Its publication first called ning to end. It is the first work of the author.

At the Arch Street Theatre, this evening, and Mrs. Hill had been for months attention to Mr. Trollope's ability, which, of a literal, minute and prosaic cast, was recognized as revealing more of life and spirit than the works of more inflated writers. "The Macdermots of Ballycloran," shows an accurate observation of Celtic peculiarities such as had not, at the time it was written, been imported into any Irish novel; of course it closes with a court-scene, and of course, the court-scene is a bit of perfection. We hope lishers, will make haste with the good work of reviging public interest in the early and half-forgotten achievements of the pen-artist who
