Herring & Co., Chicage.

Herring & Co., Chicage.

Herring & Co., Chicage.

Herring, Farrel & Sherman, New Orleans all, your extraordinary woman, who has some all your extraordinary woman all your extraordinary woma ences any night; and he must, therefore, have a wholly incorrect notion of at least the half of her. Now it seems to us that, in polite and refined society, the majority of women are rather silly person, who has caught a fever remen society, the majority of women are pretty much in the position of the sun, with regard to the men around them. They never have a chance of knowing the real character of men, who, whatever be their temper or disposition, immediately become amiable, and courteous in the What does a young man conquering every difficulty, and presence of women. What does a queen know of her subjects and of their thoughts of her? Wherever she turns, she only meets smiling faces, and complimentary speeches, and professions of profound love and admiration. Hereas have a wonderful faculty. admiration. Her eyes have a wonderful faculty clined to indulge in; and if he does not, the of turning to gold, whatever they look upon.

Human nature must seem to her to have been women of his acquaintance look upon him as a "softy," and slirug their shoulders in a highly Human nature must seem to her to have been humorous way over his folly. As for the formed for the special purpose of expressing its reverence and love for royalty. Not only do modern young lady, she conceals her affection so thoroughly that you would almost imagine er immediate attendants, courtiers, and such her immediate attendants, courtiers, and such people invariably present to her a smiling face, but she finds that she exercises the same mestout she had none.

Of course, there are women of sufficient shrewdness to see that the common attitude of shrewdness the shrewdness to see that the common at meric power on such impersonal objects as the men who surround them is that of an amianewspapers.

The typical drawing-room man, whom society ble hypocrisy—who are quite alive to the weakhas at length been able to produce, after many | nesses and peculiarities which underlie this years of a laboriously refining process, is a creature who must give women singular notions about men in general. There are experiences and circumstances which must necessarily qualify these notions, and of these we shall speak presently; but, in the meantime, it is curious to reflect on the impressions of masculine human nature, which a woman masculine human nature, which a woman to the fact that the gentlemen who have, during would form if she were to judge solely by the a long evening, been distinguishing themselves men whom she meets in society. There are by their extraordinary courtesy, may have

his possessing a somewhat uncertain temper, is

women who could never experience a surfeit of meaningless courtesy. Their ideal man is a being of more than womanly rensitiveness and domestic life, they may not be so very different tenderness—a man absolutely incapable of thinking of himself so long as there is a woman whom these ladies call their husbands. The near him whose merest caprice he could gratify—a man living on the smiles of a woman, and profusely submissive and courteous to the

sex generally.

A quick-witted woman will readily see that ing the presence of duliness, when duliness enand profusely submissive and controls to the sex generally.

A quick-witted woman will readily see that the men around her have not had their special characteristics washed out by the process which produces the typical drawing-room as which produces the typical drawing-room as which produces the typical drawing-room as well." However courteous and attentive to women they may be, she will understand that the whole consideration of their life is not merely to be able to pick up a lady's pocket-handkerchief, or help her with her shawl, or assist her at dinner with ease and grace. But she is likely to over-estimate considerably the better qualities of men, from the simple fact that in the presence of a lady, men are invariably on their best behavior. She sees none of the selfishness, the opposition, the jeal-now wrangling and quarrelling which, a man's temper or disposition will drive him into exhibiting when no lady is present. To her all men say all good things, and vie with each other in earning her approbation by showing generosity, impartiality gebarity, and other admirable virtues. She inflay call the man who is so much of an admirer of brute force per section of the selfishness, the opposition will drive him into exhibiting when no lady is present. To her all men say all good things, and vie with each other in earning her approbation by showing generosity, impartiality gebarity, and other admirable virtues. She inflay call the man who is so much of an admirer of brute force per section of the late of the distinct of the late of the brute of the brut

is too ostentationsly courteous to everybody a hypocrite; but she cannot fail to be impressed by the general good will, forbearance and kindlines which man (when the general good will, forbearance and kindlines which man (when the general good will). kindliness which men (when they are not rivals, and then their weaknesses are excusable) exhibit before her. The women round about her she does know. Her relations with them are nore intimate. She has met their envious and more intimate. She has met their envious and some dozen years after is not to be envied. more intimate. She has met their envious and critical looks; she has overheard their bitter speeches; she has overheard their mean and spiteful quarrels. How different is all this from the broad and generous masculine nature, and spiteful quarvels. How different is all this from the broad and generous masculine nature, with its temperate and charitable judgment, its good-humored consideration for fallings, its large-hearted kindliness and mutual courtesy. For her to leave the disting-room for the draw-ing-room is a trial. Behind are all noble and manly virtues and excellencies; before her the petty scandal-mongering, and envey, and vaniety of her companions in the mistorium of sex. There are spiteful sayings said of her which of her breast forever. Was there one of these in her breast forever. Was there one of the breast forever. Was there on speeches; she has been mixed up in their mean and spiteful quarrels. How different is all this hypocrisy, which may so far influence the

whether women take men at their wordwhether they accept as normal the conduct of OFFICE OF THE COMMISSIONERS OF FAIRMOUNT PARK, NO. 224

