in such a way as to do great public injury. The land proposed to be given to this road was in area twice as great as the whole State of Rhode Island, and these grants make it every ear more difficult for a poor man to buy a farm. He insisted that it was leading to the erection of girantic monopolies and my more

erection of gigantic monopolies, and no mo-

and monopoly.
Mr. Stewart replied, and regretted that Mr.

Thurman, in attacking the land monopolics, should have selected the railroad corporations for his point of attack. He held that but for

Mr. Hamlin supported the bill, and con-tended that the policy of the Government in

ae development of the country and its boun

system of subsidies, as pursued, was a spend-thrift system, which squandered the reserved, acres of the national domain for the benefit

of a few heartless railroad corporations.

House—On motion of Mr. Dawes, the

morning hour was dispensed with, and the House immediately went into Committee of the Whole on the Appropriation bill.

Mr. Dawes, Chairman of the Committee on the Appropriation bill.

Appropriations, moved to close the debate on the balance of the items in the appropriation for the superintendence branch of the Trea-

for the superintendence branch of the Treasury Department, and all items for the inde-

bree last officers and substitute the word

appearing that no quorum was present, a call of the House was ordered, and a quorum answering to their names Mr. Dawes's motion was agreed to.

In the item for desks and tables and furni-

ture. Mr. Dawes moved to strike but \$4,000 and insert \$10,000. Agreed to:

The item appropriating \$90,000 for the office of the Assistant Treasurer at New York was, at the request of Mr. Dawes, passed over until Monday.

The people of that State, which produces over \$15,000,009 of bullion annually, would

000 had been expended on the Carson City Mint. There was not coinage enough to sus-

tain it in consequence of its proximity to San

rancisco. He would support the amendment, of Mr.

Kelley, appropriating money for and estab-ishing an assay office at Carson City. Mr. Butler favored an appropriation for a

Mr. Kelley said he had visited the Nevada

nnes. There were gold and silver enough in ne hills of that State to pay the national debt.

The miners there, however, have to work at a great depth, and almost at furnace heat, so that many die from what is called "miler's

name he did not care to mention, might con-trol the bullion trade of the Pacific coast. Why should Nevada bullion be taken to San Francisco to be melted and refined, thus

Saturday, February 19, 1876. Wowing to an unusual pressure of advertipements to-day, we have been obliged to that it would have been far better to have al transfer a number of them from their usual lowed the National Railroad Company to build its bridge, than to invite the further agiplaces to the inside pages. ____ tation of a controversy, the issue of which is, to say the least, so exceedingly doubtful.

OFFICIAL INVESTIGATIONS. Senator Lowry yesterday offered a resolution in the Senate ordering an investigation nto the administration of the Soldiers' Or. phans' Department, under Colonel McFarland, and accompanied his motion with the unmanly | case of Mordaunt vs. Mordaunt is on trial beand, we believe, untrue remarks that the Super- fore the Court of Divorces and Matrimonial intendent "had been poor when he went into office, and was now rich."

revealed most shockingly vicious conduct on The habit of recklessly charging public offi- the part of Lady Mordaunt, the heir to cials with malfeasance in office is fearfully on the throne, the Prince of Wales, being one the increase, and very few indeed escape the of her partners in guilt. The revelation is malign influences of this pernicious habit. A made by her own confession. The Prince is few days ago, Congressman Kelsey stigmatized | said to deny her story, but the public generally Assistant-Secretary Hunter, of the State De- believes it. Those who have read Justin Mepartment, as "a malignant rebel, whose house | Carthy's article about the Prince in the last d been a rendezvous for rebels" Galaxy, will be disposed to credit all that is during the war. Mr. Jenckes promptly said about him. It is worth while to mention refuted the slander, and Mr. Kelsey then conthat the despatches of the New York Associated ROCKHILL & WILSON fessed that he had made the charge upon mere Press say nothing about this case, although it ramor. We believe Senator Lowry's charge has created tremendous excitement throughout against Superintendent McFarland is of the Great Britain. The news concerning it comes same sort. We have watched that officer's exclusively in the despatches of the American career closely and constantly, and have never | Press Association. been able to see any reason to doubt the hon-On Thursday evening next, the 24th inst.

erable and upright character of his whole administration. Indeed the expenditures and the fifth lecture of the Star Course will be de general business of the Department are so ar- livered at the Academy of Music, by George ranged as to make it very difficult even for an William Curtis, Esq., who will discourse upon dishonest official to grow rich out of it. Col. "Our National Folly-the Civil Service." McFarland was poor, when he went into office, Besides having a reputation as one of the in one sense, but he was rich, in another. He ablest journalists and most delightful authors was poor, from the loss of a leg in the service in the country, Mr. Curtis is well known as an of his country; and he was poor in this world's eloquent and dextrous orator. He was one of goods, as poverty is counted at the capitol. But he was rich in a good name, a habit of frugality and industry, and, we may be par doned for saying it—a thrifty and faithful wife. of Harper's Weekly, the journal of which he is Auditor-General's office, he had saved enough foremost in the advocacy of every liberal naof Colonel McFarland's "wealth," and will so for purest liberty, and a sacred regard for huappear, should the Senate think it necessary to man rights. This fact alone should recominvestigate a question, all the facts of which lie mend him to our citizens; and as the lecture

