so many of the five-twenty bonds as may be

necessary to produce the sum required, and

ful liberty in France. For months past society

already properly judged these culpable exaggerations, which, after all, have served but to

popular suffrage. But the uncertainty and trouble must last no longer; the will of the

people must be known. France wants liberty

with order; and order I answer for; help me

messieurs to secure liberty. Between those

grant nothing, a glorious course may be chosen.

The Emperor then referred to the Senatus:

Consultum of September last, which he said

he had proposed with the purpose of inaugu-

rating a new era of conciliation and progress.
He proceeded to enumerate the municipal

reforms to be made. He pronounced the

situation of the country satisfactory, and de-

clared that the more he was ready, however, to

grant reforms, the more decided he was to

naintain the principles of the Constitution.

The relations of France with foreign powers
