Ife made

no excuse; what excuse could he make? But, as his marriage with wife No. 1 occurred in Ocean county, the bigamy charge is cogniza-ble before the courts there. He was held, THAT'S A SMART LAD OF YOURS however, to answer another very serious charge in the Camden courts, whither he re-paired yesterday, and pleaded guilty. After he gets through there he will go to Ocean and be below Ninth. put through a course of moral training in the CKATES FOR MISSES, BOYS, LADIES courts of that county.

the proposition to remove the post-office from its present eligible position to Third and Plum streets, in the miserable building designed. Mr. Lee, the Postmaster, has been given the credit (and he was worthy of it) for establishing the post-office in its present location, the only decent place and building it has been in for the last twenty years at least; and now to remove it to an old rickety, tumble-down shanty, out of the way of the general travel and business streets will be regarded as highly improper and ridiculous. The Government should allow enough to rent a respectable building, instead of \$200 per annum, as at

present -Some time during Monday night the dwelling house of Mr. Gillingham, on Vine street, Cooper's Point, was entered by some burglar, who took advantage of the storm and robbed forced an entrance by prying open a window-shutter, but he must have been a windowshutter, but he must have been frightened away before obtaining the amount of booty he was after.

-The different phases of human physiog-nomy and character are pretty well developed in those persons who make application at the Camden Station House for lodgings at night. That institution is crowded nightly by such as have no place to sleep, and are willing to accept any accommodations that are available. -The members of the Third Street M. E. rulty of fraud in the New York Custom Chas. D. Green and D. W. C. Harline; Trea-House, will end in implicating a number of surer, Dr. C. C. McGlaughlin; Corresponding preparations for giving preparations for giving held usual Holiday importers and some high officials.

-The painful accident which occurred in Haddonfield a few days since, in which a young lad, aged fourteenjyears, named Fowler, was wounded in the forehead by a pistol shot, has since resulted in his death. -The recent cold snap has caused the sus-pension of work on all the streets and other improvements of Camden, as far as outside labor is concerned.

-The special Court of Quarter Sessions of Camden commenced yesterday. The usual number of cases were on the list for a hearing, some of which are rather spicy.

Hon. James Pollock, the Director of the Hon. James Pollock, the Director of the United States Mint, has just submitted his an-nual report to Secretary Boutwell. The opera-and movement where before was stagnation and gloom, but it also sensibly and powerfully the atmosphere of our spirits, maxing an angle and movement where before was stagnation and gloom, but it also sensibly and powerfully the atmosphere of our spirits, maxing an angle and movement where before was stagnation and gloom, but it also sensibly and powerfully the atmosphere of our spirits, maxing an angle and movement where before was stagnation and gloom, but it also sensibly and powerfully iows: The deposits of bullion at the Mint and Branches during the fiscal year were as fol-lows: Gold, \$31,463,249 76; silver, \$1,700,-453 49; total deposits, \$33,253,703 25. From this total a deduction must be made for the bullion re-denosited or hear made

value, \$840,746 50; silver bars, \$784,190 67; niekel-copper and bronze coinage, pleces, 43,782,750; value, \$1,270,055. Total number of pleces struck, 37,666,068; total value of coinage, \$34,881,058 20. The distribution of the bullion received at the Mint and branches was as follows: the Mint and branches was as follows: At Philadelphia, gold deposited, \$3,681,-060 34; gold coined, \$3,178,637 00; fine gold bars, \$130,141 91; silver deposited and pur-

posits and purchases, \$18,069,738 55; total _____The New York Star thus gives Knight his coinage, \$19,056,000; total number of pieces, rank, in a short review of the Academy Exhi-2,000,500. The Assay Office in New York received during the year in gold bullion, \$9,265,168 83;

ilver bullion, including purchases, \$879,439 23. to the public, but who give bright promise of Total value received, \$10,144,608 06; number of fine gold bars stamped, 6,721; value, \$9,221,-D. R. Knight and Charles Valkmar, of whom 914 30; silver bars; 5,764; value, \$642,100 55; we may prophecy reputation and remarkable total value of gold and silver bars stamped, pre-eminence in the future." \$9,864,014 85. At the Branch Mint, Denver, Colorado, the "Landing of the Pilgrins," now being en-

deposits for unparted bars were, gold, \$705,-560 38; silver, \$54,828 63; total deposits, \$850,-Mr. Joseph Andrews' room, 21 Bromfield 15 01. The deposits at this Branch for the street, we cannot forbear the pen-utterance of iscal year ending June 30, 1808, were \$303,-1778; showing an increase of \$487,377 23. a few words on the subject of his steel en-graving of the Pilgrims, just finished, from 17 78; showing an increase of \$487,377 22. Prior to and since the recent act of Congress hanging the Branch from a Mint to an Assay viously been informed that Mr. Andrews was Diffice, it has been engaged in melting, assay ng and stamping gold and silver buillion, re-turning the same to the depositors in the form

parted bars. The deposits for unparted bars of serious endeavor to all the ere: Gold, \$3,160 40.