immediately under the reach of every member personal knowledge. We have no interest whatever in screening Colonel McFarland's administration from the most careful scrutiny. We have every confidence in the ability of that officer to meet every | num statement of the statement of the examination fair investigation; but we refer to the subject of some great department of the National as another illustration of the prevalent habit of Treasury than of the affairs of a private corpostarting insinuations against the honesty of ration. Assets, liabilities, income, expendipublic officials, when a little personal inquiry | tures are all expressed by millions; giving the will frequently satisfy the inquisitor that there | reader some just idea of the magnitude and |

in no ground for suspleion. This day, the 19th of February, according to 1869 in cash were \$2,017,464 99. The income a late letter from St. Petersburg to a Vienna for 1869 reached the splendid figures of paper, was fixed upon by conspirators in \$15,494,141 55. The total expenditures, in Russia to massacre the whole imperial family, and the Germans who are connected with the miums during the year amounted to \$13,287, Sovernment. On this day fifteen years ago, 448 69, and the interest on investments alone the Czar Alexander came to the throne, and was \$2,129,839 86. the conspirators thought that a good way of These figures, taken almost at random from celebrating the anniversary would be to have a the detailed statement of the Company, give Russian St. Bartholomew or Sicilian Vespers. some of the grand results of the superb ad-The conspiracy is said to have been very extensive, the papers discovered already implieating over seven hundred persons, including a stands at the head of the Life Insurance business in America, and bas but one or two rivals ness in America, and bas but one or two rivals man influence having had something to do nity as gentlemen who are alike noted for man influence having had something to do with the formation of a party that proposed to begin a new regime by a massacre. It does not appear that any attempt was to be made to establish a Republic or any other new form of Government. The conspirators are not General Agent in Pennsylvania, F. Ratchford General Agent in Pennsylvania, F. THE ASSOCIATE JUDGES

WASHINGTON, Feb. 19.—The friends of Judge Bradley, finding that there is a majority in the Senate opposed to his confirmation as Associate Justice of the Supreme Court, will SATURDAY, Feb. 19, 1870.—The chief fecture in the money market is the "bear" movement in gold, which began i esterday and is continued to day. It is due the advance of our bonds in European markets and it steady demand for American securities generally. The policy of the Ways and Means Committee has moreove an influence in the same direction, though not to an very great extent. The reduction of \$50,000,000 in the tatation of the country, in siving new vicer to him public credit and depress gold. In this respect, ho ever, it must be remembered that the proposed roll ton in tariffs will tend to stimulate importations and a large out treds.

tion in fariffs will tend to stimulate importations and enlarge our trade obligations.

The Loan market is fairly active, as usual on the fast day of the week, but money is emphatically easy and rates unchanged.

Gold is very steady and countly quiet, though there is cobsiderable selling in small basrds. The range this morning is between 119a119%.

Government Bonds move slowly in this market, and prices are somewhat frequiar, but fairly steady. Government Bonds move slowly in this market, and prices are somewhat irregular, but fairly steady.

There was an active Stock market, and prices again advanced. City Recurities were unchanged. Sales of Brest. new issues, at 100%.

Reading Hailroad was in good demand, with sales a 45%, and at 48% b. o.—an advance. Pennsylvania Hailroad old largely at 67a674, and Lehigh Valley Railroad was taken at 54a64%, 78 was one-for-far. Northtown 51 for Mine Hill Railroad, and 41 for Little Schuylkii.

Nas. 1867 at 194043. To was concerver norrisowa.

If it Biline Hill Railroad, and 41 for Little. Scingikil.

In Canal shapes there were no new transactions. 32%
b. o. was bid for Lehigh, and 64 for Morris Preferred.

The miscellaneous liet was neglected. Sales of Philadelphia Bank at 131. In Passenger Railway shares 40 was offered for Second and Third streets, and 21 for Esprice and Pine, without sales.

Mesers, I.- Haven & Brother, No. 408onth Thirdstreets.

Mesers, I.- Haven & Brother, No. 408onth Thirdstreets, make the following quotations of the rates of exchange to-day at noon: United States bixes of 1831. 1172a118; do. do. 1862, 1814; all 14%; do. do. 1867 s. new, 1133; all 13%; do. do. 1868, 1144; all 14%; do. do. 1867, new, 1133; all 13%; do. do. 1863, 1134; all 13%; do. do. 1867 s. new, 1133; all 12%; do. do. 1863, 1134; all 13%; do. do. 1878, 1124; all 12%; Co. do. 1864, 144; all 14%; do. do. 1865, 1144; all 14%; do. do. 1865, 1144; all 14%; do. do. 1866, 1144; all 14%; do. do. 1865, 1144; all 14%; do. do.

