 bas been written and said about the Beach Drive now being built at Cape May in spite of considerable opposition among the resident i population, but the outside world does not ex-actly comprehend what it means. It is known that driving upon the strand is injurious to horses who are not accustantic to the total in the total injurious to
 CALLE MAIL, Aprin 10, 1010. A great deal There are a very large number of new cot-tages being built for residents and, strangers. No one can observe the improvementsgoing on at Cape May, and doubt its future às a success-ful watering-place. Henry Carey Lea, Esq. is street, near the beach. Alex. McConnell, Esq., of Ubilidelphia is having one built on Jackson ciety by Mrs. Hele. Traheme's Rose, by Wednesday sound flat and cold. I have grown in the village and the roads in the vicinity were so used to the severe, cartoon-like effect of the so indifferently bad, have prevented many should never care to near that it a church for truly funeral services ; it needs every rich hue May. To supply this great want, and not for of the musical palette that can be given. The private gain, as its enemies assert, was pro-

ALL ABOUT CAPE MAY.

It is the tasmon to say that prustates voice has "gone off." Last winter it sounded a little worn, but this year it has regained all the lost power and freshness. At the Papal chapels power and freshness. At the Papal chapels beautiful than ever. The famous motet and running into Washington street, the main sage. The delivery, or placing of the voice (mise de voix), in Mustafa, sounds as if the vo-cal chords were being played on by a bow. On Wednesday I observed again this pecu-liarity of sound, and it added greatly to the chaste, classic style of the music. Mozart, it is could may the greator of modern dramatic is said, was the creator of modern dramatic conviction. In this strait the influence of the music. It is true, he disliked Glück's declama- railroad company secured, at Trenton, legislations; the poetic feeling is never eclipsed by ments, and placing at their disposal the credit the positive musical one, as in Rossini's. The mysterious history of this Requiem of commission was appointed by the Judge of the The mysterious instory of this requirem of Mozart is in every child's reading-book; but it is not common because familiar. Whenever we listen to the composition, the memory of we listen to the composition, the memory of three first being residents. They receive the strange story creates a peculiar state of no compensation for their services, and are not ductors on the Cape May line. BEACH. feeling in us, just as we feel when we look at permitted to have any pecuniary interest in the Raphael's Transfiguration; and whenever this contracts awarded.
