The Trensury Extension.

WASHINGTON, Feb. 14.—The appropriations for completing the Treasury extension being nearly exhausted, most of the workmen em-

ployed thereon were dismissed on Saturday.

A few, however, were retained to complete some minor repairs in the building. A small appropriation only will now be required to complete the structure, and as soon as Congress shall authorize the same the workmen will be reinstated. CITY BULLETIN.

THE PACIFIC COAST-AMERICAN TRACT Society—Union Meeting—Last evening a meeting was held in the First Presbyterian Society—Union Meeting.—Last evening a meeting was held in the First Presbyterian Church to hear statements of a delegation of the American Tract Society, recently reference the American Tract Society, recently results.

Ject (viz., payment of interest on our contact of the debt, taxes, and maintaining organization), has any part of this thirty per cent. of the Benniel Roots.

Ben the American Tract Society, recently returned from the Pacific coast.

Rev. Dr. Johnson, the pastor, presided, and made an address. He rejoiced that the Christian Church was brought face to face with this unsectarian and efficient missionary organization. We are too much accustomed to main the growers of our own denominations. in the grooves of our own denominations, and valuable oil traffi and to think that men can go to Heaven in no wherever civilization goes, and penetrates by its many-tongued press the dark regions be-

He had the pleasure of introducing two representatives of the Society, both of whom on the churches, but its business is self-sup- due on cash appropriations for foreign lands, and ex-

penditures for missionary colportage, were Receipts for sale of 2.000 shares of Oil Creek and Allegheny R. R. It issues at home and abroad in 141 different Four quarterly dividends from languages or dialects. Of its nea4,000 different publications, 575 are in the German, 154 in the French, and 170 in the Spanish language, Among the 40,000,000 of Spain, Mexico and outh America, a large quantity of this literalications for the needy at the rate of 1,200 per colportents, who made more than a quarter of i million Christian family visits. Of these, 10 Sabbath or secular schools among destitute: and in more or less direct connection with

able to declare a dividend to the stockholders. It is the policy of your board, however, not to sions are reported.. in the recent trip of 12,000 miles on the Pacific Coast he had been impressed with the natural wealth of the region, but had found great and abounding spiritual destitution. The proportion of the evangelical church member-ship, which in the whole United States is 17 per cent., is here only 31 per cent., and beyone few of the cities and fowns it is only two less than one per cent. One city visited, of 10,000, had 185 church nembers, and a town of 1,500 had only 2 Another town of 500, and a district five milequare, with a population of 3,000, had no at par or under. Ir. John M. Kennedy said that the Sinking neans of instruction. The miners are intelligent and enterprising Fund is provided for in the mortgage, which defines what may be done. The Trustees represent the creditors. He did not think that ut so migratory as to be scarcely accessible by the fixed ministry. Churches erected have been described as the towns or camps have is competent for the stockholders to instruct a Trustees. He moved that the resolution been abandoned. They can be reached by the colporteurs or Union missionary, who, by personal effort and the circulation of books and be postponed for the present. Agreed to.

Mr. Benjamin Marshall submitted the following:
Resoured. That the Board of Managers of of its road and property, and, if practicable to

racts, can help to preserve the spiritual life of he few professors of religion, and he can or ganize union services and thus prepare the way for the organization of churches. he leading conesiastical bodies-Bantist gregational, Methodist and Presbyteria -gladly welcomed and heartily endorsed this he Rev. Drs. Stone, Scudder and Dwinelle. spoke earne tly for the cause at public meetings in the principal cities of the coast. Dr. winelle said that ecclesiastical machinery ad proved too slow to reach the mining popun and that the Union missionary co practically Christianity on wheels, was adapted to meet this want.

At that time were stolen. An agency of the Society had been remainder in California. In the latter State one of the colporteurs is a Chinaman, from the Mission Church of Rev. Mr. Loomis. He is supplied with publications from the company shall receive its outby for containing the co abors in Washington, two in Oregon and the delphia and Eric Railroad Company.
