**EVENING BULLETIN.** Thursday, February 17, 1870.

HORE SNAKES.

We have again to call attention to the ap Lattra, at Harrisburg. The Angora specimen wild and desperate gambling to the dignity of geon, engineer or paymaster, as the baving been put to death, the hydra-headed legitimate speculation, there is a duty which a ever strutted on a quarter deck. It is well Chespest nonster has shot forth several fresh branches. and the faithful guardians of the people's interests at the State Capitol are kept busy in science, which is the highway to truth, not to been led by Admiral Porter, whose aristocratic watching, and giving warning to the public of | bury its talent in the ground, but to use it. new designs upon the treasury or upon the common franchises of the people.

The last "Snakes" of importance that have made their appearance are the Sewage Snake. -already scotched, if not killed, the Border Rodgers, did work which reflects credit on all is in him. From the published abstract of his Raid Snake, and the Trenton Water Power | concerned in it. Objections are to be made Raid Snake, and the Trenton water rower concented in in which this survey was letter we learn that he has but two reasons. He Snake. The Border Raid bill is, in reality, a to the manner in which this survey was has sailed two hundred and fifty thousand Snake. The Border Raid bill is, in reality, a raid upon the treasury. Whatever merit there may have been in the original claims set forth is this bill, it is, in its present shape, simply a gigantic scheme of plunder. This is already notorious in Harrisburg. Some to the original the superintendent which deprived them of their just share of credit in the work. The results of this survey were a splendid report, printed is satisfied. Once in his life he sailed with This is already notorious in Harrisburg. Some of this survey were a spicified report, protocol, is satisfied. Once in his life ne sailed with of our own agents there have been insulted by in Edinburgh, in which was a map compiled an engineer who had positive rank direct approaches from its engineers, with offors to buy their silence; and it is well under-stood that a large proportion of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored think is proton of the sum asked one of which was burnt, a second is stored the sum asked the sum asked one of which was burnt, a second is stored the sum asked the sum asked one of which was burnt, a second is stored the sum asked to be put in items. stood that a large proportion of the sum asked of away in an insane asylum near Harrisburg, think is pretty strong evidence of the justice of the claim of the staff officers to advancement. eidi, from Harrisburg, dated on Monday, from a gentleman of reliability and experience, says rets of the Franklin Institute—as was stated greatest swindle of the year is to be offered in Railroad and Mining Register. The coal authority on the part of line officers, from midthe House to-night. Bribery is now at work and the co-ordination of the strata were the two subjects which received the chief attention shipmen upwards, never once offended the laws of the Navy or of propriety, they the impudence of the devil, with offers of of the Rodgers survey, nor is it to be wondered proved themselves to be gentlemen who can be money to vote for it. It is the bill to pay for at nor deprecated; for, in a subject so vast, it is trusted, in perfect safety, with higher privimoney to vote for it. It is the bill to pay for damages two millions of dollars for raids on our borders during the rebellion. It is a per-fect swindle, and I firmly believe if it passes ens-half will never on to the people interseted " at nor deprecated; for, in a subject so vast, it is necessary that a general outline of the whole be made before the proper attention can be given to details. Since the close of that survey new coal mines have been opened new system which treats every officer as a gentleene-half will nevergo to the people interested." survey new coal mines have been opened, new The people of Pennsylvania ought to be, iron ore beds discovered, and, above all, the assortion that the New is doing well under the if they are not, grateful to the press of their whole matter of coal oil has arisen. Now assertion that the Navy is doing well under the State for the fearless and vigilant service ren- Pennsylvania is ready to make a thorough of the most accomplished surgeons and engidered, day by day, in keeping in the blaze of going survey. The outline is there; the work publicity one scheme after another, which of the last survey will be a vade mecum of this. would succeed could it only be done in secret. | and with not undue liberality on the part | The last dangerous bill that has appeared at of those in whose keeping are the interests surgical department at least, there are not Harrisburg is published in full in the BULLETIN of our State, the services of the best geologists in the country can be had to paint Pennsylvacommunity a second edition of the Schuylkill nia's picture in such a way as to be a pillar to Navigation Company. It proposes to sell out, | science, a guide to enterprise, and a monuor rather to present, the Delaware River to a | ment to the honor of the State. private corporation, for the erection of dams and canals and the control of the water-power of that noble stream. This water-snake comes

Tennessee Republican Convention

The New Senators from Georgia Proposed Monument to Stonewall Jackson 

FROM THE SOUTH. 18v the American Press Association. I TENNESSEE.