TUBDAY, Feb. 19.—There is no falling off in the per-bushel. Sales of 110 bishels in lots, at 28 1218 37/2, and 600 bushels on secretterms." No change in Timothy. There is a good demand for Flaxseed and it is taken on arrival at 32 25.

There is a firm feeling in the Flour market, and with small receipts and relatively high figures for Wheat, many holders are indifferent; about realizing at present quotations. Sales of 700 barrels in lots at 34 37% at 44 for Experime; 34 75 for Extras, 36 25a 36 for Northwestern Extra Family; 36 25a 57 Pennsylvania do. do.; 26 25a 6 25 for Indiana and Ohio do. do., and 36 60 75. There is no movement in Gern Most.

The Whest market presents no new aspect. Small sales of Pennsylvania Red at 31 24a 126. Rye is steady at 31. Corn is less active and lower. Sales of 2,000 bushels Yellow at 30 cents. Oats are unchanged, and 2,000 bushels Pennylvania Rod at 54 35 cents.

Whicky is steady, and further sales are reported of wood-bound at 38 cents, and iron at 390.231.

Markets by Telegraph. NEW YORK, Feb. 19, 12% P. M.—Cotton.—The market this morning is heavier than yesterday, and most of the business has been at a concession. Sales of about 600 bales. We quote as follows: Middling Uplands, 24% cents. Middling Orleans, 24% cents. Middling Orleans, 24% cents. Flour, &c.—The market for Western and State Flour which there is any material change.

Express stocks are firmer and more active. Cotton Market .-- The Weekly Statement New York, Feb. 19.—The weekly statement shows the receipts of cotton to be 16,861 bales.

Steamship Arrival.

New Your, February 19.—The steamship Main, from Bremen, arrived here this morning.

FROM THE WEST.

The market for the week has been heavy and declining, closing with heavy sales decidedly under the quotations. The continued heavy sales decidedly under the quotations at the different ports have demoralized the market, and a full supply is offering the favore of \$6.00 for Govern the sales of th

The dry goods market is steady, with a fair business doing.

CONFLAGRATION NEAR PITTSBURGH.

Conflagration of a Portion of the Ameri-[By American Press Association.]

Baltimore Produce Market. BALTIMORE, Feb. 19.—Coffee—The market is firm. The stock of Rio here is about 1,500 bags. There are no At four o'clock yesterday afternoon 2 fire broke out in the furnace shed of the American Iron Wirks, situated in Ormsby berough, and belonging to Jones & Laughlins, destroying property to the amount, it is reported, of about twenty thousand dollars. The portion of the extensive building which has been laid in ashes was that in which the furnaces are located, and covered an area of about one hundred and seventy-five by about one hundred and seventy-five by about one hundred feet. The building was aframe structure, the roof covered with sheet iron. The fire originated in the immediate vicinity of one of the furnaces, and is supposed to have been communicated from there to the roof. The New York Money Market.

THE ROYAL SCANDAL

Bill to Screen His Royal Highness the The Carlist Conspiracy Spreading

ENGLAND. The Mordauut Divorce Case.

London, Ech. 19, 2 P. M.—Mr. Dawson gave notice in Parliament, to-day, of a bill asking the Government whether or not it is racticable to prevent the publication of the roccedings of a divorce court. The object of this bill is to suppress the compromising and napleasant testimony adduced in the great diverce suit of Lord and Lady Mordaunt, in which the Prince of Wales figures in so que tionable a manner.

PORTUGAL The Carlist Conspiracy. Lisnon, Feb. 19, 2 P. MarThe Carlists and Miguelists are speading their ramifications to-ward the Spanish frontier. It is accurately shown when they propose massing, and emissaries have arrived from Spain with large sums of money. London, Feb. 19, 11 A. M.—Consols for money, 92; for account, 92; United States Five-twenty bonds are firm. The issue of 1862, 83; Ten-Forties, 841. Vestern Railroad, 284;

Western Railroau, 201; Eric Mailroau, 211, Illinois Central, 1102. Stocks are quiet.
LIVERPOOL, Feb. 19, 11 A. M.—The cotton market is quiet. Sales of 19,000 bales. Middling Uplands, 113. Beef, 103a106s. Breadstuffs and provisions are unchanged. FROM WASHINGTON. [By the American Press Association.]

Return of Commissioner Delano. WASHINGTON, Feb. 19.—Commissioner lano returned here this evening from N York, and will be at his office on Monday. The Mississippi delegation, headed by Mr. his morning, and urged him not to sign the Mississippi bill until the bill for the removal of the political disabilities from certain members from that State be passed by Congress.

The delegation also urged the President not to sign the bill until after Tuesday, as the meeting of the Legislature will then be delayed two weeks from Tuesday. But if signed before. Tuesday the Legislature next meet before Tuesday a week. Governor Alcorn is now in New York and

will not have time to return home and prepare his message.