ther as Assay Offices or as Branch Mints. The Branch Mint at Carson City, Nevada, nificant as the title page of a book, opening is rapidly approaching completion. The ma-chinery is nearly all in place, and operations details so gracefully filled in, that they do not will soon be commenced. Orders were issued obscure the grand idea by any confusion. o complete and put in operation as promptly as The Mayflower sits serenely as a sea-bird on possible the Assay Department. This will be done. The Superintendent of this branch re-ports that they will be ready to open early in September; and this will probably be the case midst of the "breaking waves," which has so far as the general operations are concerned; borne from her the precious freight to shore. but the more complicated details in reference to | has the same sturdy and sea-worthy bearing, the the furnaces, assay apparatus, etc., will require some weeks longer.

practical, experienced and scientific men. The service of God. Even the nice matter of temdeposits will be generally of mixed bullion, with | perament is preserved by the engraver, and no eness of two and one-half to fortyandths; silver, 940 to 960, and a small | lations to it." per centage of base metals, etc. This bullion, whether deposited for fine bars or coinage, must be refined or refined and parted, according to the condition of the deposit. It does not seem likely that much, if any parting, will be done at Carson. The bars of mixed bullion being officially stamped with both gold and silver proportions, will be as salable in that form as if they were parted. form as if they were parted.

ished, and that the amount now outstanding but, fortunately, they escaped uninjured but, fortunately, they escaped uninjured the train descending, and had of the one and two cent pieces was but little, if any, in excess of the actual demand for them. Existing laws provide for the redemp-tion of the three and fire' cent nickel-copper to the presence of mind to throw open a switch, by which means the cars were thrown over against the office on the tipple. The tipple was new, and was one of the most extensive on the river. It is a miracle that none of the coins. No consideration of public interest or on the river. It is a miracle that none of the private convenience demands the redemption of the bronze one and two cent pieces, or the substitution of a nickel one cent piece for the bronze conserved and the redemption substitution of a nickel one cent piece for the bronze one and two cent pieces for the lease of the firm substitution of a nickel one cent piece for the lease of the firm the bronze one and two cent pieces for the lease of the firm the bronze one and two cent pieces for the lease of the firm will probably reach \$3,000.

y predecessor for the reduction and redempon of the inferior coins by creating a fund for

and the second s gh a figure, no man can foresee when we | and useless. all have the pleasure of paying and receiving silver. There is no legitimate reason why the premium on gold should exceed ten per centum, nor why specie payments could not be safely resumed in three months from this

It is not very easy to find a precedent, if we ceded one, for such a policy as is indicated, or few nations have been brought to such a pass. We may mention one, however, which is Austria. That country, like the United States, has for the past eight years been using 1301 and 1303 CHESTNUT STREET. paper money, almost down to the last kreutzer. The Government is now replacing it with a silver currency at a reduction of real value o doubt the people are greatly pleased with

he change. France, Italy, Belgium and Switzerland hav also lately reduced their lesser silver coins. his they did, not to get rid of paper, to which hey had not been driven, but because the relative value of silver had increased, so that they must either take that course or do without si ver change. And while they were doing that ced the intrinsic value conthey wisely siderably be market rate for silver bul-lion, so as easonably out of the reach of fluctuations, ... not have to do the thing over again upon a lower basis.

Influence of Being in Love. Every one knows how being in love changes for the time a man's spiritual atmosphere, and makes animation and buoyancy where before there was flagess and dulness. One may even say that this is the reason why being in love is so popular with the whole human race-bemuse it relieves in so irresistible and delightful

place human life, And not only does it chang A RELIABLE HOME INVESTMEN creases our facilities for action. It is matter From this total a deduction must be made for the bullion re-deposited, or bars made at ene branch of the Mint and re-deposited in an-other for coinage. Deducting the re-deposite, the amount will be \$32,040,258. The coinage for the same period was as follows: Gold coinage, pieces, 1,181,302; value, \$21,828,637 50; unparted and fine gold bars, \$10,199,328 53; silver coin, pieces, 1,702,616; value, \$840,740 50; silver bars, \$784,190 67; nickel-copper and bronze. coinage, pieces, means to show elergy from the analogy of the most is any, we learn from the analogy of the most