Tennessee Republican Convention. NASHVILLE, Feb. 17.-The Republican State Convention met in the Capitol yesterday afternoon. Hon. David A. Nunn was made chairman. Resolutions were adopted the the party in power in this State is proscriptiv having no faith in the general governmen that they have stricken down the judiciar that they have prevented a large class of on zens from using the right of suffrage, and that they are not worthy of the confidence of the people. Numerous violent speeches were made, in which the officers of the national

government were called upon to intexfere in the affairs of this State. A State Executive Committee was then appointed, and a special committee to lay the proceedings before the President and Con gress, and to investigate the doings of th Conservatives, after which the Convention adjourned. In the evening a mass-meetin was held, at which speeches were made h Hon. A. G. Fletcher, Secretary of State, an

Mr. Anthony presented a joint resolution to declare the effect of a vote of thanks by Congrees upon promotion in the navy. Placed on the calenda The morning hour having expired the M's-sissippi bill was taken up. Some discussion was indulged in as to the coming to sk yoth on this littled. coming to a vote on this bill, when Mr. Handlin expressed himself as in favor of establish ng the previous question in the Senate. He hought there ought to he a time to close deate on all questions in this had fr. Cameron gave notice that at 3 P. M. he Mr. Cameron gave notice that at 5 r. M. ne should move to go into executive session. Mr. Fowler addressed the Senate in advo-cacy of the admission of Mississippi without limitations. He held that she is a State, and entitled to come in on the same terms as Ter-ritories are admitted. She has complied with all of the laws of Congress, and the faith of the nation is pledged for the immediate admis-sion of her Senators on this floor without imposing other and unjust restrictions on her people in relation to their local government. At the conclusion of Mr. Fowler's remarks he was followed by Mr. Sawyer on the same side in a written more than the same Mr. Davis addressed the Senaté, reviewing the jaction of Congress on the Virginia bill,

and in opposition to any change of policy which dictated the imposition of restrictions in that State. He argued that after the action in regard to Virginia the Radical party would present the most inconsistent spectacle before he country. HOUSE-No important bills or resolution were introduced. Mr. Lynch, from the Committee on the Cause of the Reduction of American Tonnare.

o be printed and made the special order for the third Tuesday in March. Mr. Cullom addressed the House on his bill to amend and enforce the laws of the United States in Utah Territory, and for preventing and punishing polygamy. He said the condition of affairs in that Ter-

He said the condition of analys in that ter-ritory, particularly the difficulty in getting unblassed, juries, and the persistent practice of polygamy and concubinage, require imme-date action by Congress. The present Government of Utah is a theoratic despotient, under the control of one Brigham Young, and hence it is necessary to break it up before the laws of the United laws of the United States can be faith fully executed. This bill of mine proposes that the United States Marshal call the mill-tary to his aid in the execution of its provisions, because he cannot rely on the assistance of a posse of citizens. It disfranchises polygamists in order to take the power of government and resistance to the laws out of the hands of the Mormon

Church, now arrayed and always sure to be arrayed against the Government of the United States. The section annulling the Mormon land laws is inserted because those ws militate against their settlement by Gentiles," and convert their system into a He did not, think it would be necessary to use much military force to enforce the pro-visions of the bill, but if force became neces-sary, we must not hesitate to use it. We must

to longer temporize with these Mormons. They mean mischiet, and the sooner they are brought to a knowledge of their duty the b We shall let in light upon the great muss of of ignorant dupes of the false prophet. He had hoped the Pacific Railroad would bring about a change for the better in Utah, but the facts are that a greater degree of proscription exists there than ever before. He closed with istrong denunciation of polygamy. Mr. Van Wyck, who successfully contested Green's seat from the Eleventh New York District, advanced and was sworn in. The House then went into Committee of the

war the Southern cotton owners had put cot-ton into the hands of the Union army, which was transported North and sold under the pledge that the proceeds would be paid to them on proof of loyalty; and now, when these claims have been rendered by a court, we propose to bring them into the House and s

Mr. Dawes said the enormous amount of fraudulent claims trumped up and collected by agents all over the country rendered it necessary for Congress to exercise a careful supervision over the judgments of the Comt of Claims. That Court was originally organized only to render decisions, and their judgments always came before Congress, and if nothing was developed within one year to validate any claim payment was ordered
