CITY BULLETIN. Henry Benners, of 1822 Monroe street, had leg fractured yesterday by a bag of grain fall-g on him at the Baltimore depot. The Aldermanic fines returned to the City Treasurer for the month of March were: Lewis Godbou, \$38; Thomas Dallas, \$35; W. 5. Toland, \$41 50; William Neill, \$24; W. R. Heins, \$25; Thomas Randall, \$28; A. Merrow, \$27; C. E. Pancoast, \$40; J. R. Massey, -Hon. Wm. D. Kelley's friends held a meeting at Spring Garden Hall last evening, for the purpose of adopting measures to insure his renomination. Richard Chambers presided. Addresses were made by Major A. R. Calhoun, Edwin H. Coates, Captain Mackey and Thos. ....The Insurance Patrol are about having a new domicil at 244 Arch street. The building elected is large and commodious. The first table will be in the rear. The upper rooms are set apart for quarters for the patrolmen and lrying rooms, with an office for Captain Mo held its twenty-seventh annual meeting last evening, at the Central Congregational Church. Addresses were made by Rev. Peter Stryker, Rev. J. Spencer Kennard, Rev. D. A. Cunningham and Rev. Edward Hawes. The treasurer's epert shows a balance of \$239 07 on hand. The Guardians of the Poor held a stated meeting yesterday afternoon. The population of the Almshouse was reported as 3,437, an A resolution requesting Governor Geary to where they waited in expectation of the second, withhold his signature from the bill, for the and, failing to experience it, they quickly rewithhold his signature from the bill, for the reason that the title does not clearly express its character, and because it proposes to take the streets dedicated to public use for private purposes, was adopted.

The only damages turned to their vocations. The only damages were by collisions of vehicles attached to stampeded horses, but nothing otherwise—no broken windows worth mentioning, scarcely broken windows worth mentioning. The Historical Society of Pennsylvania held their monthly meeting at their rooms, Sixth and Adelphi streets, last evening. The libration reported the received file increasion that their monthly meeting at their rooms, Sixth and Adelphi streets, last evening. The libration reported the received file increasion that the first so little impression that th ian reported the receipt of 162 books, 56 pamphlets, and 2 relics, since the last meeting. The secretary announced that the Pennsylania Female Anti-Slavery Society intended to ionate their papers and books to the Historical Society. A motion, made by Charles J. Lucens, that a standing committee of three be appointed on heraldry as adopted by the United ates, and the several States, Territories, etc., -The Coroner's inquest in the case of Patrick Williams, who died from the effects of was really less than one second, and that the examined. Both saw Williams with a pistol, I saw a negro on Montgomery street who abpistol different from the other two. The verlict of the jury was that the said Patrick Wilguishot wounds, received at the hands of Francis McDonald, at the southeast corner of Eleventh and Sansom streets, on the night of April 6th, 1870. The prisoner, Francis McSome one cried out, 'John, you had better' April 6th, 1870. The prisoner, Francis Mc-Donald, was committed for trial. The Philadelphia Society for the Employ- smile from the Chinaman." ment and Instruction of the Poor held its annual meeting yesterday afternoon at the "House of Industry," No. 718 Catharine "House of Industry," No. 718 Catharine street. The report shows that during the past year 2,170 persons were recipients of its hospinary, created by law, is that of which the Sectality; lodgings were furnished to 4,405 per retary of the Navy is the head, and all temsons, and meals to 8,810; 1,960 persons en- porary executive authority can be exercised oyed the use of the baths; 966 received food only by those officers authorized by the Secreverage daily attendance was 120, of which 63 ever exercised their powers in speculative were girls and 57 boys. The baths given thought. "Executive precedence" of juniors numbered 1,342, and 2,091 dinners were in our naval organization is no less odious and ing a deficiency of \$103 09. The following officers and managers were elected to serve the instead of harmonizing, the whole naval maensuing year:—President—David Scull. Vice chinery, is antagonistic to positive rank.

Presidents—John Kelley, Charles J. Rowland.

Yet it seems probable that both will be

Corresponding Secretary—Charles P. Perot.

Treasurer—Wistar Morris. Managers—Israel
H. Johnson, Jeshua L. Bailey, T. Wistar Morris.

