members of the Order, with many of their trophies and archives, were carried away by the French. But it cannot be robbed of its historic interest, or of the deathless memory of those who worshipped here.

length portraits of La Valette, Wignacourt, and in other parts of the building are portraits of other Grand Masters. The Council Cham-ber has freecoes, illustrating many of the cele-brated battle scenes with the Turks. Two long corridors at right angles with each other, the sides next the court being closed in with glass, present a very quaint appearance, by having along either side, at intervals of about fifteen feet, a figure of a Knight in full armor, with shield and lance. These grim phosts of and in other parts of the building are portraits with shield and lance. These grim ghosts of past ages stand guard over the present. One wing of the palace is devoted to the armory, and contains a most interesting variety of armor used by the old Knights and their followers, and by their various adversaries; javelins, lances, bows and arrows, battle axes, scimeters, swords, pistols, powder flasks, coats of mail, helmets, steel gauntlets, and scores of other mementoes of the days of chivalry and slaughter. Here is a swivel breech-loader three hundred years old : rifles guns, having one barrel under the other, in-stead of beside it, as at present made; a can-non of copper plate, wrapped with tarred rope, and enclosed in leather, made five hundred years ago: a giant's arrow the table to the table table to the table tabl and enclosed in leather, made five hundred years ago; a giant's armor, the helmet of Oliver, Howard, Howard, Oliver, Howard, H

of Dragut, the famous Algerine General. In auchier case is the trunct which counded the retreat from Rhodes. Another contains the original Bull of Pascal 2nd, receiving the Knights of St. John under his protection, in the year 1113. Still another encloses the original parchment deed of Charles V. ceding the Island of Malta, &c., to the Knights. It is solemnized by the old fashioned seal as large thing but their Collector, Mr. Daubman. The Council and the city government, with the ex-ception of Marshal, will still be under the con-transfer the sear 1113. Still another encloses the original parchment deed of Charles V. ceding solemnized by the old fashioned seal as large as a saucer, attached to the conveyance by a ribbon. They have also preserved the sceptre of La Valette and of Wignacourt, and a por-tion of the latter, richly inlaid with rold. with gold. with gold. Between a double flight of stairs leading
