CITY BULLETIN.

CAPTURE OF A "CRACKSMAN."—This morning, about three o'clock, John Shields, formerly a policeman of the Twelfth District.now merly a policeman of the Twelfth District.now a private watchman on Franklin, Eighth and Poplar streets, observed three men acting in a suspicious manner in the neighborhood of Seventh and Poplar streets. He watched them for nearly an hour, and then went up to Girard avenue, where he met Sergeant Shuler and Policeman Taylor, of the Twelfth District. He informed these officers of what he had observed, and the three went to Franklin and Poplar streets. In a few minutes one of the suspicious men came out of an alley and was seized by Shields came out of an alley and was seized by Shields and handed over to Sergeant Shuler. It was then supposed that a liquor store on Poplar street had been entered, and the premises street had been entered, and the premises were searched, but there were no signs of any robbery having been committed. At this time a car passed up Seventh street and a man got off. He had a basket, and as soon as he saw the policemen he crid: "Bull! bull!" Two men jumped a fence, and the three ran up Poplar street and turned down Franklin, followed by the police. Shuler fired two shots after the fugitives, but without effect. Shields then fired, and in turn was fired upon by one of the fellows. Officer Taylor sprang his ratthen fired, and in turn was fired upon by one of the fellows. Officer Taylor sprang his rattle. Acting Sergeant MacDonald; of the Eighth District Police, made his appearance, and commanded the men to halt. One of them did halt, but it was only to level his pistol at MacDonald and fire. Fortunately his aim was not good. The noise made by the firing and the springing of rattles attracted the attention of other officers, and at Eighth and Parrish streets, Policeman Chandler, of the Eighth District, captured two of the fugitives. The other one succeeded in getting away. It was then ascertained that the store of S. M. & S. R. Fridenberg, No. 700 Poplar street had been entered, as is supposed, through the transom, and that the fire-proof through the transom, and that the fire-proof safe had been operated upon with gunpowder. Nothing was missing from the store, however, and the vigilance and energetic action of Mr. Shields, no doubt, prevented a heavy robbery from being committed. The prisoners were taken to the Central Station, and were

locked up for a hearing. They gave their names as George Morris and Charles Gray, but some of the Detectives declare that they are Pete and Joe Burns, and in thieves' parlance are known as '' cracksmen.' BETHANY SABBATH SCHOOL.—Last. Monday evening the teachers held their eleventh annual meeting at the house of their Superintendent, Mr. John Wanamaker, 1723 Spruce street. There were present 95 teachers and officers. After the usual devotional exercises and the teaching of the lesson, which generally occupy an hour and a quarter, the business portion of the meeting commenced. The Su perintendent's report was an exceedingly in-teresting one, from which we gather the fol-lowing facts in regard to the school:

Sabbath, or a total of 13,000 in all. The teachers assume the responsibility of the current expenses of the building and the Sabbath School: and to do the work properly they require \$4,500 for this present year. They therefore cheerfully, and at once, pledged themselves for \$3,300, and think they can, at their next weekly meeting, raise the balance. This being done, the Trustees of the Church can at once proceed to build the proper church accommodation for the rapidly growing congregation connected with this flourishing school. The Bethany Mission Sabbath School is doing a great and good work, which must be apparent to any person visiting it on Sabbath afternoons. There is much need of this kind of work, and there are just as important places all over our city where it can be made places all over our city where it can be made a blessing to all engaged in it, and be the means of pointing hundreds and thousands of souls to a higher, holier, nobler, better life than they now enjoy. than they now enjoy.

MAKING COUNTERFEIT MONEY.-Edgar MAKING COUNTERFEIT MONEY.—Edgar Bishop and John Hughes had a hearing before U.S. Commissioner Henry Phillips, Jr., this morning, upon the charge of making counterfeit money. The evidence showed that about 8 o'clock last evening, John A. W. Clarvoe, a special agent of the Treasury Department, accompanied by Lieut. Haggerty, of the Third District police, and Deputy U.S. Marshal Schuyler, went to a house on Water street, near Dock. In the basement the defendants were found. Hughes opened the door for the were found. Hughes opened the door for the officers, and Bishop was engaged in trimming five-cent pieces. On the stove was a ladle full of composition, and in the stove were moulds. Under the stove there were also moulds. These were still warm, and contained five-cent pieces. A lot of the bogus pieces already moulded were also found in a pan. The officers took possession of the moulds and coin, and also some plaster for making moulds. The prisoners were locked up for the night in the Third District Police Station. On searching Bishop some of the bogus five-cent pieces were found in his pockets. Hughes declares that he only commenced work last night, and that this is his first attempt at making counterfeit money. After the hearing to-day, the defendants were committed in default of \$5,000 bail to answer at Court.

CITY MORTALITY.-The number of inter-GITY MORTALITY.—The number of interments in the city for the week ending at noon to-day was 323, against 285 the same period last year. Of the whole number 179 were adults and 144 children—80 being under one year of age; 166 were males; 157 females; 78 ooys, and 66 girls.

