believe that he rose, a genuine reconvalescent,

prevailed for twenty years since.

Government returning to the old parliamentary regime: Ollivier, who had received full powers from his sovereign, the Emperor, was reluctant on account of an exalted position that would have allowed M. Odilon Barrot to meddle with the consultations of the rising statesmen in regard to the new policy of the Government.

And then M. Odilon Barrot declined again, has in 1836, when he consequently was just basing his refusal—what a diplomat this old lion of 1849 is!—on his advanced age.

The Emperor, however, insisted on it that lion of 1849 is!—on his advanced age.

The Emperor, however, insisted on it that sent to execute the order of extrusion. Prince M. Odilon Barrot should be won over to the New Era; he regretted the failure of the efforts that had been made to that effect up to that the control of the possession of two acres, you would the captain in companion of two acres, you would never seek to be master of the world." The tume, and expressed the desire to have an interview with him, after they had not met for so many years past. So M. Emile Ollivier wrote another note to M. Odilon Barrot, of in San Angelo Castle. He says he bore this some to be stated per cubic foot; delivered luxury is its size and numerous windows, which afford a plenty of light and air. The outside walls of the besement store as high as so many years past. So M. Emile Ollivier wrote another note to M. Odilon Barrot, of which M. Maurice was again the bearer, and, in consequence, the old Prime Minister of 1849 consented to go to the Tuileries. The interview, it was arranged, was to take place on Wednesday last. Now the new Ministers are still so inexperienced in the performance of the first use he made of his liberty was to the performance of the first use he made of his liberty was to the performance of the first use he made of his liberty was to the performance of the first use he made of his liberty was to the performance of the first use he made of his liberty was to the performance of the first use he made of his liberty was to the performance of the first use he made of his liberty was to the performance of th

Wednesday last. Now the new Ministers are still so inexperienced in the performance of their duties that they forgot that there was a Cabinet meeting on that day. In consequence of that the interview between Odilon Barrot and Napoleon the Third was postponed to Friday, the 7th of January, at two in the afternoon.

On the day appointed, M. Emile Ollivier called for M. Odilon Barrot at his residence and took him to the palace of the Tuileries. The Emperor Napoleon received the man who had been his Minister of Justice during the times of the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic, and whom he had not seen for the Republic in the Lonian Islands, hone the times of the Commissioners of Public Buildings," and to be left at the should have no other ornament in his the beat, as was his duty.

ANOTHER MCREE.

The first use he made of his theowever, however, a however, it wonder wainscoting carved and to the world. The drawing-room is a large square to ome winks cotion farmed only who wellowed into one wainscoting carved and the lowest bidder or bidders, the world.
