THE CREAM OF THE NEW BOOKS. Roberts Brothers, we extract a passage which

sounds like an echo of Longfellow's quatrain: "Were half the power that fills mankind with and courts

Given to redeem the human mind from error, fact that his article on Shakespeare was con-Then the gentleman got up to go. It temporary Review; Carlino, Part II, by the tained in his several books. He has been at the centre, and has had a near view of this slumsiest tool of diplomacy. His last tool of diplomacy. His last to the centre of the clumsiest tool of diplomacy. His last book, Memoirs of Gen. Von Brandt, Edinburgh Reas will be seen, pursues the subject. It is an argument on a different side indeed, and of another degree of strength, from the spasmodic lishing two new and very interesting serial war-cries introduced by the paid governmental stories, one by Mrs. Oliphant and the other by Praiser in the poem of "Maud."

ON WAR. Ellesmere.—Now, as to another omission. I suppose you have all noticed something, or rather the absence of something, in this tale of rather the absence of something in this tale of tary Genius." (a review of Mr. Galton's late Casimir Maremma; and that is, that Milverton | book on that subject), on the "Divining Rod," has not said a word about the evils of war. I and a continued article on "American Histo not like this. You know my theory, that tory," together with its usual full compilation to not like this. For know my theory, that to a second the country is argues ill of everybody when he is not like of news on subjects connected with the industries and development of the country. Published by Fowler & Moon, Fourth and Walnut lished by Fowler & Moon, Fourth and Walnut favor if I would let him embrace me. boy of six years old in a jacket, and I do not streets. remember any occasion for long talk since that period in which he has not informed me that has war is a terrible thing. I begin to think that he war is a terrible thing. I begin to think that he will some day grow old, and be unlike the will some day grow old, and be unlike the Man.

Now, if Sir Arthur were to be rude and coarse; if Cranmer were to say that taxes should not be paid cheerfully; if Mauleverer should not be paid cheerfully should not be paid cheerfully. creature we have known him both as boy and and a well-selected store of pleasant tales,

were to declare that human nature is a very pretty thing, and that boys and girls are charm- lished by Deacon & Peterson, 319 Walnut to the rum-mill on the corner and hired an ng specimens of creation; if Lady Ellesmere vere to praise her husband; if Mrs. Milverton were to be indifferent to our comforts; and if The Transatlantic, No. 11, for the week Sandy were to protest that Scotchmen were not the glory and the pride of mankind—I should periodical literature, including a due proportion s uncomfortable about them as I do of fiction, all is very ably chosen, and forms about Milverton, seeing that he has let pass so many good opportunities in this tale of thundering against war. I tell you again I am afraid he becoming old and sour, and weary of us that noble sage, in short space. The titles of other papers, exclusive of poetry and short articles, are: An Adventure of a Young wait now for events. I wait for what the | Man from the Country-Chambers' Journal; loctors and the chemists will do. Cranmer.—As usual, I am utterly puzzled Jane—English Magazine; Measuring Star Heat—Spectator; An Old Woman on Wifeas to what you mean, Milverton.

Milverton.—I have said it before. There

such calibre as will at one discharge sink a same periodical for April—consisting, of man-of-war; but I rely upon the doctors and chemists. We shall call them in to "pre- with interest a number of first-class popular scribe" against an army; and they will teach papers, such as the article from Belgravia on show to throw pestilences at one another, or Henri Rochefort, that from Cassell's on "Bonrather, how to sow the seeds of pestilences in the ground over which an invading army must pass. At last we shall come to the conclusion that war is too dreadful a thing to be undertaken the ground over which are invading army must pass. The Transatlantic has assumed a that war is too dreadful a thing to be undertaken to the conclusion that writers. The Transatlantic has assumed a writers. The Transatlantic has assumed a writers it from all the writers it from all the property of the best make. The most sightly and the most source of emolument, had acquired property which was not enumerated in my statement of income as set opposite to inquiry No. 1.

It was plain that that stranger had enabled the position of the post make. The most sightly and the most source of emolument, had acquired property which was not enumerated in my statement of income as set opposite to inquiry No. 1.

It was plain that that stranger had enabled the position of the post make. The most sightly and the most source of emolument, had acquired property which was not enumerated in my statement of income as set opposite to inquiry No. 1.

It was plain that that stranger had enabled the position of the post make. The most sightly and the most source of emolument, had acquired property which was not enumerated in my statement of income as set opposite to inquiry No. 1.

It was plain that that stranger had enabled the position of t that war is too dreadful a thing to be undertaken except in cases of the last necessity.

You may imagine that I am speaking boastfully; but I think with my present knowledge, especially if I were aided by some men who have pursued the same scientific researches as myself, I could with the utmost case destroy the commissariat of an invading army.

