Abbey. The brides were the beautiful daugh- drical stone sunk into the earth. In one inters of a family noted for its beauty, the ladies chamber being divided into two floors.

Alberthe and Maud Hamilton; the brideOne human skeleton was found; that of a grooms were the Marquis of Blandford, eldest | man of middle age, who was doubled up in one son of the Duke of Marlbro', and the Marquis corner of a room, as if crushed under the of Lansdowne. Of the proud Scotch house of weight of the roof when it broke in. Much of Abercorn an English correspondent relates:

"The first Marquis belonged to a race of nolesse now almost passed away and perhaps blesse now almost passed away—and perhaps more represented in some respects by his grandanimals, tools of flint and of lava. There was no trace of metals; not even a nail in the son and successor than by any member of the present peerage. He is described, when in his thirty-fourth year, as tall, erect and muscular wood-work of the roof. The pottery is of several kinds. Large yellowish jars, holding sometimes as much as twenty gallons, are the in his figure; thin, but not meagre; finely most common. They contained barley, peas, formed, with an air of grace and dignity difformed, with an air of grace and dignity dif-fused over his whole person. To the fine por-trait of James I. of Scotland, in the Duke of/ Hamilton's apartment (still retained) at Holy-was found also piled up against the walls. I smaller kind of Jars of a light color ornamenter rood, he bore a striking resemblance. with a red pattern present peculiarities which "Having conceived a passion for his first cousin, Miss Cecil Hamilton, he applied t cousin, Miss Cecil Hamilton, he applied this friend Pitt to procure for her the rank and made of a fine, light-yellow earth, and adorned precedence of an Earl's daughter, as he was with spots and curved lines, or, even with garayerse to marrying a commoner. This was lands of leaves. The execution of these shows lands of leaves. The execution of these shows managed only under great pressure, the King great skill and taste on the part of the workshowing extreme reluctance to grant so outrageous a request. However, the Marquis was Other rougher vessels have been found, and

At last it flashed across me that it was my former wife. "The Marquis had the most overweening notions of his own importance, and lived in marvelous pomp and splendor. In his life of Scott, Lockhart says:— Sir Walter then proceeded to fulfil his engagement with Lord Abaseam where he encountered traveling in that it was my former wife.' Abercorn, whom he encountered traveling in lava were found pierced in the centre. A faint a rather peculiar style between Carlisle and grove running on each side from the hole to groove running on each side from the hole to the edge of the disk looked like the mark of a Longtown. The ladies of the family and the household occupied four or five carriages, all card by which it had been suspended.

Arawn by the Marquis's own horses, while the noble Lord himself brought up the rear, learned to that similar disks of stone are mounted on horseback, and decorated with the ribbon of the Order of the Garter. On meetupon the frame. With the disks were found ng the cavalcade Scott turned with them : and e was not a little amused when they reached the village of Longtown, which he had ridden through an hour or two before, with the preparations which he found there made for the dinner of the party. The Marquis's major-domo and cook had arrived here at an early hour in the morning,

ome weights of lava, as well as a flint lance head, and a sort of small saw, also of flint. These resemble the usual flint tools known t archæologists. VICTOR EMMANUEL'S CONFESSION Scenes at the Redside of the Sick Italian and everything was arranged for his re-ception, in the paltry little public-house, as nearly as possible in the style usual in his own King...Administering the Bac A Confused Priest. Piean Correspondence Gazette d'Italia. The illness which exhibited the most alarmlordly mansions. The ducks and goese that ha ing symptoms of a pulmonites in a man who been dabbling three or four hours ago in the village pond were now ready to make their apmost alarming proportions on the evening of pearance under numberless disguises as entrées. I regular bill of fare flanked the Marquis's al-Friday and all Saturday. On the evening the last day the medical men did not conceal place had been pressed to do service as a naptheir apprehension that the august paties whin, and that nothing might be wanting to the might not survive the night, and an attack of mimicry of spiender, the landlady's poor remnant of crockery and pewter had been furbished up and mustered in solemn order on a then gave him a glass of wine, and it is certain crazy old buffet, which was to represent a side-that from that moment the improveboard worthy of Lucullus. I think it worth while to preserve this anecdote, which Scott de- As early as Friday evening, his Majesty while to preserve this anecdote, which Scott delighted in telling, as perhaps the last relic of a style of manners now passed away, and never likely to be revived among us."

"At his residence at Stammore, near London, Lord Abercorn maintained a magnificent hospitality. Lady Morgan, who was for some time dame de compagnie to the third marchioness, writes thence: 'The house is no house at all; it looks like a little town. Would you helieve the light of Canon Ibragia, and then

it looks like a little town. Would you believe it, when 1 tell you, that one hundred and twenty people slept under the roof during the Christmas holidays, without including the uncertainty of the Pisa Hospital, who, on his arrival, found that his Majesty was a specific profession was a specific profession. der-servants. The Queen's Chamberlain told | comewhat relieved, and the conme there was nothing like the whole establish- | delayed. On the Saturday evening he again | ment in England, and perhaps for a subject in wished to confess, and the Archbishop de-Europe.' At Stanmore not only people of rank | spatched the priest Renai with full powers to was a guest. The Marquis had a great horror of ugly women, and it is said used to obtain 'a private view' of guests through a hole in the wall, and absent himself when any one particularly plain made her appearance. At one time, when 'Thaddons of Wassaw' a posel your time, when 'Thaddons of Wassaw' a posel your time, when 'Thaddons of Wassaw' a posel your were received, but every celebrity of the day absolve his Majesty from the spiritual censures time, when 'Thaddeus of Warsaw,'a novel now | received by his Majesty with profound devotion. nearly forgotten, was the rage, Miss Jane Por- As the lungs now began to be somewhat renearly forgotten, was the rage, Miss Jane Porter, its authoress, was invited, with her sister, for a three days' visit. She was by no means as fifted in person as in mind, and the fastidious host was so appalled at her appearance that he was not visible for the rest of the visit."

As the langs now began to be somewhat relieved from the oppression which during the previous night had threatened to prove fatal, and as perspiration and symptoms of an eruption were visible, the physicians replaced the priest by the bedside of the patient. The fallowing may be accepted as an exact version of the visit and a perspiration and symptoms of an eruption were visible, the physicians replaced the priest by the bedside of the patient. The fallowing may be accepted as an exact version of the visit and a perspiration and symptoms of an eruption where the previous night had threatened to prove fatal, and as perspiration and symptoms of an eruption where visible, the physicians replaced the priest by the bedside of the patient. The fallowing may be accepted as an exact version of the visit.