FIRST MORTGAGE CONVERTIBLE SINKING FUND BONDS AT 95,

Yielding about 10 per cent. currency; principal fifty years to run, payable in gold. Secured by the railroad, branches, depot grounds, rolling stock, equipment and ranchises of the company.
These bonds are only issued upon each section of the

PRESIDENT'S OFFICE, PHILADELPHIA, May 11, 1869. PHILADELPHIA, May II, 1869.

Messrs. HENRY CLEWS & CO., 32 Wall street.

Gentlemen: In answer to your request of the 7th ult.,
for our opinion as to the condition and prospects of the
Burlington, Cedar Rapids and Minnesota Railway, the
character of the country through which it passes, and
the probable success of the enterprise, we would state, that before accepting the trust imposed upon us by the First Mortgage Bonds of this Company, we had fully satisfied ourselves as to the practicability of the enter-

First Mortgage Bonds of this Company, we had duly satisfied ourselves as to the practicability of the enterprise.

The Road starts at one of the 'most flourishing cities on the Northern Mississippi river, and runs in a Northwesterly direction upthe great rich Cedar Valley, connecting at prominent points along the line with six different Railroads, now in active operation, nearly all of which must be, more or less, tributary or feeders to this Road.

This enterprise is destined to become, in connection with others now in operation or being constructed, one of the great trunk lines from Lake Superior, via St. Paul. Cedar Ranids and Burilington, to St. Louis, MARKED BOWN TO PANIC PRICES. Paul, Cedar Rapids and Burlington, to St. Louis, and to the East, over the Toledo, Peoria, and Warsaw, and the Pennsylvania Railroads, which we present. ountry through which this road passes may be

found in the fact that the Company report over a million and a quarter dollars subscribed and expended n one hundred and sixty miles of the work, and also a strong proof of the local opularity and necessit J. EDGAR THOMSON, President of the Penn'a R. R. Co. CHARLES L. FROST, Pres't Toledo, Peoria & Warsaw R. B. Co.

At the CHEAP-FOR-CASH Hard-As an evidence of the resources and immense traffic of e section of country through which this road runs URPLUS AGRICULTURAL PRODUCTS SHIPPED FROM THE STATE OF IOWA by the different railroads therein, during the year ending April 30, 1869, just issued by the Number of cattle....

Number of sheen..... Wheat, bushels.... Corn, bushels..... Other grains, lbs..... Other grains, bushels..... Other agricultural products, lbs.... The preceding official statement is made up almost ex-clusively of the shipments Eastward, and does not include the amount of Produce shipped Eastward from Dubuque or McGregor; which would swell the totals

were given, they would swell immensely this surprising exhibit of surplus products.

THIS ROAD ALSO RUNS THROUGH THE RICH AND GROWING STATE OF MINNESOTA. Reference to the map of the United States will show that THIS ROAD PASSES THROUGH THE MOST ENTERPRISING AND GROWING PORTION OF THE WEST, AND FORMS ONE OF THE GREAT TRUNK LINES IN DIRECT COMMUNICATION WITH erially. If the shipments Westward by the railroads LINES IN DIRECT COMMUNICATION WITH
NEW YORK, CHICAGO and ST. LOUIS, being to the latter city 30 miles nearer from Northern Iowa, and all TANKS—Of Cast or Wrought Iron, for refineries, water. Inter city 90 miles nearer from Northern Iowa, and all portions of the State of Minnesota, than by any other road now built or projected, and also the nearest route from Central and Southern Iowa.

This road is required by the wants of that section where a large and increasing traffic is waiting for it, and needs railroad communication. THE BUYER OF THESE BONDS IS THEREFORE GUARAN.

TEFD BY A GREAT BUSINESS ALREADY IN TEXTS TRUE, AND HAS NOT TO RUN ANY OF THE CONTINGENCIES WHICH ALWAYS ATMEDIATED BY A GREAT BUSINESS SOLUTION OF THE CONTINGENCIES WHICH ALWAYS ATMEDIATED BY A GREAT BUSINESS SOLUTION OF THE OPENING OF ROADS INTO
