Adjoining the lands of Samuel J. Sharpless, Wellington Hickman and Geo. Brinton.

The improvements consist of a large and commodious serpentine. Stens Mansion House, surrounded by porches, built by the late owner in the year 18G3, containing 20 rooms, with all the modern conveniences; also farm house, 3 tenant houses, gardener's house and spring house, with never failing spring; large bare, stable, conch-house, and all the necessary buildings for a first-class dairy and stock farm.

The late owner spared no expense to make this one of the most complete farms in this State.

Vitness (reflectively)—" Well, he might have sires is to have you state the prisoner's own

Attorney for prisoner—" What the Court dewords, preserving the precise form of pronoun that he made use of in reply. Was it the 1st person I, the 2d person thou, or the 3d person he, she or it? Now, then, sir (with severity), "pon your oath, didn't my client say 'I was drunk!" Witness (getting mad)-"No, he didn't say you was drunk either, but if he had, I reckon he wouldn't a lied any. Do you spose the poor fellow charged this whole Court with Among the recent visitors to our city was a

to return to his native land and render an account unto the mighty Mikado. The day of his departure rolled around, and, in company with a few friends and \$3,000 in gold and silwith a few friends and \$3,000 in gold and silver coin, he was conveyed to the Pacific Mail Steamship Company's pier. For safe-keeping the little value containing the aforesaid coin the little value containing the aforesaid coin was placed under a seat in the coach, while the ether cumbrous baggage remained outside. The party bearded the steamer, and cabby drove ther cumbrous baggage remained outside.

The party bearded the steamer, and cabby drove back to the city post haste to obey the subpcena of a court. His Highness cast his eagle eye over the baggage just before the steamer started, and was horrified to find the familiar value missing. Here was a dilemma—cabby and coin gone, and the steamer to sail familiar valise missing. Here was a quemma—cabby and coin gone, and the steamer to sall in five minutes. As a spectator remarked, he seemed to feel annoyed, if not demoralized. Visions of harf-kari for malfeasance in office.

Visions of harf-kari for malfeasance in office sanufacturers of LQW DOWN. seemed to float before him, and if the few hurried expressions in his rasping tongue could have been translated, they would hardly present an elegant meaning. The Japan sailed away with the royal crowd and the coin remained behind, snugly ensconced in the liack. It was subsequently recovered in safe con-

lition, and will be forwarded to Yokohama by OOR ING-FANCES BALL and BETA-BOREERS,

DRAMATIC CRITICS at Paris say severe things. One of them, noticing Madame George Sand's new piece, L'Autre, says:

Had Moses omitted the seventh atticle from his decalogue, there is no knowing what the French playwrights would have done; but since the subject is the same as that of all the price which have of late been put upon the stage, subject, which will be subject is the same as that of all the pieces which have of late been put upon the stage, which have of late been put upon the stage, which which will be same as that of all the pieces which have of late been put upon the stage, which will be subject is the same as that of all the pieces which have of late been put upon the stage, which will be proposed to the stage select some other subject, if only for a change?" At another other subject, if only for a change?" At another other subject, if only for a change?" At another pears, and this is what is said of him: "This BERSERY ING. BER the next steamer .- San Francisco Bulletin,7th