The number of deaths in each Ward was:

9 Twenty-furth...
7 Twenty-fifth...
8 Twenty-sixth...
7, Twenty-seventh...
8 Twenty-seyenth...
7 Twenty-eighth... welfth

The principal causes of death were: Apoplexy, 7; congestion of the brain, 7; consumption of the lungs, 50; convulsions, 18; disease of the heart, 12; scarlet fever, 23; inflammation of the lungs, 28; palsy, 8; old age,

STORE ROBBERY.—The hardware store of Handy, Brenner & Co., at Fifth and Comnerce streets, was entered by thieves sometime during last night. Adjoining the store on the north is a graveyard. The robbers got on the wall surrounding the yard, and by means of a rope lowered themselves into an arm in the reprofessors. area in the rear of the store. There a window area in the rear of the store. There a window was forced open with a jimmy, but iron bars prevented an entrance in that direction. A door close to this window was next operated upon, and appears to have been pushed in, the staples of the fastenings on the inside having given away. Thethieves then went up into the store and to the place where the finest cutlery is kept. Taking out a drawer, they carried it into the basement, where a selection of goods valued at nearly two thousand dollars was made and carried off. The robbers departed in the same manner in which they had entered.

THE VOTE CLOSED.—The voting for a chair THE VOTE CLOSED.—The voting for a chair, which has been in progress for several days at St. Francis's church fair, was closed last night, and resulted as follows: Catholic Philamathean Literary Institute, 2,777! votes; Conference attached to the church, 2,405 votes. This result was entirely unexpected. The chair will be occupied by Rev. J. J. O'Neill, the newly elected President of the C. P. L. L., on Thursday evening next, at their hall, No. 1655 Market street, where there will be a public debate. be a public debate.

STEALING SHOES.—Two young men, named William Kernan and James Montgomery, went into the shoe store of Charles Cronin, at Sixteenth and Christian streets, last evening, and, it is alleged, helped themselves to three pairs of shoes. They were arrested by Mr. Cronin, the proprietor. Alderman Dallas held the accused in \$500 bail for trial.

A DOUBLE ASSAULT.-Michael Carrigan was arrested last night, at Front and Noble streets, upon the charge of beating his wife. After being taken into custody, it is alleged, he assaulted Policeman Verril, of the Seventh District. He bad a hearing before Alderman Toland and was held in \$1.200 bail for trial.

ANOTHER.-Almost every night the Delaware Harbor Police prevent some unfortunate individual from walking into the Delaware. Last night Policeman Robinson stopped an old man who was about stepping off of Market street wharf.

RUN OVER.—Ellsworth Turner, aged eight years, was run over by an express wagon, at Frankford road and Hart lane, and was badly injured. He was taken to his home on Hart lane. Albert Chester, the driver of the wagon, was arrested and taken before Alderman Egulators and taken before Alderman Egulators. gleton, and held in \$800 bail for a further hearing.

AMUSEMENT LICENSES .- An act of Assem-ANUSEMENT LICENSES.—An act of Assembly requires that licenses for all public balls and places of amusement shall be taken out at the Mayor's office. This morning the Walnut Street Theatre received a license. The total number of licenses issued thus far, this year, is only nine. The number of such licenses issued generally exceeds 75.

LARCENY.-Henry Gance was arrested in Spafford street, last night, upon the charge of the larceny of \$30. He was taken before Alderman Carpenter and was committed to

The Muses.—"The Nine Muses" are among us now, and will be exposed to public view some time next week, at the galleries of Messrs. Earle & Sons. Here, fitly enshrined, and with chaste and elegant surroundings, they will receive the homage of thousands. Our readers may possibly all not know that the series of pictures by Fagnani are portraits of American women, painted to refute the assertion of a foreigner that the type of beauty which we admire is far inferior to that of the Greek sculptors and that we have not a purely classical face among us. It is evidently no easy task to present nine modern beauties as the daughters of Mnemosyne; and each section, from Massachusetts to Louisiana, from the Lakes to the Gulf, has lent its loveliest to aid the artist in his self-imposed labor. The success with which he has met shows a rare discretion and refinement of feeling on his part. For months past the citizens of New York and Boston have enjoyed the presence of "the THE MUSES .- "The Nine Muses" are among and Boston have enjoyed the presence of "the Nine Muses," and we hail their appearance among us, knowing the impatience there exists here to enjoy them thoroughly.

THE HALFORD LEICESTERSHIRE TABLE SAUCE is one of the most agreeable condi-ments that has been placed before the public. It has already taken the precedence of other similar preparations upon the tables of our principal hotels throughout the country. It possesses a very fine flavor, not too pungent, and sufficiently delicate to please the palate of the most fastidious. We can testify from experience as to its excellent properties, and can most heartily commend it to house-keepers, hotels, and others who cater to the public.—Boston Transcript. By an advertisement on our fourth page, it will be seen our principal grocers have it on hand.

THE Mænnerchor.—The annual bal masque of the Mannerchor will be given at the Academy of Music on Thursday next, the 20th inst. The subscriptions are being rapidly received and the attendance bids fair to be very large. The managers are all very busy in get ting up various novelties for the occasion Their plans, however, are not divulged, the object being to astonish those who participate in the affair. The balls of this Society in former years have always been very attractive, and the scenes at the approaching one will be equally grand.

Confections en Regle.—The fashionable world find the confections of Mr. Stephen F. Whitman, corner of Twelfth and Market streets, en reyle. Nothing can be added to make them more delicious or excellent.

Rev. John Hall, D. D., of New York, will preach the sermon at the installation of Rev. J. R. Miller as pastor at Bethany Presbyterian Church, Twenty-second and Shippen streets, Monday evening, Jan. 17.

J. E. KINGSLEY, of the Continental, pro-nounces BURNETT'S COLOGNE WATER su-perior to any "German." So do many others. W. P. H. Covert, of the News Exchange, Con-tinental Hotel, has it for sale.