Sir Arthur.—That would be fatal.

Sir Arthur.—Well, it is most feasible. I am and a better faculty of excluding scholarly quite certain I could introduce cattle plague

The Transatlantic has assumed a place of its own, which separates it from all our eclectic publications and adapts it to a large and intelligent class of the community. A little less pedantic than Every Saturday, a little less given to long ponderous Quarterly articles and protracted novels than the Living Age, the Transatlantic has an equally keen scale for a smart bright paper wherever found, and a better faculty of excluding scholarly dunness and prosiness. With its variety of short of the corner of the corner

and a better lacuity of excluding schotary during the first of the first once the first of an among their horses which would cut up all their cavalry. A similar thing will be effected with human beings when once we have got the doctors and chemists to look into the question.

Historians have been very remiss in narrating the history of campaigns, and omitting to tell us how often the fate of a campaign has depended upon the introduction of a disease among the animals that accompanied an army.

Ellesmere.—Yes; I have always had a men opinion of historians.

Milterton.—Well, when we have brought destructiveness, both of man and beast, to its utmost power, we shall begin to think that we must take up other means and adopt of the cut of the courses to settle diplomatic disputes. After all, mankind, not-withstanding, when the standard among the among the among the animals that accompanied an army.

All STERRIOUS VISIT.

The first notice that was taken of me when the state of the was an assessor, and content of business before, but I was very glad to see him, all the same,—would he sit down? He sat down. I did not know anything particles, and the first of the certain its could introduce cattle plague and prosiness. With its variety of short its fiction and striking fact, its legible and at tractive page, and its frequent appearance, it is distinct the appealance, it is included the appealance, it is a frequent appearance, it is a frequent and will see that international law must be systematized, and must be made effective.

You will then no longer have the rubbish talked that is now talked, even by Christian clergymen, of the greatness of a nation depending the state of the ing upon its willingness to go to war upon the ignorant, but I had hoped he would mention most trumpery causes. I should not have said what he had for sale.] ing upon its willingness to go to war upon the most trumpery causes. I should not have said anything about this matter, for I am wearied of talking about it, if Ellesmere had not provoked me to do so.

Only imagine what it would be if men could throw pestilences at one another. There would not be the clash of arms, the pride of battle, the joy of striking a bold stroke for one's battle, the joy of striking a bold stroke for one's catalance in most trumpery causes. I should not have said anything about this matter, for I am wearied what he had for sale.]

I ventured to ask him "how was trade?" and he said "So-so."

I ventured to ask him "how was trade?" and he said "So-so."

I then said we would drop in, and if we liked his house as well as any other, we would give him our custom.

Has M. A. BINDER'S recent visit to Paris enables that during the year 1869 my income, in the ountry. New in design, way of profits, had been one thousand to do profit that during the year 1869 my income, in the ountry. New in design, had been one thousand to dollars is exemptly law. What you want to do is to go and swear this document in and pay tax on the two hundred and fifty dollars."

Has M. A. BINDER'S recent visit to Paris enables in the during the year 1869 my income, in the during that during the year 1869 my income, in the during that during the year 1869 my income, in the during the year 1869 my income, in the during that during the year 1869 my income, in the during that during the year 1869 my income, in the during that durin battle, the joy of striking a bold stroke for one's country, but men would have to meet a stalk-to it—said he never saw anybody who would

Ellementer.—Good heavens, what ideas he brings before us! "Dose as before" instead of "Up, Guards, and at them!" I must own that I think all the poetry of warfare would be that natural expression of villainy which we and have the best of it.

Mitterton.—Now you are all Christians—you would be very much scandalized if it were not acknowledged that you were Christians. What do you think our Saviour would say if He were to appear on earth again at this present time. Do you think He would approve of three or four millions of human beings being kept under arms to maintain the armed peace of Europe? I may be very stupid, but I have read Christianish that if there is anything condemned by the principles set forth in the Sermon on the Mount, it is the present state of European armies—as much condemned, by the way, by the principles set forth in the Sermon on the Mount, it is the present state of European armies—as much condemned, by the way, and armies—as much condemned, by the way armies—as much condemned, by the way armies—as much condemned, by the way the literature of the mail about months after the man looked honest enough. It has been down and that the poetry of warfare would be that natural expression of villainy which we all also the man looked honest enough. The bound to state the man looked honest enough. The bound to make a false return of his income.]

On you, said I, "Do you always work all leductions' after this fashion in your case, sir?"

