through.

ind spontaneous, that no training can give. Training can do much in the way of making a voice; but it can never compass more than a bad imitation of this quality; for the very fact of. its being an imitation, however ac-curate, betrays itself like rouge on a woman's checks, or a wig, or dyed hair. On the other hand, there are voices which have the other hand, there are voices which have the jar of falsehood in every tone, and that are full, melodious voice which irresistibly suggests Highness." the jar of faisenood in every tool, and the raven or as full of warning as the creak of the raven or the hiss of the serpent. There are in general the naturally hard voices which make them-selves caressing, thinking by that to appear sympathetic; but the fundamental quality strikes through the overlay, and a person must be very dull indeed who cannot detect the pre-tionate voice, with its harsh undertone and signate undertone and the server of tionate voice, with its harsh undertone and sharp accent whenever it forgets itself. But, without being false or hypocritical, there are its kind than to hear Landor read Milton or while the speaker. For instance, there is that thin treble squake we sometimes hear from the mouth of a well-grown portly man, when we expected turning out of the wrists, which are gestures that, like the chest voice, instinctively belong to men only, and have to be learned and prac-tised by women. Nothing betrays so much as the voice, save perhaps the eyes, and they can be lowered, and so far their expression hidden. In moments of feeling, though a strong will and the habit of self-control, can steady the voice when else it would be failing and tremulous. But not the would be failing and tremulous. But not the making; and yet how laughing, how bewitch-strongest will, nor the largest amount of self-ing it can make itself!-never with the Italian is no operation the motive of saving, which is 1818 and 820 Chestnut Street strongest will, nor the largest amount of self-control, can keep it natural as well as steady. It is deadened, veiled, compressed, like a wild creature tightly bound and unnaturally still. One feels that it is done by an effort, and that if the strain were relaxed for a moment the wild creature would burst loose in rage or despair, and the voice would break out into the scream of passion or quiver away into the the scream of passion or quiver away into the falter of pathos. And this very effort is as eloquent as if there had been no holding down manner of speech. The sharp, high-pitched, that the start of th at all, and the voice had been left to its own stridulous voice of the French, with its clear impulse unchecked. Again, in fun and humor, is it not the voice that is expressive, even more than the face? The twinkle of the eye, the bellewin the more and near intonation is considered pedantic; bellewin the divide line the divide line the divide line the more ordinary R E AD Y - M A D E hollow in the under lip, the dimples about the where brave men cultivate a drawl, and pretty mouth, the play of the eyebrow, are all aids women a deep cliest voice; where well-educated help of a pair of horses. Those who have not the kind of business which we do-dealing only certainy; but the voice! The mellow tone people think it no shame to run all their words that comes into the utterance of one man, the into each other, and to let consonants and the necessary season from a neighsurprised accents of another, the fatnons sim- vowels drip out like so many drops of water, boring farm, or from another small proprietor plicity of a third, the philosophical acquiescence with not much more distinction between them, who keeps them for letting out. of a fourth when relating the most outrageous and where no one knows how to educate his The larger properties or farms have horsey of a third, the philosophical acquiescence with not much more distinction between them, impossibilities—a voice and manner peculiarly Transatlantic, and indeed one of the Yankee forms of fun—do not we know all these varie-ties by heart? have we not veteran actors ties by heart? have we not veteran actors much a matter of education as a good carriage brought into operation, and perform this work whose main point lies in one or or a legible handwriting. We teach our child-other of these varieties? and what ren to sing, but we never teach them to speak, ties of their own to occupy their whole time be the drollest anecdote if beyond correcting a glaring piece of mispro- hire themselves out as day laborers. There told in a voice which had neither play nor nunciation or so; in consequence of which we are also a few who have no property of their significance? Pathos too—who feels it, how- have all sorts of odd voices among us—short, own, and work for wages only. Half-a-crown ever beautifully expressed so far as words may velping voices like dogs, purring voices like is the ordinary day wages at the present time go, if uttered in a dead and wooden voice without sympathy? But the poorest attempts chatterings; a very menagerie in fact, to be chatterings; a very menage at pathos will strike home to the heart if given heard in a room ten feet square, where a little "Of society, besides the artists who happen Commence Friday, Dec. 10 sonal cultivation would have reduced the tain popular airs of mean association can be whole of that vocal chaos to order and har- day, it is true we have not much. Within the past week no less than mine of these nor minimals droped to the city. Within the past week no less than mine of these nor minimals droped to the the city was indicated to a constant of the state o of the miserable animal, and after some little labor in the slop-cart he is driven from the public streets by the agents of the S. P. O. A., is penned up in a filby stable or stall, and finally dies, as above stated. This is too often the case, and yet it is impossible to induce the owners to admit the real cause of death. The carcasses of these horses are then sold to a dealer, who dissects them, obtaining about one dollar for the bones and two dollars for the hide. In most cases the *post mortem* examina-tion reveals the fact that the stomachs of tho hide. In most cases the post mortem examina-tion reveals the fact that the stomachs of the animals are scarcely one-third the natural size, some of them so small, indeed, that a quart of some of them so small, indeed, that a quart of PHILADELFHIA, December 11th, 1869. oats would cause a considerable extension to To the Publishers of the Evening Bulletin : oats would cause a considerable extension to them. The bones and hoofs are taken to a manufactory of fertilizers, and here the last remains of the poor old horses are made to enrich the soil for the production of vege-tables. ANOTHER HANDSOME IMPROVEMENT.— Arch street is rapidly becoming converted into both the carriage-way and the sidewalks gives tothe the soil to receive Machines. To the Publishers of the Evening Bulletin: GENTEMEN— Please advise each indy reader of the Even-presend to send, graduitously, competent in-structors to the residences of all who feel dis-tothe the carriage-way and the sidewalks gives Arch street is rapidly becoming converted into a business thoroughfare, and the wideness of both the carriage-way and thesidewalks gives it peculiar advantages in that respect. East it peculiar advantages in that respect. East of Tenth street only a few dwelling houses D. S. EWING. CHRISTMAS PRESENTS—Messrs. Eyre & CHRISTMAS PRESENTS—Messrs. Eyre & Landell, the well-known dry goods dealers at found in the city, and business of all kinds, wholesale and retail, is transacted. Two wholesale and retail, is transacted. Two handsome additions to this character of stores have just been completed and are nearly ready for occupancy. They are owned by Mr. E. Ketterlinus, and occupy lots Nos. 3il and 313. These stores in height, and have iron fronts with ortumiental cornice. One store is 140 and the other 161 feet in depth, and both have outlets on Cherry street. The buildings are about 76 feet high, and are so constructed as to present the appearance of one extensive botters on Cherry street. The binnings are about 76 feet high, and are so constructed as to present the appearance of one extensive establishment. They are built in the most substantial manner, and the interior is fitted up as first-class stores generally are—with-skylights, ventilators, counting-rooms, &c. This improvement is a very fine one, and adds greatly to the adornment of that portion of Arch street. CITY MORTALITY.—The number of inter-ments in the city for the week ending at noon to-day was 200, against 252 during the same period last year. Of the whole number 121 were adults and 131 children—71 being under one year of age; 125 were males; 135 females; 71 boys, and 68 girks. The whole number of deaths in each Ward The whole number of deaths in each Ward perior to any "German." So do many others. W. P. H.
