THE TROOME TAX AGAIN. A few days ago we printed a communication from a correspondent defending the Income this measure is intended to carry out the pri- either evidence or law have been violated in Tax; declaring, however, that we differed from vate schemes of some "ring," in the Board or the verdict of the lower court, is a step toward him, The objections to such a tax, on general out of it, there can be very little doubt. There a very important reform. The point has been principles, have often been presented in these is certainly no public demand for this dis- made against this very excellent improvement ing law imposing it have been pointed and no good reason to believe that the cause expost facto in its application to the case of out. But there is still a great deal more to of education would be in any way benefitted Dr. Schoeppe. This is true, should the Sube said about it. We do not admit that the by throwing this additional prize into the vor- preme Court defer the hearing set down for tax is an equitable one, and we know that, even if it were so, it could never be fairly col-lar positions. For, while the office of School determined. But it is scarcely a good lected. On general principles it is wrong, for these, among many other reasons: It is in-by law, and brings no pecuniary, advantage to We do not believe that the Schoeppe case, if quisitorial, and it exposes to the public, and to any honest incumbent of it, there is an amount fairly dealt with, needs any additional recompetitors or enemies, secrets concerning a of patronage about it, in its contracts for school / inforcement of this kind. There is no proper man's business that even the purest and most houses, text-books, &c., which may readily be ground for his execution, and it would be far henest shrinks from divulging; it allows a so manipulated as to make the apparently gra-man, not the purest and most honest, to evade tuitous service very interesting and valuable to evaluable to an average of it upon the broad, simit, by becoming his own assessor, and paying a man corruptly disposed. Whether the present ple ground of the strong doubt that has no tax, or one much less than Board contains any such men or not we are arisen as to the fact of any murder having another man, much poorer, has to not prepared to, say. So far as our own been committed, and the admitted and proved pay; it is unequal in its operation, knowledge of its personnel goes, it is liable to weakness and insufficiency of the evidence on Are now, at the Great and must always be so; but it is especially un- no such suspicion. and must always be so; but it is especially un-oqual under the enactments of our Congress. The character of the appointing power is reform as this bill proposes is just and humane, These who should pay an income tax, when such that, if dishonest men get into the Board, and will go far to guard against those fatal These who should pay an income tax, when such that, if dishonest men get into the Board, errors which have occasionally been made, and one is imposed, may be classed as follows: it is an accidental thing. Our judiciary, as a errors which have occasionally been made, and GOLLD

sional practice. 2. Those whose incomes are derived from general tone of our popular elections; until duchess Elizabeth, sister of the Emperer of

ductive real estate. 3. Those who are dependent on salaries, or cliques are broken up, and men are nominated in this. The Emperor of Austria has no sister, the wages of their daily labor.

but who wait till neighbors, more energetic and there is any good reason to fear that the courts Elizabeth, that is mentioned, is the daughter of We must Wear the

three classes pay, or are expected to pay, the of School Controllers is to let it alone. income tax. People of the fourth class do It must be admitted that, even under not pay it, and cannot legally be made to pay the present system, not a few per-it. And yet they, above all the other classes, sons have been made School Controllers. This may be the fugitive princess, but the cause of her flight to America cannot be exshould pay taxes to support the government, whose places could be well filled with because they grow rich from sources not more competent men. Comparatively little beneficial to the community in general, and regard has been paid by some of the judges to THE FINE ARTS.-To-night begins the sale they contribute nothing to the general good. the intellectual qualifications of their appointer of paintings at the Art Gallery, No. 1020 The act of Congress relating to the income tax | tees, and it cannot but have a depressing effect | Chestnut street, by Martin Brothers, aucdeclares that no profits on real estate shall be upon the teachers and pupils of our schools to tioncers. The collection is quite a rare one, considered "income" unless derived from property purchased within two years, thus de-signedly exempting the class we refer to from this tay. For a man may buy real estate, hold men. And yet we have beard addresses made this tax. For a man may buy real estate, hold men. And yet we have heard addresses made excellent judge of art, who has been accurate this tax. it two, years, sell at an advanced rate, buy other before schools of advanced pupils, by men who of Mr. G. Pelman, who, as we mentioned yesproperty with the proceeds, and go through the hold the control of the whole public education terday, is the Philadelphia representative of same process ad infinitum, and never pay a of Philadelphia, that have made our blood run the importer D'Huyvetter, and as such an adenny of income tax on his gains thus derived, cold with the barbarism of their bad mitted expert, though we do not understand even if they amount to millions.

