Captain career of the Truelove in the whaling violated and our relations with the Holy See trade she has brought home not less compromised. In the present state of the publications with the publication of the pu than between 300 and 400 whales, besides seals and other products of the Arctic seas, representing a very large capital. She has been an old and faithful servant to her latest voyage. She is now superseded by the latest voyage. She is now superseded by the latest voyage of the resolutions more in conformity with the real latest voyage. She is now superseded by the modern steam-whalers of the period; but, nevertheless, as old Captain Wells says, the Temelove is still a handy as a cutter, safe as a mevertheless, as old Captain Wells says, the Truelove is still "handy as a cutter, safe as a life-boat, tight as a bottle, and ready, as of old, to do her duty if ever she be again called upon." This memoir of the Truelove was compiled by the surgeon of the screw-steamer whaler Ravenscraig, and the sketches our engraving is made from were taken by him during a voyage to Davis's Straits, in 1877. They were communicated to us by A. D. Soutter, of Kirkcaldy.

Revival of the Drama Mago.

The revival of the Lucrice Boryia of M. Victor Hugo at the Porte Saint Martin has recalled to long memories the February of 1855, when the war between the classical and the romantic schools was at its height, and the drama, since eclipsed by Donizetti's opera, was first presented as a remarkable specimen of the inpovential transportation.

Mr. Mery, Nodier, Alfred Proposals.

When the war bottween the Cassical mand the Condition, free from slate on the Lucrice as a present at the Porte Saint Martin on that memorable occasion. Mr. Mery, Nodier, Alfred From State, bore, dust and other impurities.
