OV

FOREIGN CORRESPONDENCE | could be, and now all is brought up afresh. before the public. He is, I believe, a professed red-republican and socialist, and sat and vote as such in both Chambers of 1848-9, and his social character is about on a par with his political. The sensation of this new crime is almost equal to that so recently perpetrated by Tropmann.

PARIS, Friday, January 14, 1870.-We have | brutality of old king Frederick William. and spoke in my last. In the Senate, Count Daru, just passed through in safety what every one of the princess's capital memoirs. Mr. Monallows to have been a day of strong emotion, cure D. Conway's South-Coast Saunterings his first official appearance with unqualified and what might have been a day of great reach the Isle of Wight, and do not interview success. In reference to the important and peril. I own that, for my own part, I reTennyson; these papers of Mr. Conway's congarded Wednesday last with much more serious feelings of apprehension for the result vey a class of literary and historical contemthan either the previous 26th of October or porary gossip which we can enjoy nowhere than either the previous 26th of October or the days of June. The funeral of Victor Noir, the victim of the Auteuil tragedy, was to take place at Neully, his brother's rest to take place at Neully,

men the keystone of his whole reorganization of the army, and almost went upon his
knees to entreat the Chamber not to diminish
the vote; because, he said, without it the
whole scheme for the army would break down.

Trying to lash the people into fury, ever since
the catastrophe at Auteuil took place; and in
the fuidst of such excitement, the populace
was invited to assemble, and did assemble, in
thousands and tens of thousands, to make a
manifestation over the tomb of the victim.

Dare we publish the was invited to assemble, and did assemble, in deep whole softween for the army would bear do not be instructed as less than a consequence of the parts of the Chamber, the Government. It ergest to say that, just and no official candidates will be a season for applied than a more controlled and on the distantance. All this is very satisfactory and promising, and and among them many when the career of the new Government.

I regert to say that, just as I write, which a pleanant reflections have been broken in upon by an episode of a very painful character. I regert to say that, just a sat I write, and all Rocherors is very satisfactory and promising, and all registers and the first and the first and the career of the new Government.

I regert to say that, just as I write, the satisfactory and promising, and said and the first and promising and said and the first and the first

THE PRINCIPAL MONEY ESTABLISH.

This is one of the groatest opportunities over offered to the public to nurchase rare works of art in Engraving. think. Our people got over their prejudices on that subject some time ago. In 1868 a political convention of whites and blacks, to demand of Congress universal suffrage, was held here, and three days afterwards the Republican party elected its city ticket, several candidates who were officers of the convention running as well as any others. The best-informed Republicans are satisfied that the new amendment will make Delaware a Republican State.

On Friday last one of our citizens met with a heavy loss in your city. Mrs. Wier, whose husband keeps a grocery store here, went to support the subject of the proper and the property of the convention of whites and blacks, to define the subject some time ago. In 1868 a political convention of whites and blacks, to demand of Congress universal suffrage, was held here, and three days afterwards the Republican party elected its city ticket, several candidates who were officers of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the convention of the public to the property of the public to the property of the public to the property of the public to the public to

OIL PAINTINGS.

Every one of which was selected by their late owner at prices varying from a few dollars to as many thousands each, he having made the collection of pictures the work of a life-time, and devoted to it the income of a princely fortune, until the year 1860, since which time no addifortune, until the year 1850, since which time no additions have been made to the collection.

Among them are originals by Benj. West, Sir Thomas Lawrence, Sir Joshua Reynolds, Sir Peter Lely, Godfrey Bheller, Alian Ramsay, George Moreland, Hogarth, Turner, Nasmyth, Copley, Opie, Stewart and others of the English School, Boucher, DeBufe, Isabey, Mignard, De Dreux, Diaz, Lambinet, and others of the French School. Pchidoni, Guercino, Teniers, Van Ostade, Zuccarelli, Van Dyke, &c.

Also, a large number of the most celebrated artists of the Fifteenth, Sixteenth and Seventeenth Centuries, such as Titlan, Rubens, Jordeans, Honthorst and others, some of which are unquestioned originals, and as such will excite and repay attention of art connoisseurs.
