ained in regard to Roman houses in general.

wate day for the visit of the audience of Mr. that he proposed to the Senate that a resolu-tion be passed giving a reward to those who

redeeming quality, and under whose rule the their tails hanging out between their teethredeeming quality, and under whose rule the republic became entirely extinct.

The Italie, of Florence, announced, most audaciously, a day or two ago, that Padre Secchi, the celebrated astronomer of the Roman College, with Padre Rosa, another leading to the college of the Rosa and the results and the results of the results and the r scientific celebrity, was on the eve of leaving the Society of Jesuits, and coupled their post, a-wondering why I didn't stay and hold names in such a manner with Padre Passa- possession; likely! Umph! I took just one glia as to lead those who read the paragraph glimpse of that specticle, General, and I lit to think these two distinguished Jesuits were out'n the country in three jumps exactly. about to prove unfaithful to their vows and "But what grinds me is that that Mor an hangs on there and won't move off'n that Padre Secchi has written a letter to the ranch—says it's his'n and he's going to keep Padre Secchi has written a letter to the Nazione, of Florence, in his name, and also in the name of Padre Rosa, denying the assertion most positively. The Italie also announced on Tuesday that the French Minister, M. de Banneville, haddeft Rome suddentieter, M. de Banneville, and letter to the it—likes it better'n he did when it was higher up the hill. Mad! Well, I've been so mad for two days that I couldn't find my way to town—been wandering around in the brush in a starving condition—got anything here to drink, General? But I'm here nove, and I'm less Quality Hair Mattresses, Feather Beds, Bolsters and Pillows. Feathers and Down, Spring Mattresses. ly for Paris, without giving any notice to the Papal Government. This was also false. It Never in all the world, perhaps, were a man's is said, however, that the First Secretary of feelings so outraged as were the General's. He the French Embassy has gone to Paris, and it said he had never heard of such high-handed

is not blamable to know what is taking place ernor Roop had already been appointed to within the hall on this eventful occasion.
But we shall not have to waita hundred years largest parlor of the Ormsby House at two that But we shall not have to waita hundred years to know the true history of the doings of the Council of the Vatican; that is certain. Prudent and secret as the rulers of the Council have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have the said rest easy, rest easy and collect the said rest easy, rest easy and collect the rulers of the Council have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all their guards and checks have tried to be, all the rulers of the council have tried to be a subject to the tried to be a subject t unfortunately been ineffectual, and almost witnesses, for the victory was just as certain as everything is known that has been done if the conflict were already over. Sides wiped so far. The violent charges, responses away his tears and left. and attacks of the clerical journals at At two in the afternoon Referee Roop's tached to the two religious parties have disclosed everything. A careful reader of the appeared throned among his sheriffs, his wit-Univers Francais and Unità Cattolica can be pretty well "posted," as we Americans say.

The only trouble 1s—we have to wait for the journals to come from Paris and Turin to us.

I do not know that away from Rome these formality and away from Rome these joke. An unearthly stillness prevailed, for at joke. An unearthly stillness prevailed, for at fiery editorials and communications would be the slightest noise the Judge uttered sternly the press and clock fliking Emperium.

The old established and only reliable Paper Pattern, Dress and clock fliking Emperium.

Dress made to it with ease and clogance in 24 hours. so well understood; but, taken in confiction command:

with that which is heard daily from ramor in "Order in the court!" this city, they give us many a key to a closely. And the Sheriffs promptly echoed, it. Preslocked piece of Council news. It is said, very ently the General elbowed his way through the cleverly, that at the Council of Trent Charles crowd of spectators, with his arms full of V. was the constant torment to both parties, law-books, and on his ears fell an order from but at the Council of the Vatican the daily the judge which was the first respectful recogpress performs the tantalizing office of the old | nition of his high official dignity that had ever

mark of respect to his memory. But I fancy but no matter, their testimony invariably went this is an exaggeration; for the Univers, Louis in favor of the plaintiff Sides. Each new witness brief notice. Veuillot's paper, which is "more papaline only added new testimony to the absurdity of than the Pope," came out in full mouroing on a man's claiming to own another man's proits first page the day it announced the death of it. Then the Morgan lawyers made their The clerical journals of Europe are as speeches, and seemed to make singularly weak The clerical journals of Europe are as demonstrative as our political journals used to be in "old Jackson times." For example, a fortnight since; the Unità Cattolica of the 8th, when it announced the distribution of the Thema on infallibility had its journal gavly Thema on infallibility, had its journal gayly roared and howled; he quoted from everydecked with a rose-colored border as a sign of thing and everybody, poetry, sarcasm, statistics, ANNE BREWSTER. history, pathos, and blasphemy, and wound up -Hahnemann, the founder of the Homees- dom of the press, free schools, the Glorious DRUG athic school, was one day consulted by a Bird of America and the principles of eternal

