ART ITEMS. NEW PUBLICATIONS. THE LACAZE GALLERY AT THE LOUP VRE.—The legacy left to the Louvre by the The Earthly Paradise. A Poem. By Willlate M. Liacaze has been received by Count liam Morris. Part III. Boston: Roberts Nieuwerkerke, who is now preparing the Salle liam Morris. Part III. Boston: Roberts
Bros.—About a year and a half ago we were praising the first and second Parts of this work, the variety and articulation of which served to in the post of conservator, which he held for commend Mr. Morris to a class of readers who many years under M. Lacaze. Artists and had not taken much notice of his long epic on amateurs will find here a number of Watteau's Jason. The Part now ready prolongs the works, for which the Davidists" had so much scheme of distributing a number of tales along the months of the year, and the present division includes the three months of Autumn. In each month are told two legends, of which, as heretofore, one has a classical subject and the other a medieval one. In the month of September are recited the death of Paris in the tember are recited the death of Paris in the tember are recited the death of Paris in the tember are recited the death of Paris in the tember are recited the death of Paris in the tember are recited the death of Paris in the tember are recited the death of Paris in the tember are recited the death of Paris in the temperature of the old bric-à-brac shops which stood in the Cour du Carrousel, with the following written presence of Enone, and a Gothic dream of upon it in chalk: "Pierrot voudrait vous plaire"; lie recognized the "Gilles," purchased it for about 200 francs, and, delighted with his Moon." In October are given the loves of Accontius and the high-born Cydippe, with the romance of Bharam, the "Man who never laughed again." The third month, November, laughed again. enshrines the story of Rhodope and an Ice- private collection, after his death, the picture landic tale, "The Lovers of Gudran." The was purchased by M. Sipières, who sold it in publishers have in preparation the conclusion of the work, comprising the three months of Winter. Those who have fallen in love with Winter. Those who have fallen in love with the preceding portions of "The Earthly Parathe collection by Boucher, Lancret, Fragonard dise" will find no anticlimax in the poems now and Chardin, and two very remarkable historisubmitted. In each there is the old refinesubmitted. In each there is the old refinement of narrative power, that of charming the auditor into a disbelief of the present and a gradual refinement of the convenience of the conve temporary credulity towards the tenderer realities of magic, enchantment or oracle. Mr.

Morris contradicts the method of the most

Morris contradicts the method of the most prominent poets of the age, and restores Bethesda;" "A Mendicant," by Ribera; some the times when the singing trouvère believed fine portraits by Tintoret; and some examples the romance he sung. Without meaning to be of the Ostades and Teniers. invidious, and without undertaking to decide | -The importance of the Bayeux Tapestry which is the better, we can best explain Mr. as an authority on costume and armor is thus which is the better, we can best explain Mr.

Morris by contrasting his method with that of
the most popular poet of the age. How would
the Laureate go about to construct an
"Earthly Paradise?" Could he possibly keep
"Earthly Paradise?" Could he possibly keep
"Earthly Paradise?" Could he possibly keep himself to a simple, softly-savage Eden, and first glance, that the arms and equipments of himself to a simple, softly-savage Eden, and not exercise himself in constructing some Eden that should solve the problem of modern society—endeavor to bring "the statelier Eden society—endeavor to bring "t back to men "? Has he not made the Arthurian as distinguished from cavalry, but horsemen, legends the hobby-horse to bear his theory of a who from some cause or other had been legends the hobby-horse to bear his theory of a perfect and happy autocracy, where every man finds delight according to his submission to a faultless chief; and has he not made his medieval Princess an awkward anachronism burdened with modern troubles, and introduced her by means of his most radiant conception of a feudal baronet, patronizing "the ception of a feudal baronet, patronizing "the cause or other had been dismounted. The designer of this tapestry, we may suppose, did not condescend to give a place in so great a work to any but the 'miles'—the noble or knightly soldier; and, so far as the tapestry was conceined, the peasant foot-soldier and the light-armed vassal had no existence." The same sentiment is to be found in Freeman's Norman conquest. "The Tapestry is equally accurate in greater matters. The English army is an people" with a largess of science, as a middle-age knight would have patronized them with a age knight would have patronized them with a largess of bread? This kind of writing Mr. Largess of bread? This kind of writing Mr. Morris contradicts with his simplicity. For a modern poet to recede from his age, armed almost anyhow, are nowhere more armed almost anyhow. to abstain from even giving his persons clearly marked. The utter absence of horses individuality of temperament (the he- except as a means, as in the days of Brihtnoth, roes of these tales are almost exactly alike in character, and undergo the arrangements of fate like the impersonal persons in the Arabian Nights), is the success of another to be attentively read, whatever may be the kind of strength. Mr. Morris is absolutely per-fect in it. His lovely tales are a kind of

