THE PENNSYLVANIA HOSPITAL." The question of female education in reference to the study of medicine is being once more brought prominently before the community. It will be remembered that the medical profession of Philadelphia was greatly excited, last winter, by the appearance of a number of female students at the clinics of ] the Pennsylvania Hospital, where their presthe class. The sense of the community was strongly arrayed against these unmanly demonstrations, and the whole subject of female medical education was warmly and extensively

and common sense.

This verdict has been fully recognized by the Board of Managers of the Pennsylvania ave hitherto enjoyed at that excellent inis to be determined at the annual meeting on Konday next.

fied, dispassionate and proper manner, upon its own abstract merits, and apart from the influences of professional prejudice. The Board of Managers, of course, need no personal vindication-in a community which recognizes them Their individual devotion of time and labor at all.

present managers have always done.

What will the Hospital do about the female rives. students of medicine? There are three courses to pursue : Exclusion, Indiscriminate Admis- the ex-Queen of Naples, is dead. The career GRIFFITH & PAGE'S, 1004 Arch Street sion, and Separation. Whichever of these may of this little sprig of royalty in exile has been a be preferred by the contributors, the Board of Managers, being composed of honorable gentle- ten vears without having any children. When men, will execute in good faith. Public senti- its coming was announced, there was great joy ment, which is apt to be nearly right on such questions as these, is undoubtedly in favor of Queen was a devout daughter of the church, the Separate System. No action of the con-its benedictions were given in advance, Pope from studying medicine; and no combination of physicians can prevent them from prac-ticing medicine, if the people choose to employ them. The Exclusion System world fallibility. But his Holiness, all the same, best method of teaching women measures The Indiscriminate System, which assumes that Science has no sex, and which throws the clinic open without restriction to young men and women promiscuously, has been almost

So far as the Hospital can be incidentally used | when it was christened by the Pope. for the benefit of the science of medicine, it should undoubtedly be done. But the con-

which has always had a large balance of obligation to its own credit.

We trust that the contributors will generally this vexed question will be settled with harmony, courtesy and good sense.

FITZPATRICK AND THE FENIANS. It is a peculiar characteristic of the Fenians that when they are about to undertake any "grand movement" for the success of which "strictest secrecy" is required, they always begin by publishing full details in the newspapers, In a conversation with a reporter of one of the seemly behaviour on the part of a portion of morning papers, a Fenian in this city, with the astonishing signature of Lieutenant-Colonel Rudolph Fitzpatrick, Assistant Adjutant-Gene-formed for the first time in this city at Mr. ral of the Fenian Brotherhood and Acting Se- Thunder's concert this evening, was originally cretary of War, gave a full account of the pro- given at a musical soirée at the salon of the posed plan of the attack on Canada.
