been published, to the detriment of Commodore Higgins,

The facts are that before leaving Montauk Point the Commodore was severely wounded in one of his eyes by the parting of a hawser, and when he reached Wilmington he was suffering severely from the effects of the accident. The surgeon suggested that the Commodore's wife be sent for to attend him. He consenting, she was telegraphed to come to Wilmington, I was a commodore's wife be sent for to attend him. He consenting, she was telegraphed to come to Wilmington, I was a commodore in one of his eyes by the parting of a hawser, and when he reached Wilmington he was suffering severely from the effects of the accident. The surgeon suggested that the Commodore's wife be sent for to attend him. He consenting, she was telegraphed to come to Wilmington Leaves and the thanks of Congress.

The merchants in passing his statue daily do not need to learn from the consummate man of business how to gain money. His career may teach them how it may be wisely spent. PARIS, Nov. 6.—It is now tolerably certain that the Emperor will spend a portion of the winter at Nice.
