and travel next week. For the present its passenger trains will probably start from the lepot of the Philadelphia, Wilmington and Baltimore Railroad. It is generally hoped that his arrangement will be permanent, and that large union depot will be built for the Philadelphia, Wilmington and Baltimore, the Dela ware and the Wilmington Railroad, now built and the Wilmington and Western, yet to be

The latter road will. I am assured, certainly be built, as the people along the line of the route are awakening-not to its importance, for that they have, always understood-but to a realization of the fact that they must put their own shoulders to the wheel. It is designed at present to run from Wilmington to handlerville, where it will connect with a branch of the Pennsylvania Railroad, now building in a southeasterly direction from Pomeroy. The ultimate design is, however, o push the road to, a connection with Gettys-

g, and thence through the southern set of the far West. At about two o'clock to-day Washington low, a well-known builder, discharged a half-hrunken workman named Edward Butcher, who had been working on the improvements in progress at the City Hall. Butcher picked up a piece or building-stone, weighing several alongside the head, cutting one of his earning. -The Bethany Mission held its anniversary -The Bethany Mission held its anniversary in the School not considered dangerous.