one by one her household goods were taken to feed that ravenous furnace of his, and the children cried for the bread which was sacrificed in the search after white enamel. Perhaps it is part of the moral training of a certain kind of hero that he should have a shrewish wife. One the principle of the grace which comes by tribulation, and the nobleness to be comes by tribulation, and the nobleness to be the aid of full-flavored adjectives. Yet, wife. on the principle of the grace which comes by tribulation, and the nobleness to be got at only under the pressure of daily chastisement. Anyway, great men have often married themselves to shrewish wires, and curst tempers have been mated with patient ones more frequently than happily.

A shrew is by no means a virago. She may be a vixen, but she is seldom ferocious. Her pleasure is to scold, not to strike, and she is more likely to excite a fray than to join in it when it has developed into a fight. Such as the old masters painted her as in their day of the hold masters painted her as in their

and the scot of beery men who chaff there have a safe there in the beart of the street and the scot of beery men who chaff the have a street of more in their heavy way about the grey mare at home; but with all that she keeps a tidy hearth, saves money, and has as good a name for honesty as for industry. She brings up her family after the strictest pattern of morality, leading them into the way they should go by thumpings and railings that never end, and she would disewn any of them who by chance lapsed into public transgression; yet she drives her husband to the ale-house, as Rip Van Winkle's wife drove hers by the force of her tongue alone, driving her sons after him, will be a days they should provided the street of the safe of the most uncomfortable when the pinch comes. Yet as pinches are only occasional, and the ordinary monotonous highway the place we mostly walk in, the shrew's heroic virtues are brought into play but rarely, while her shrewishness is a thing of every deay, and her power—and habit—of making people unhappy one that has no ending save in death.

e either leave home prematurely or marry ill. They neither see nor care for the real love and sterling goodness often underlying that bitter temper; all they know is that mamma is always cross and that she makes their lives wretched. And as we are all more or less superficial in our judgments, and swayed by our own selfish pain or pleasure, preferring to be made happy by a little less rigid morality rather than unhappy by extra virtue, we can BOARD OF TRADE.

D. C. MCCAM' ON J. PRICE WETHERILL, MONTHLY COMMITTEE.
GEO. N. ALLEN,

PUBLIC SALE ON THE PREMISES. Feb. 25, 1270, at 11 o'clock precisely, will be sold at p lie sale, to the highest bidder, on the premises, all t three-story brick measure occuried by the Minetee Ward Union Leugne, situate at the junction of Fra ford road and York streets, Nineteenth Ward. To taken down, and the material and debris removed by purchaser on or before April 1, 1870.

810 to be paid at time of sale.

By order of J. H. PUGH, Esq., Commissioner. Rises, 6'33 | SUN SETS, 5 27 | HIGH WATER, 2

twelve days, encountering fearful weather and losing all the horses of the 16th Regiment. The news has cast a gloom over Halfax, and the safety of the City of Boston is now almost despaired of.

In the Virginia Legislature, yesterday, a communication from Senator Johnson was granted for Agricultural College purposes to Virginia, amounting to 300,000 acres, was now at the order of the State authorities. A resolution of the Fourteenth and Fifteenth Amendments unnecessary.

A BATCH of diplomatic correspondence relating to Cuba was sent to the House yesterday. It includes a letter from Minister Sickles to the Spanish Minister of State, dated September 28, last, in which Mr. Sickles, in comfoning with this instrictions, withdraws the control of medical with the passion, and indicate the control of medical with the safety of the City of Boston is now almost designed to
