Ayer's Hair Vigor,

For the Restoration of the Hair.

The Great Desideratum of the Age.

A dressing which is at once agreeable, healthful, and effectual for preserving the hair. Rubbed on gray hair, it soon restores it to its original color, with the freshness and beauty of youth. Thin hair is thickened, falling hair checked, and baldness generally cured, where there remain hair-bulbs or follicles alive. Nothing can restore hair where the follicles are destroyed, but these simple means will, in the vast majority of cases, where any hair remains, restore the color and beauty of youth. Thin hair is made to grow, and the glands are stimulated into healthy action. Nothing can be more harmless, as it is certainly the most effectual, dressing that can be used. As an article of the toilet, it is unsurpassed. Containing neither oil nor dye, it does not soil the finest cambric, and a few applications will last for months. Its fragrance is delightful and lasting, and it is found in the parlor of every one who has ever used it.
