NEW PUBLICATIONS. A Day by the Fire, and other Papers. bitherto uncollected. By Leigh Hunt: Boston. Roberts Brothers. Received from Porter & Coates.—Bubbling over with wit and fancy, and now and then surprised with a tear; filled with a strange elfish wisdom that reduces old wives' fables and seamen's yarns to science, and makes positive knowledge momentarily of no account, these matchless essays are a spell for the winter evening or a dream for the summer woods. They tell whatever old voyagers pass amongst them with a busy, moonlight bustle; Gog and Magog stump through them, while their pages descend no nearer to practical information than the freaks, and the dreams, hind these uncanny revelations of strange reproduce a tone so loveable, kind, and famil- The following noon we came away, bound iarly wise, they are to be found, not in England, but in the land where "The Autocrat," and continually in a state of unrest.
