LETTER FROM PARIS. consists of? Well, I will endeavor to tellyou, remain so. and, in so doing, convey to your readers some true idea of the events which have been passing around us for the last three days,-a more correct idea, perhaps, than that which you may have gathered from the sensational may have gathered from the sensational telegrams which have no doubt been telegrams which have no doubt been the correct idea, perhaps, than that which you may have gathered from the sensational Bros. & Co. The first article is a graceful one Religious Fanatic; Tessa; Saved by Lover's Quarrel; The Viennese Ticket; A Lover's Quarrel; The Viennese Ticket; A Lover's Quarrel; The Viennese Ticket; The Viennese Ticket; A Lover's Quarrel; The Viennese Ticket; The Viennese Tic few years ago. And no wonder, seeing that guessed from the following extract:

sition to carry the corpse to Père la Chaise the road, and I am not going to was growing old he fancied he was also growexpose my person to those 'vile Chasse- ing like his pets, from his close intimacy and pota." The two demagogues exchanged some great fondness. Nor have other authors disvery sharp language in the newspapers. But they seem to have come together again, for (and and Gray, and Cowper have left their tribute here we arrive at the immediate incidents of their affectionate friends; Hoffmann intro-the moment) we find them both about to attend the same meeting at Belleville, on his approach to which Rochefort was arrested. attractive; Edgar Poe bore cheerful witness to so large. It is very good yet, being a little That sagacious gentleman gave himself up, as you are long since aware, with the best grace in the world; suffering no one to fight for him, in the world; suffering no one to fight for him, and, above all, taking care not to fight for himself. I believe the simple truth to be that popular sketch of Frederick the Great. Then year we see improvement in the work and Rochefort is not sorry to be out of the hands comes a pretty, twaddling poem of Alice of such thorough-going confederates as Cary's, "Shadows." Lyman Abbott treats of dwell in security upon it. Their interest in its Flourens, and likes far better to play the martyr, with a whole skin, in Sainte Pélagie, bellished paper called "Nature's Common it. Some who own low land are ditching it in free to follow his own impulses, comes out at once in the heroic, or rather, perhaps, I

Floors have long been felt to be a CONCLUSION OF A VISIT TO TENNYSON. a sword-cane over his head, he fires two or three shots from his revolver in the air, and forthwith declares himself "in a state of in-

clusion. I wish I could send you new darkness. Covered with mud, groping the entire narrative verbatim. It is certainly the very finest serio-comic casion with such an incessant run of witticisms. epic I ever read. It is so "immensely ridiculous" that it is barely possible to conceive had reached a condition which had discovered had a condition which had discovered had a condition which had disc any man writing and publishing what so dubs treasures of fun and humor in him before unsuperior declared war, his first act was to make a the congenial darkness like a mirthful thunder, prisoner. So he seizes the luckless Commis-sary of Police, who was to have been present all who ever stumbled in the night seemed at the meeting in question, and marches off in triumph with this poor man of peace, who literature of such emergencies. Vexation was

begs hard of his doughty conqueror to be all at least not among the shadows that encombegs hard of his doughty conqueror to be allowed once more to see his wife and children passed us, though for a time we were wandering in a muddy field, with no object, not even the sky visible. "That this should have happened after dinner!" he exclaimed. "Do not them heroes;" and then he adds, a line further on, "and these soon dwindled to sixty. Yet with these," he cries, "I held a whole Faubourg of Paris" at least not among the shadows that encompassed us, though for a time we were wandering in a muddy field, with no object, not even the sky visible. "That this should have happened after dinner!" he exclaimed. "Do not freedmen who were generally born on the plantations on which they have settled. They cleared the land, built houses, and have occupied it five years in some cases. These suits were to be tried before the court in Beanfort he cries, "I held a whole Faubourg of Paris indeed, he is personally very different in every last mouth, but the old owners deferred the way from the man I expected to see. Tall, of for three hours." Munchausen himself never performed such a feat! To be sure, Flourens does not tell us against what or against whom he and his sixty heroes held their ground; the simple fact being that, for the moment, there was nobody there to interfere with them. By and by the illustrious band marches on again, and these "sixty men" meet "two soldiers." anything like the heroic strain, except when anything like the heroic strain, except when speaking of England. His pride in his country was from the man I expected to see. Tall, or dark complexion, with a deep and blunt voice and manner a lmost. Quaker-like in its plain-ing of a legal decision in their favor, they now petition Congress, hoping that "magnanimity" will prevail over justice, as in so many cases heretofore, and knowing that the rock upon which they split—Stanton—is gone. They have the coloners to propose that Congress the rock upon which they split—Stanton—is gone. They have the coloners to propose that Congress the rock upon which they split—Stanton—is gone. They have the coloners to propose that Congress the rock upon which they split—Stanton—is gone. They have the coloners to propose that Congress the rock upon which they split and so they always do, knowing that the old owners deterred the trial, and so they always do, knowing that the old owners deterred the trial, and so they always do, knowing that the plants. But, despair—in the field that it all the old owners deterred the trial, and so they always do, knowing that the old owners deterred the trial, and so they always do, knowing that the old owners deterred the trial, and so they always do, knowing that the old owners deterred the trial, and so they always do, knowing that the plants. But, despair—in the field that the old owners deterred the trial, and so they always do, knowing that the flants. But, despair—in the field that the old owners determed the trial, and so they always do, knowing that the flants. But, despair—in the field that the old owners determed the trial, and so they a and these "sixty men" meet "two soldiers."

"We disarmed them," says Flourens, "as gently as if they had been brothers." After this treements achievement of taking this treements achievement of taking this treements achievement of taking which he has evidently read a great deal. He wished them if they wished. That is, they

cry. But alas! by this time the sixty had diminished to ten, who alone still followed Science; Venice and her Commercial Nobles;

cry. But alas! by this time the sixty had diminished to ten, who alone still followed their undaunted leader on this last and most desperate expedition. It is asserted that when the manager heard he was about to be attacked he "drew up his troop" and "gave the word," but that "all the guns missed fire." I do not, however, answer for this fact, which is that by the time he got into the theatre he had his side. He avows that he and his friend, set upon by three or four people inside, who speedily drove them out of the house. After this, he hid himself in the house of a friend, and has not kince been heard of any them to the fact of the house of a friend, and has not kince been heard of any the and has not kince been heard of any the and has not kince been heard of any the angle heard of the part this, he hid himself in the house of a friend, and has not since been heard of, and is understood to have escaped to Belgium.

Now is not the above a far more eloquent account of the Paris "insurrections" than any I could have furnished you with myself, and is it possible to doubt their real character after this, he hid himself in the house of a friend, and is understood and half the people did not seem to know it was the Twenty-second.