ing and stamping gold and silver buildon, re-turning the same to the depositors in the form of unparted bars, bearing the Government stamp of weight and fineness. As an Assay Office it will meet all the demands of the miner, and promote as effectually the mining interests of the region as a Mint for coinage could possibly do. At the Branet Mint, Charlotte, North Caro-lina, the deposits have been very limited, but are increasing. It is now in operation as an Assay Office; deposits have been very minited, out occurrence, we think, in a word of such den-are increasing. It is now in operation as an cate details. The whole principle of that bold movement which laid the foundation and returned to depositors in the form of unre: Gold, \$3,160 40. The Branch Mints at Dahlonega, Georgia, | opened before the spectator, and he seems to activities, both masculine and feminine, is and at New Orleans, Louisana, have not been n operation since the close of the rebellion. No necessity now exists for their continuance, moved them are so clearly defined, that we see much at first glance, clear, and as sigborne from her the precious freight to shore, dutiful servant of her heroic destiny. Tearful, ome weeks longer. From the peculiar character of the bullion face and form tells its individual story. sweet and bright, sorrowful and prayerful, every that will be deposited for fine bars or coinnge, the operative officers of this branch should be termination to achieve a freedom worthy of the

ACCIDENT ON A COAL BOAD.

A Train of Cars Breaks Loose and De-scends an Inclined Railway. The Pittsburgh Chronicle says: A very serious accident occurred yesterday form as if they were parted. I regret that I am not able to report progress in the erection of the new Branch Mint building at San Francisco. It should be commenced at once, and prosecuted, without further delay, to final completion. The redemption of nickel-copper cents was continued during the fiscal year, payment be-ing made therefor in the three and five cent nickel coins. The amount thus redeemed was, in pounds, 103,536; value, \$101,465 25. The redemption for the year ending June 36, 1808, was, in value, \$260,482 04—a decrease of about one hundred and fifty per centum. This marked decrease indicates that the redundancy of these small coins has been greatly dimin-ished, and that the 'amount now outstanding They noticed the train descending and bid

bronze coin of that denomination. I cannot concur in the recommendation of written by M. Ledru Rollin to a friend in Paris is worth notice: "Some think that I have shown good sense by withdrawing from

tion of the inferior coins by creating a fund for redemption out of the profits of such coinage heretofore paid into the Treasury of the United States. The net profits of the nickel-copper and bronze coinage, and paid into the Treasury of the United States during the fiscal year, were seven hundred and fifty thousand dollars. The restoration of a silver currency "for change," in lieu of the postal or small note cur-rency, would be an important adjuvant to a general resumption. But while the law stands

As its name implies, it does Cure, and does not fail. Containing neither Arsenic, Quinine, Bismuth Zinc, nor any other mineral or poisonous substance whatever, it in nowise injures any patient. The number and importance of its curves in the agua dis-tricts, are literally beyond account, and we believe without a parallel in the history of Agua medicine. Our pride is gratified by the acknowledgments we receive of the radical curves effected in obstinate cases, and where other remedies had wholly failed.

Unactimated persons, either resident in, or travelling through miasmatic localities, will be pro-tected by taking the **AGUE CURE** daily. For Liver Complaints, arising from torpidity of the Liver, it is an excellent remedy, stimulating the Liver into healthy activity. to Liver into healthy activity. For Billous Disorders and Liver Complaints, it is a excellent remedy, producing many truly re-narkable cures, where other medicines had failed. all round the world. PRICE, \$1.00 PER BOTTLE.

At wholesale by J.M. MARIS & CO., Philadelphia. PAL DENTALLINA. - A SUPERIOR U article for cleaning the Teeth destroying animalcula which infest them, giving tone to the gnms, and leaving a feeling of fragrance and perfoct cleanliness in the mouth. It may be used daily, and will be found to strengthen weak and bleeding gums, while the aroma and detersiveness will recommend it to every one. He-ing composed with the assistance of the Denist, Physi-clans and Microscopist, it is confidently offered as a. reliable substitute for the uncertain washes formerly in vogue. Eminent Dentists, acquainted with the constituents of the Dentallina, advocate its use; it contains nothing of the Dentallina, advocate its use; it. Contains nothin to prevent its unrestrained employment. Made only b JAMEN T. SHINN, Apothecary,
