office and stables, below. Berks st. 10t. 40 by 150 feet. STRONGEST WATER.

It also demonstrates that the STAR WATER contains about.

100 Cubic Inches More of Cas in a gallon than any other spring. It is this extra amount of gas that imparts to this water its peculiarly sparkling appearance, and renders it so very agreeable to the taste. It also tends to preserve the delicions flavor of the water when bottled, and causes it to uncork with an effervescence almost equal to Champagne.

Sold by the leading Druggists and Hotels throughout the country.
