The bill withholding by any particularly fair means. Now it was that the President thinks so important as to the usual appropriation from twenty super- well known to influential members of both induce him to go out of the way in an official fluous hose companies, was passed by both branches of the Legislature that the bill was a that the President times so important times so important times so important times and times and times are times and to the way in an official and formal communication to specify and applaud, Judge Grier can have no more worthy plaud, Judge Strong as he can have no more worthy the press of the city and of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the press of the city and of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the press of the city and of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the press of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the press of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the press of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the citizens generated to have it to the Mayor for his signature. The act called forth the universal approval of the citizens generated to have the citizens of the Legislature that the bill was a corner Third and Spruce streets, only one square corn successor than Judge Strong, as he can have neither as a jurist and a citizen. We consider that the truth of history, and sheer justice repaires this much at our hands.

The theme is a tempting one, but we will more pursue it. We will merely say that, considering the opinions and feelings of Governors Seymour, of New York, and Parker, of the fellowing vote. Common that the effort was repeated, and with the truth of history, and sheer justice response that the new Common that the Legislature hoodwinked or cajoled, and the people of Philadelphia robbed of a most valuable franchise, by the operation of a legislative practice which often produces still more mischievous fruit than in the case it is supposed to be compared that was enough. The Legislature hoodwinked or cajoled, and the people of Philadelphia robbed of a most valuable franchise, by the operation of a legislative practice which often produces still more mischievous fruit than in the case it is supposed in all that was enough. The Legislature hoodwinked or cajoled, and the people of Philadelphia robbed of a most valuable franchise, by the operation of a legislative practice which often produces still more mischievous fruit than in the case it is supposed in all that was enough. The Legislature hoodwinked or cajoled, and the people of Philadelphia robbed of a most valuable franchise, by the operation of a legislative practice which often produces still more mischievous fruit than in the case it is successible. The capture is successed in the common of a legislature in the city, and a grates.

The Legislature is supposed to be common of a legislature in the city, and a common of a legislature in the city, and a grates.

The Legislature is supposed to be common of a legislature in the city, and a common of a legislature in the city, and a common of a legislature in the city, and a common of a legislature in the city, and a neither as a jurist and a citizen. We consider ally. But no sooner had the new Common and that was enough. The Governor was imernors seymour, or new york, and Parker, of New Jersey, had Pennsylvania failed to re-elect New Jersey, had Pennsylvania failed to re-elect Success. CITY BULLETIN. HOSPITAL OF THE P. E. CHURCH-ANNUAL TRETING OF THE CONTRIBUTORS.—The Nine-

many years, has held the supervisorship-inthe Hospital of the Protestant Episcopal
Church was held this noon, at the office, No.
708 Walnut street, Right Rev. Wm. Bacon
Stevens, D. D., presiding, and the Rev. John
A. Childs, D. D., acting as Secretary.
The report of the Board of Managers was
read as follows:

The Signation of Miss Hannan Davis, with, low many years, has held the supervisorship-inchief of the nursery at the Hospital.

Under the faithful superintendence of S. B.
Knight, M. D., and the matronship of Mrs.
Knisel, the Hospital malutams its well-earned reputation for order, neatness and general efficiency.

While we are writing this report, intelli-While we are writing this report, intelligence reaches us that the remains of that distinguished philanthropist, George Peabody, are in transit from the land of his adoption, to find a burial place in the home of his birth. Though his benefactions did not lie in the same direction as that which has been given to presperity with which He has been pleased to bless it in the whole course of its history.

The contributions from the churches, in Though dead, he yet speaks, and will speak through all time, in words of cheerful encouragement to us all—to go forth and bless the land of this history.

While we are writing this report, intelligence reaches us that the remains of that distinguished philanthropist, George Peabody, are in transit from the land of his adoption, to find a burial place in the home of his birth. Though his benefactions did not lie in the same direction as that which has been given to ours; nevertheless, in his large and wide concern for the welfare of humanity, his is a name worthy of the highest mention, and an example worthy of the closest following. Though dead, he yet speaks, and will speak through all time, in words of cheerful encouragement to us all—to go forth and bless the

been added to the vested linus of the stand gift, tion, during the past year, by bequest and gift. To both these sources the Board confidently look for an increasing supply of means dently look for an increasing needs.

The following gentlemen were unanalized re-elected members of the Board of Managers to serve for the ensuing three years, viz.: Eev. B. Watson, D. D., Rev. Wm. H. Hare, Rev. B. Watson, D. D., Rev. Tellon C. Cresson, Jos. A. to meet their increasing needs.

As an agent of benevolence, it commends itself to our deepest human sympathies. It is for the relief of the sick and suffering. The G. Godfrey. prompting to this we might easily say was instinctive, if we did not reflect that, apart from Christianity, it is but little known. Yet even there, it no doubt operates in the lesser circle of family and friends. If so, Christianity has also family and friends. If so, Christianity has also quarters, 500 Chestnut street. There was also quarters, 500 Chestnut street. simply enlarged its bounds, by teaching us that every one is our neighborr, our brother; and therefore gathering into our brother; and therefore gathering into our brother the whole followship of the whole followship of the problem of the whole followship of the whole followship of the problem of the whole followship of the whole followship

Hall, No. 1635 Market street, last evening, when the following gentlemen were chosen: President—Rev. F. P. O'Neil.

great.

Le the good citizen who wishes well for To the good citizen who wishes well for the community in which he lives, such an institution rises up as a valuable aid in the moral education of the people. It is an example of practical benevolence constantly before their eyes, the sight of which cannot but have a humanizing and salutary intuence. Every exemplification of this true and unmistakable is a point of light irradiating the darkness around. And men grow better by living inthe light. They see their way more clearly into all the moralities and obligations of life. The religion for the world of the heart and of the light for the world of the heart and of the hand—and they take more kindly to its.

the hand—and they take more kindly to its instruction.

Shift constitution of the heart and of city, and are intended for the Southern trade city, and are intended for the Southern trade instruction.

Shift constitution of the heart and of city, and are intended for the Southern trade city and are intended for the instruction. from New York. They instruction. Such considerations as these, we believe capacity for 3,000 bales of cotton. cannot be without their weight in attracting PAWNEROKERS LICENSES.—The Mayor has and especially these whom of the benevolent to this charity is sued the following licenses to pawnbrokers. with large means—and calling forth additions to its funds, either by gift, while living, or by bequest, at their death. Of all charitable enterprises it is probably the least expensive for the good that, it accomplishes, wasting nothing on extravagant officials, and losing nothing by leakage as the money passes from its giver to its recipient. Of all, too, it is probably least exposed to missification of the funds intrusted to it. Money given or left for civil, educational or ecclesiastical purposes, is liable to be diverted from the designs of the donors, and hus been, even in our own country; but we believe there is not a single case on record where such a diverse of the donors, and hus been, even in our own country; but we believe there is not a single case on record where such a diverse of the donors, and hus been, even in our own country; but we believe there is not a single case on record where such a diverse of the donors, and hus been, even in our own country; but we believe there is not a single case on record where such a diverse of the donors, and hus been, even in our own country; but we believe there is not a single case on record where such a diverse of the donors, and hus been, even in our own country; but we believe there is not a single case on record where such a diverse of the donors, and hus been, even in our own country; but we believe there is not a single case on record where such a diverse of the donors. and especially those whom God has blessed for the year 1870: given or left for civil, educational or ecclesiastical purposes, is liable to be diverted from
the designs of the donors, and has been, even
in our own country; but we believe there is
not a single case on record where such a diversion can be charged upon funds thus devoted to institutions which have for their end
the alleviation of human sorrow and misery
