ic entertain about newspapers.

reasonable wants of the public.

adapted to everybody's wants.

It is an interesting study to observe the negligence produced this result, the guilty men widely-diverse notions that prevail with regard should be held to as strict accountability as if to newspapers, both among their readers and they had killed and wounded these persons conductors. Dr. Rush has commended himby shooting and stabbing them. self, forever, to the memory of all journalism, If this accident resulted from a misplaced by his criticism of it as "the teacher of disswitch, the next thing for the company iointed thinking," the notion of a recluse, sufto do, after securing the punishment of th fering with mental dyspensia, and morbidly offender, will be to apply to their switches the nervous on the subject of literary criticism. recent inventions which make accidents from Archdeacon Freeman has just won a brief nisplaced switches impossible, by removing notoriety by the fulmination of a savage assault them from the control of inattentive men, and managing them by machinery which is never aron the whole department of public journalism. Says this enlightened Freeman: "I hate it fault, but is absolutely certain to keep the newspapers. There were no newspapers in track in its proper position. Several patents of St. Paul's time; but had there been, I believe this kind are in existence, and many of them he also would have hated them. I think they are of a most admirable character. The peoare some of the most injurious things possible; ple have a right to demand that railroads shall not because they spread abroad a parcel o use them, and by this means remove a frerabbish, but because they are such feeble went cause of disaster and death. The matthings." There are thousands of Rushes and ter of expense is of no consequence. The pecu-Freemans in private life, who have no more niary loss by this accident on the Pacific Road intelligent notions about newspapers. The would place almost any of the patent switches "model newspaper" according to these along the entire line. The life of any one of contradictory authorities is the most the victims was worth a thousand times the nondescript object in nature. Each critic looks cost of such an improvement. at the great business of journalism through The art of "stuffing ballot-boxes" has alsome gimlet-hole of his own, and in blissful

ignorance or forgetfulness that one man is ways been pretty well understood by the Desarely enough to make a desirable sphere either | mocracy of New York and Brooklyn. But it of usefulness or profit to a newspaper, desires has never been practiced on such a grand scale to have it shaped and limited precisely to his as it was in the latter city at the late election. own tastes or wants or personal ends. The | Some of the Republicans have been making field over which these notions about news- investigations, and have discovered enormous papers range is obviously too wide for specifi- and undeniable frauds. Mr. Goodrich, who ation, since every man who has peculiar ends | was defeated for the Assembly, ran ahead of his to gain, peculiar fancies to indulge, or peculiar | ticket in every district in the Twentieth Ward comstances to be accommodated, looks in- of Brooklyn, except one—the third. In that stinctively to his newspaper as the instrument district the canvassers returned for him only Friendly advice, and disinterested suggestion, of the district declaring that they voted for and artful hint and ill-tempered complaint and him. with which the commercial and pecuniar

business of this country is transacted ar England, France and Spain. These editorial

ave attracted much attention, and are a goo

deal commented upon. From present indica

tions it seems probable that the debates of

range when the subject comes up in Congres

hough severely comme

SECOND EDITION THE COURTS BY TELISGRAPH:

OYER AND TERMINER—Indges Peirce and Paxson—The case of Robert Collins, charged with the mirder of Dennis Dolan on the 5th of July last, was commenced yesterday afternoon. According to the evidence of the Commonwealth, Mr. Collins, in company ith two females, made his appearance in the eighborhood of Seventeenth and Pinc

owing Collins and the females, and making re-parks. The prisoner turned back and kicked one of the boys, and then passed down Pine street and entered a saloon above Sixteenth; e boys gathered in front and waited for him to come out; when he came out, still with the laddes, the boys again followed him, making remarks in regard to his hat; at Sixteenth street Mr. Collins again stopped, the boys crowding the ladies; he accosted one of the largest and asked him if he was one of those Securities

The Boiler Explosion at Catskill, N. Y.

Who were following him; the boy replied that be was not; whereupon Collins said, "if you were bigger I would mash your mouth;" the boy replied that he did not know whether he would or not, and when Collins went on to rejoin the ladies, this boy started after him, rolling up his sleeves as though preparing to fight. Mr. Collins then drew a pistol, discharged one shot into the ground and the second across the street, the ball this I Special by Pacific and Atlantic Telegraph. MILWAUKER, WIS., Nov. 16 .- During a fencing scene at Gaiety theatre last night, one of the rapiers struck a kerosene lamp, which ex- and the second across the street, the time taking effect in the left side of Dolan, ploded, setting fire to the scenery. The flames speedily communicated to the a boy of 10 years of age.

James Hancock, the large boy who was andience-room, and before all in the building threatened by Collins, admitted, while on the witness stand, that the boys were following Collins, jostling him, and he heard that stones were fired at the man with the ladies; that veloped in flames. A number were saved by jumping from the second story window. Another witness, a boy, testified that when Several lives have been lost. Two bodies have been recovered from the ruins, burned almost Mr. Collins and the ladies came out of the beyond recognition. One of them was identified by a memorandum book as a printer boy, the ladies ran back into the saloon, and the proprietor came out and ordered the boys way from the door. The witness supposed hat the boys were waiting for a fight

pose of recovering \$5,000,000 damages, which the company allege they have sustained by reason of certain fraudulent transactions on the part of the Commodore. A motion was made yesterday on behalf of the defendant to have the action transferred to the Circuit Court, so that it could be tried before a jury. [From the Herald of to-day.] Monday, Nov. 15.—The week opened on cont duluess in Wall street. The publication of the V ington telegram announcing the attitude of the Pre-on the question of a return to specie payments pro-The decision of the Court was reserved. The decision of the Court was reserved.