H. appears to be on the increase. A number of candidates have presented themselves, subject to the decision of the nominating convention, on the Republican side, all of whom are good and reliable gentlemen. The Democrats are also casting about for a sacrificial candidate, but as yet have not found one who is pecuniarly willing to offer himself on the altar. The contest, however, will be a lively one, as efforts will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation from the country to the Legislature, bit will be more especially made to secure the delegation of the Cannal methagology of the Scholders of the Cannal Mark Theorestory. Dwelling, Mol 2025 sprice street, Also, a mile of the Cannal Three-story. Dwelling, Mol 2025 sprice street, Also, a mile of the Cannal Mark Three-story. Dwelling, Will Three-story. cheared, how which he got with a crew and headed toward the Custom-bourse. But head to word the Custom-bourse was more and the control of the

ski. It appears that this revolutionary society was first established by the student Karakozoff,

they say in their proclamations, "is hatred of all who are not peasants and do not belong to the people. " "We hold that there are no obligations either of morality or of honor towards anyone else. " To be scrupulous about the means of obtaining our objects is mere weakness and folly. Qui veut to fin, reut les moyon." The revolutionary committee describes its plan of action as follows: "We should begin with the millitary commanders, the rich, and the pit to death without ceremony; the second deprived of their wealth; and the third silenced." Next comes a list of the names of men who have been sentenced to death by the committee. Among these are General Adler.

No. 12 onto Warves and First Morth Warves Chester stops at all stations. The First Morth Warves and First Morth Warves Charles and First Morth Warves Charles and First Morth Warves committee. Among these are General Adlerberg, General Trepoff, Count Schouvaloff, and M. Katkoff (editor of the Moscow Gazette.) As for the Emperor and his family, their lives are to be spared, but only for a time. "We will Ho. 118 South Second street, below Cheschutstreet." keep the Czar alive until the day when the liberated peasants shall immolate him on the rains of the Russian State." The "organic statutes" of the society are based to some extent on the writings of John Stuart Mill and other philosophers, but contain many original notions peculiar to the Russian socialists. Thus there are to be no individual or domestic rights; all property and political action is to be vested in the community (obshchestvo). The nation is to be divided into convertible the results of the convertible to the results of the r

somewhere about Alaska. This was some the California and Pacific Rallroad was built she was bought by the Company to ply between San Francisco and Vallejo, and in this capacity, as all know, she is yet employed, Capt. Harding, master. The New World looks as staunch and new as she did years ago. She has been at various times repaired and overhauled, but the engines are the identical ones with which she sailed from New York, nearly twenty years ago. They are low pressure, forty-six inch cylinder and in perfect order. So the man who had them in charge order. So the man who had them in charge order. So the man who had them in charge order. So the man who had them in charge order. So the man who had them in charge or consistency will be a support that the was too modest to tell of the was too modest to tell of

order. So the man who had them in charge told our reporter; but he was too modest to tell his name, though he knew it, no doubt, because "didn't want to get into the papers!"

And that's all we know about the New World. The sight of her provokes reminiscences of the dead past, and evokes recollections of men and things though "lost to sight to memory dear."

THE SOCIALIST CONSPIRACY IN EUSSIA.

An interesting description of the origin and objects of the Russian socialist conspiracy, based on the secret publications of the Conspirators, is published by the Dziennik Poznanski. It appears that this revolutionary society was first established by the student Karakozoff, was first established by the student Karakozoff, This provides the stablished by the student Karakozoff, This provides the stablished by the student Karakozoff, This provides to stablished by the student Karakozoff, This provides the student to student the provides to stablished to student to student the provides to stablished to student to student the provides to student to student the provides to stablished to student the provides to stablished to student to student the provides to stablished to student to student the provides to stablished to student

spirators, is published by the Dziennik Poznarski. It appears that this revolutionary society was first established by the student Karakozoff at first belonged to a similar society known as that of Isbutyn, a young man who spent the whole of his fortune of 40,600 roubles (6,000L) in organizing a revolution against the Government, and was ultimately captured and executed by the police. The active members of the conspiracy (diegrately) profess the socialist doctrines of Herzen, and especially of Bakounin; they approve the insurrections of Pugathefil Pestel, and Ryleieff, but deplois of 10,100 roubles by hatter? and their weakness of cluracter, which the Karakozoffichyki attribute to "the rotten institution of the family," and "obsolete notions of inorality and their weakness of cluracter, which the Karakozoffichyki attribute to "the rotten institution of the family," and "obsolete notions of inorality and their weakness of cluracter, which the Karakozoffichyki attribute to "the rotten institution of the family," and "obsolete notions of inorality and their weakness of cluracter, which the Karakozoffichyki attribute to "the rotten institution of the family," and "obsolete notions of inorality and their weakness of cluracter, which the Karakozoffichyki attribute to "the rotten institution of the family," and "obsolete notions of norality and their weakness of cluracter, which the Karakozoffichyki attribute to "the rotten institution of the family," and "obsolete notions of norality and their weakness of cluracter, which the Karakozoffichyki attribute to "the rotten institution of the family," and "obsolete notions of norality and their weakness of cluracter, which is given by having the proclamations, "is batted to all who are not peasants and do not belong to the people. " " We be toold that these are no obligations either of morality or of honor, towards anyone else........ To be scruptions about the means of obtaining our objects is mere weakness and folly.