still the audience waited. At last he returned ! to his throne and seated himself. The Sheriff commanded the attention of the Court. Judge Roop cleared his throat and said: "Gentlemen, I feel the great responsibility ranean passages were doubtless used by the It was in the early days of Nevada Territhat rests upon me this day. This is no son and his mother for their private inter-views. Livia, Tiberius's mother, we know, about Carson, Eagle and Washoe valleys—very plain that it is the most solemn and awful views. Livia, Tiberius's mother, we know, was taken away from her first husband, Tiberius Claudius Nero, by Augustus, who divorced his first wife, Scribonia, to marry her. Livia bore her first husband two sons, Tiberius and Drusus. She had no children by vou have lived in that country and seen the of counsel, with high interest—and especially Augustus, but plotted and worked continually, whole side of a mountain taken off some fine will I commend the masterly and irrefutable morning and deposited down in the valley, logic of the distinguished gentleman who rep-

at a moment so solemn as this? Gentlemen, it ill becomes us, worms as we are, to meddle

n the coldest blood, to place Tiberius on the the other. Claudius called her "Ulysses in fresh in your memory all the years that you human ingenuity in argument and human petticoats;" and she merited his description, may go on living within seventy miles of that ideas of equity to influence us to our undoing cor she was as cunning as wicked. But clever place.

General Buncombe was shipped out to Neas Livia was, she could not have carried out her aim without the aid of Tiberius. Her vada in the invoice of Territorial officers, to be constant plots must have required frequent United States Attorney. He considered himplain to me that Heaven, constant plots must have required frequent self a lawyer of parts, and he very much its inscrutable wisdom, has seen fit to future greatness she was conspiring. These wanted an opportunity to manifest it—partly move this defendant's ranch for a purpose subterranean passages enabled the crafty for the pure gratification of it and partly besubterranean passages enabled the crafty mother to hold secret communication with Tiberius, and lay and mature those plaus which should remove from his path all the obstructions to the Imperial throne.

Test Saturday evening, Mr. Shakespeare it gets in the way they sould be subtracted as a subtraction of the world with a calm, unmalignant contempts as long as it keeps out of the way—when it soundings of the world with a calm, unmalignant contempts as long as it keeps out of the way—when it soundings of the world with a calm, unmalignant contempts of the world with the positive of the world with a calm, unmalignant contempts of the world with the positive of the world with a calm, and the world with the positive of the world with the posit

Last Saturday evening, Mr. Shakespeare it gets in the way they snub it. Sometimes more eligible and more advantageous for its Wood, the Secretary of the British Archaeo- this latter takes the shape of a practical joke. owner, it ill becomes us, insects as we are, to logical Society of Rome, gave us a very inter-esting lecture on this very subject. His lec-to General Buncombe's door in Carson City created the ranches and it is Heaven's prerogaesting lecture on this very subject. His lecture was made doubly and trebly attractive by the immense amount of information it control in the first of the first tained in regard to Roman houses in general, the style of houses built at various periods on the Palatine, and the distinguished men to whom they belonged. The whole subject was whom they belonged. The whole subject was whom they belonged wh treated in a very thorough manner; fine maps or ground plans of that part of the Palatine, of the Palace of Tiberius, and the house in question, hung on the wall and served as illustrations to the text. In my short account of the plant of the house and the theory entertained as to its | was situated just in the edge of the valley, | man, almost. He pronounced Roop to be owner. I have only been able to give you a and that Tom Morgan owned a ranch miraculous ass, a fool, an inspired idiot. Ir bare outline—not the very conclusive proofs—
as my limited space does not allow me to do so.

Immediately above it on the mountain side.
And now the trouble was that one of those trated with Roop upon his extravagant decischevalier Rosa courteously set apart a prislid Morgan's ranch, fences, cabins, cattle, think for an hour, and see if he could not figwate day for the visit of the audience of Mr. barns and everything down on top of his ranch, une out some sort of modification of the very words are the could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and see if he could not figure out some sort of modification of the very country and the could not figure out the country and the could not figure out the could Wood's lecture to the Palatine; and last Mon-and exactly covered up every single vestige of day afternoon Mr. Wood showed us through his property, to a depth of about six feet. He walked two hour and a half, and at last his the house, pointed out part of the mysterious | Morgan was in possession and refused to vacate | face lit up happily and he told Buncombe passage, and kindly explained each portion. the premises—said he was occupying his own had occurred to him that the ranch under Over two thousand years ago that beautiful, cabin and not interfering with any body else's neath the new Morgan ranch still belonged to curning, wicked woman, whose charming | -and said cabin was standing on the same | Sides, that his title to the ground itself was form and manner we all admire in the Pudi- dirt and same ranch it had always stood on, just as good as it had ever been, and therefore citia, lived in this house as a young wife— and would like to see anybody make him he was of the opinion that Sides had a right to