In the case of Henderson, of the English blonde troupe, against Colonel George Butler, for an alleged libel published in Wilkes's Spirit of the Times, the defendant was arrested yesterday on an order issued by Judge Fithian, of the Superior Court, and gave bail in the sum of \$5,000.

The investigation into the cause of the late accident" on the Harlem Railroad, resulted, become a yesterday in a yerdict censuring the switch. report from London that the W's had declined fro to \$3f. The cause of this yielding is doubtless to \$3f. The cause of this yielding is doubtless to found in the fact that to day was settling day—'med as it is known—in London, and that in the general mand for cash there was a pressure to sell all kind securities. The Gold Exchange held an executive iden this afternoon, when the report of the Committee Hearing House was received and adopted. The pressint offset on Wednesday next, when clearan sill be resumed through the Gold Bank, full meers only to be allowed the privilege, and all checks affrom the bank to be made payable to and at tetropolitan Bank. Several of the prominent member cluding representatives of buillon houses, made ster yesterday, in a verdict censuring the switch-man, Patrick McGerty, who caused it, and the Railroad Company which had retained him in its service, although he had caused a similar catastrophe a few months before. The switchman is held in \$500 bonds to await the action of the Grand Jury. The Railroad Company is situated just as he is except those bonds. A meeting of the Equal Rights Association of Brooklyn was held at the Academy of Music in that city, last evening, at which Mrs. Celia Burleigh, Mrs. Lucy Stone and Rev. Henry Ward Beecher advocated the theories of woman's rights.

and from the bank to be made payable to and at the Metropolitan Bank. Several of the prominent members, including representative of bullion houses, made strenuous opposition to the adoption of the report, but in vain, the enthusiasm of the majority overwhelming all objection. To-morrow, at three o'clock, the directors of the Gold Bank willmake a statement and report of their condition. Mr. Hoyt, on behalf of the Executive Committee, offered the following, which was adopted:—

Whereas, Several of the officers and members of this Board have been threatened with legal proceedings for fulfilling their duties under the constitution of this Exchange, it is hereby resolved that the Board give its hearty countenance and smphatic support to the officers and committees in the discharge of all the duties required by the constitution.

Loans of cash gold were made at seven to five per cent. for carrying. General John E. Wool's Will. From the Troy Press, Nov. 15.1 The will of General Wool has not yet been The will of General Wool has not yet been opened. It is understood, however, that he has left property to the extent of \$650,000, for most of which is in available means. It is said he has bequeathed to his nephews and nieces a large part of it. His homestead, library, paintings, &c., valued, with a bequest of \$35,000, at about \$100,000, he leaves to his nephew and namesake, John Wool Griswold. It also appropriates \$50,000 for the erection of a monument to Mrs. Wool and himself at Oakwood. He also makes the following pubfor carrying.
The money market was easy at seven per cent. an The money market was easy at seven per cent. and under, rates showing considerable irregularity.

Commercial paper was quoted ton to fifteen per cent. for prime double names.

The government market was extremely quiet and dull, the fluctuations being only lone-eighth per cent., and confined to a few of the issues. Whatever tendency the reports from Washington had to unsettle prices, was offset by the actual itimer feeling in gold, despite the reputed position of the administration on the question of resumption. resumption.

To regular exchange was firm at the "advanced rate made by the prime bankers on Saturday—a step to which they were induced by the demand on mercantile account The decline in gold and its relative cheapness as compared with the price at which goods were bought in the summer tempt the merchants to wait no longer, but to buy while the price is in their favor, and hence there is good deal of covering of borrowed exchange.

The situation in the Sub-Treasury remains without change. General Butterfield has not been in attend Oakwood. He also makes the following public bequests: \$15,000 to the Rensselear Polytechnic Institute; \$3,000 to the Troy Orphan Asylum; \$2,000 to the Day Home; \$2,000 to the Catholic Orphan Asylum; \$5,000 to Williams College. • /

The Southward Movement by the Negroes

The Richmond Whig says: "A large number of colored people are reported as going South from different portions of Virginia. Richmond has already contributed a large number, and many others with a precarious support are willing to go to Dixie in search of remunerative labor. The Mayor, a day or so ago, let off one charged with petit larceny on the ground that he pledged himself to put his the south of the sub-Treasury this afternoon and remained about after no official transfer of the position was possible. It is not yet announced when Mr. Folgor will enter upon his duties.

The stock market was very dull throughout the day. In the foreone prices were inclined to heaviness, but railled in the afternoon an average of a half per dent, upon his lowest figures of the morning. The Southward Movement by the Negroes
The Richmond Whig says: "A large numremunerative labor. The Mayor, a day or so ago, let off one charged with petit larceny on the ground that he pledged himself to put his name down right away among the list of a party being made up to go to. South Carolina. It is not our purpose to speculate upon the consequences of this drain upon our laboring population, which it is very evident has just commenced. The time, however, is New York Stock Market of a party being made up to go to South Carolina. It is not our purpose to speculate upon
the consequences of this drain upon our
laboring population, which it is very evident
has just commenced. The time, however, is
not distant when it will become a matter of
serious moment."