"Well, I should say so! If it weren't for those eleven saving clauses under the head of Peductions' I should be beggared every year to support this hateful and wicked, this way be used daily, and which interesting a saving clauses under the head of Peductions' I should be beggared every year to support this hateful and wicked, this way to be used daily, and the recursion of Peductions' I should be beggared every year to support this hateful and

sound political economy, as by the dictates of me during this seductive burst of confidence was gone forever and ever. sound political economy as by the dictates of Christianity.

You may recollect what I said some days ago when Johnson and I handed to you the topies of "Casimir Maremma." I said that was about. I thought to myself, my son, you little know what an old fox you are dealing women, if they had been more consulted in the affairs of the world, would have protosted against the love of war and the lust of conducting this winter and last spring?"

"Now you never would guess what I made lecturing, this winter and last spring?"

"No—don't believe I could, to save me. They had been more than that he would forget himself and tell me all about his affairs before he suspected what I was about. I thought to myself, my son, you little know what an old fox you are dealing with. I said:

"Now you never would guess what I made lecturing, this winter and last spring?"

"No—don't believe I could, to save me. They had been more consulted in the affairs of the world, would have protosted lecturing, this winter and last spring?"

"No—don't believe I could, to save me. They had been more consulted in the affairs of the world, would have protosted lecturing, this winter and last spring?"

"No—don't believe I could, to save me. They had been more consulted in the affairs of the world, would have protosted with I said:

"Now you never would guess what I made lecturing, this winter and last spring?"

"No—don't believe I could, to save me. They had been more than thousands of the highest, and richest, and proudest, and most respected, honored and fentimen. It is the largest, best lighted and heated establishment in the city. The horses are thoroughly for the present, talk little and wear fire-proof gloves, lest I fall into certain habits irrevocably.

"No—don't believe I could, to save me. SETH ORAIGE.

Let me see—let me see. About two presence of war itself.

You begin a thing to which there is no end.

T make a preparation; you make a counterpreparation; and so it goes on ad infinitum.

You, to is amazing perfectly amazing.

CITY ORDINANCES. MOMMON COUNCIL OF PHILADEL CLERK'S OFFICE, PHILADELPHIA, March 18, 1870. In accordance with a resolution adopted by the Common Council of the City of Philadel-phia on Thursday, the seventeenth day of March, 1870, the annexed bill, entitled: "An ordinance to create a loan for the further extension of the Philadelphia Gas-Works," is hereby published for public infor-

Attest, City Controller.

before the thirty-first day of December and the thirtieth day of June in each and every

per centum on the amount of said loan, and a sum sufficient to pay the State taxes on said loan, for which certificates may have been issued, which they shall pay to the City Treatised, which they shall pay to the City Treatise.

to the payment of the interest of the said loan

and the State taxes thereon, as the same may fall due, and to no other purpose whatever and the balance thereof shall be paid over by

the said Treasurer to the Commissioners of the Sinking Fund, who shall invest the same

and its accumulations in the loans of the said Gas Works, or in the other loans of the city of Philadelphia, as a sinking fund, which is

hereby specifically pledged to the payment o said loan; and any surplus remaining after the

payment of said loan shall be applied by the Commissioners of the Sinking Fund toward

the extinguishment of the other loans to the

said Gas Works, if any; otherwise, of the funded debt of the city of Philadelphia.

SECTION 4. The Mayor is hereby empowered and directed, on the requisition of the Trustees of the Philadelphia Gas Works, without

receiving the pay of any money therefor, to issue certificates of the loan provided for in this ordinance, in such amounts and to such parties as the said Trustees shall designate, not exceeding the amount of the loan authorized in and

y this ordinance. Section 5. That the terms and provisions of

the ordinance entitled "An ordinance for the further extension and management of the Philadelphia Gas Works," approved June 17,

1841, shall not apply in any way or manner to this loan, and that nothing contained in this ordinance shall interfere with or obstruct the city of Philadelphia in taking possession of said Gas Works whenever the Councils of the said

he authorized to publish in two daily news

Resolved, That the Clerk of Common Council

papers in this city daily, for four weeks, the ordinance presented to the Common Council on Thursday, March 17th, 1870, entitled "An

city may by ordinance determine to do so.

SECTION 3. That said Trustees shall on or

JOHN ECKSTEIN, Clerk of Common Council AN ORDINANCE TO CREATE A A loan for the further extension of the Philadelphia Gas Works. Section 1. The Select and Common Councils of the City of Philadelphia do ordain. That the Mayor of the city be and he is hereby authorized to borrow, at not less than par, of the credit of the city, such sums as the Trustees of the Gas Works may require, not exceeding in the aggregate one million dollars, at a rate of interest not above six per cent, for the further extension of the Philadelphia Gas Works. The principal of said loan shall be payable at the expiration of thirty years from the first day of January, A. D., 1870, and shall be free from all taxes.

Sec. 2. Certificates for said loan shall be is-
