It bore the sign of the "Eagle," or, as its patrons fire, rebuilt and burnt in 1794, rebuilt and burnt styled it, "Ther He-gull." In bright, warm, summer afternoons, often on week-days and burnt in 1803, rebuilt and burnt in 1841. It was resummer afternoons, often on week-days and burnt in 1803, rebuilt and burnt in 1841. It was resummer afternoons, often on week-days and burnt in 1803, rebuilt and burnt in 1841. summer afternoons, often on week-days and especially on Sundays, the "tea-gardens" were by Dion Boucicault, who converted it into a pronged with artisans and their wives and theatre, minus the circus, it being previously children. Hot water was supplied at "tup-pence" per head, and all the appliances of the tea-table, except edibles, were included. But other fluids were freely partaken of, from malt liquors or ginger-beer at "tuppence" a bottle other fluids were freely partaken of, from matter liquors or ginger-beer at "tuppence" a bottle up to a glass of rum-and-water, "varm vith, a slice of lemming in it." To enliven the cheering glass, the proprietor introduced two musicians, with violin and harp; to these instructions, a key-burg was added; then a clarionet. ments a key-bugle was added; then a clarionet, and subsequently a drum and cymbals. The rounds of applause when he came on the stage rounds of applause when he came on the stage rounds of applause which "pandean" pipes were excluded as a thought too tapping a "real" snuff-box in which sand inhabitants, and Vienna six hundred there was "real" snuff. Then there thousand. immensely; but there are often wet nights was the evergreen Widdicombe, father during the English summer, and the tavernkeeper wanted to secure visitors every night, so he built a commodious room, furnished it with tables and seats and an orchestra for the band. But it was needful even among his He was always attired as a Polish nobleman of tustomers to draw a line, so as to keep the room sacred from the intrusion of the irrepressibly "wulgar"; he therefore demanded sixpence admission, but this amount was returned in refreshments. To secure the preservation of order, the landlord occurre the preservation of order, the landlord occurred a seat in the room as chairman, or, as cupied a seat in the room as chairman, or, as e declared it, to see "fair play" between when he came over to England in the train of party and party. This room and the band suggested dancing, and balls were thence oc-William the Conqueror,

mined was that he was well advanced in years The Victorin Theatre stands in the Waterloo casionally got up. This arrangement prospered; the landlord obtained additional ground nd built a circular platform, with an orchestral the centre, that there might be dancing every but changed its name in 1833, and is now best and built a circular platform, with an orenestratin the centre, that there might be dancing every fine night. By and by the large room was converted into a theatre, in which the proprietor, Mr. Rouse, occupied a conspicuous place, seated in a private box upon a glass chair. He was provided with a tumbler of spirits, and with a clay pipe from which he inhaled the fragrant weed; and this was tacit permission to those who wished to do likewise during the performwho wished to do likewise during the performances. The motive for this proceeding was understood and appreciated by his audiences, mostly of the working-class, and they were so mostly of the working-class, and they were so "professor" walked along the ceiling with hi leased with what he had done to contribute pleased with what he had done to contribute to their amusement that they gave him credit for everything that was done. Whatever commanded their approbation on the stage received their applause by cries addressed personally to him of "Brayvo, Rouse!" This expand by the control of the control clamation, repeated again night after night, made its way out of the house into the streets, and for a time nothing was heard all over London but "Brayvo, Rouse!" It was applied to all manner of fortunate circumstances, by even feminine lips in respectable circles. by even feminine lips in respectable circles, house to occupy the place which Edmund Kean house to occupy the place which Edmund Kean has discovered, by careful measurement, that left vacant, but he succeeded only in making Terra Haute is exactly in the centre of the nd was once greeted with shouts of laughter in the House of Commons, when uttered as a left vacant, but he succeeded only in a cheer to an orator of the Dundreary school. Kean's loss to the stage more apparent. But Rouse has gone the way of all flesh, and But not by these events did the "Vic" the old establishment has passed into other establish its claims to be one of the sights of National Capital to be re-located in." hands. The successor, a popular comic actor, by name Conquest, pushed forward the place of old Rouse to its present development, which comprehends a large, handsomely decorated theatre, in which are performed dramas | class. Thieves and disreputable women poured | of all kinds, ballets and pautomimes.