of the inequality and injustice of the Income ment to be drawn from this unpleasant continue during this and to-morrow evenings. Tax under our laws:

real estate rented and yielding, say, 7 per cent., the control of our public schools who cannot and \$100,000 in the dwelling he occupies. He | speak three consecutive sentences grammatimakes up his income return as follows: 7] per cent. on rented Real Estate worth \$300,000......

..... \$22.500 Deduct City taxes, \$1,80 on \$900,000..... Allowance by Government..... \$18,000 Total deductions Balance of Income..... Tax on the same

corporations,\$300,000 in productive real estate. turns his income thus:

From Real Estate	
Total Income	\$58,0
Deduct:	
City Taxes	\$7,2
Repairs, say	. 8
Repairs, say Allowance by Government	1,0
Total deductions	\$9.0
Balance of Income	\$49,

income is much the greater, the reply may be real estate, is really the greater, and by buying and selling every two years, he can make a succession of fortunes and never nav a cent of tax on them. A few other examples may be presented. Mr. C. owns the house he lives in, worth say \$25,000, and has an income from business or real estate of \$3,000. He returns such income, deducts the \$1,000 allowed, and \$500 for repairs and city taxes, and pays the Income Tax of \$75, on \$1,500. Mr. D., who owns no property, has an income of \$3,000 from business or salary. He deducts the \$1,000 allowed, and \$500 for house rent, and pays the \$75 tax on a balance of \$1,500-precisely what is paid by his neighbor who owns a \$25,000 house.

Mr. E. owns his residence worth \$10,000. has real estate worth \$10,000, rented at 71 per cent., and owns 6 per cent. bonds amounting to \$10,000-in all \$30,000. He makes up his income return thus: From rents, \$750; interest on bonds, \$600; total, \$1,350. Deduct the allowance, \$1,000; taxes and repairs, \$400; total, \$1,400; and Mr. E. has no income tax to total, \$1,400; and \$ same amount, \$10,000, but has it all in corpo- propriation for music in the public schools. same amount, storood, and has an income of only \$600, is compelled to pay a tax of \$30, which the cor-porations retain for the Government. If it is eaid that the cornoration pays the tax, we pose we grant that Music is a luxury? But the control of the cornoration pays the tax, we pose we grant that Music is a luxury? But the control of the cornoration pays the tax, we pose we grant that Music is a luxury? But the control of the cornoration pays the tax, we pose we grant that Music is a luxury? But the control of the cornoration pays the tax, we pose we grant that Music is a luxury too A man the control of the cornoration pays the tax is a luxury too A man the control of the cornoration pays the tax is a luxury too A man the control of the cornoration pays the tax is a luxury too A man the control of the cornoration pays the tax is a luxury too A man the control of the cornoration pays the tax is a luxury too A man the control of the cornoration pays the tax is a luxury too A man the cornoration pays the tax is a luxury too the cornoration tax is a luxury too tax is a luxury totax is a luxury too tax is a luxury totax is a luxury too tax is ration bonds, and has an income of only \$600, We learn that Mr. Hodgdon advanced the ar- DANCREATIC EMULSION, FOR CONreply that this is only where it is grammar is evidently a luxury, too. A man so stipulated, and only in the case can grow rich and distinguished in public life of bonds issued within the last without the aid of grammar. Let us, there-seven years. If the investment is in stocks, the corporation takes the tax from the many people consider education, in the general, profits, so that it really comes out of the a luxury. Let us abolish education. Gas is a pockets of the stockholders. The truth is that luxury. Let us go back to the tallowdips of our the Income Tax bears most heavily upon men ancestors. Newspapers are a luxury.
