BUSINESS NOTICES.

### Monday, May 2, 1870. THE CIVIL SERVICE.

The Civil Service bill of Mr. Jenckes, with perhaps some modifications made in commit- ) tinuation of the same wasteful tacties. tee, will probably be reported to the House of Representatives to-morrow. Although little

soon be discovered and rectified. A CHANCE FOR BEFORMATION. to-night Republican primary meeting the medical corps of the navy with suitably edu- forty and fifty patients pay nothing, and about will be held for the purpose of organ- cated and professionally qualified officers, with- one hundred pay nominal sums, much below ization. There is no doubt that the out conferring upon them any rank in naval or- the cost of their maintenance and treatment. WHAT ARE THEY? wretched political hacks to whose efforts we ganizations. Or it may be proposed merely as In a communication so ably written, with owe the character of the last Legislature and a parliamentary dodge to head off Mr. Stevens's the view of defending the Pennsylvania Hosits immediate predecessors, will be on hand uill "to regulate rank in the navy." Be this pital from what the author deems the dangerwith schemes for obtaining control of the con- as it may, Mr. Anthony's project is worthy the ous tendencies of the woman movement, the ventions, so that they may send their corrupt attention of "The American Medical Associa- allusion to one of its most important departfriends to Harrisburg next winter. We call tion," which holds its session in Washington, ments as "the Kirkbride institution," coupled upon the respectable citizens of the Wards to D. C., May 3d. This Association was insti- with the suggestion already referred to, seems attend these meetings and to oppose with all tuted and held its first annual session in this inconsistent with the general drift and tenor of their might the machinations of these enemies city in 1847 for the purpose of improving media the writer's purpose, and has a tendency to do of the public welfare. A sturdy blow struck cal education, and thus elevating the profession some injustice to the excellent Board of Manato-night in the interests of the honest men of the in the United States. The system of examina- vers and to the Pennsylvania Hospital, which community will be worth all the entreaty and tion instituted by the Government, about the can scarcely have been intentional on the part remonstrance and protest that can be offered | year 1824, in order to secure properly qualified | of the writer. in public or private when the conventions, of men for the army and navy medical, corps, has which these tricksters will try to secure the always been regarded by the Association with mastery, have done their work. The terrible favor, as a means of checking the practice of the last authority among the London newsinjury inflicted upon the State by rascally le-too many schools in bestowing their diplomas papers upon American affairs; and yet it congislation is chargeable, entirely to the indiffer- without sufficiently discriminating the qualiti- stantly makes blunders which are ridiculous, ence which has been exhibited by respectable citizens to such meetings as those that will be held this evening. If we want reform and ade-quate protection for our life and property, the crespected as evidence of professional qualificaquate protection for our life and property, the respected as evidence of professional qualifica- "it is now impossible to find an American who easiest way to secure such results will be to tion. control the machinery of the party from its

very first movement. But even if the tools of the corrupt politicians succeed in using these meetings and the subsequent delegate elections and conventions of this Society may truly rejoice. As an orin the interest of the clique, they will not win the ultimate victory. The people are utterly determined that neither the men who betrayed been fulfilled. After a long career of faithful is reasonable for us to assert that nobody them last winter nor any others of the same bad character shall go to Harrisburg agam; and we give these persons notice that the On May 5th, in the large hall of the Assembly people and the respectable press will not support a ticket of this making simply because it the occasion will be one of deep and solemin claims to represent the wish of the Republican party. We repudiate entirely the assertions of the Press this morning that "No good Repub-tomed to assemble together time after lican takes issue with his party after his party's time, will be deeply impressed with nominations have been made," and that, "When the ticket is formed, good faith de-will be tempered by the realization that they of No. 712 Arch street, a new photograph o mands that it shall be cordially supported by all Republicaus; and he who takes will part then to meet no more under the austic the Capitol Building at Washington, just taken by him. The plate is about 151x201 inches ground against it, does so clearly in the pice of the time-honored Society. But then by him. The plate is about 151x201 inches, it to need to here the last the by him. interest of the Democracy." The exultation over the last great victory of equal industry in the exultation over the last great victory of equal is about 151x201 inches, mounted with a liberal margin, and represents the architectural details in beautiful clearness. A brilliant sky with floating allocations of the instice of the instite of the instice of the instite man who votes to place in positions of trust and responsibility a lot of dishonest and incompetent men, simply because they have secured by chicanery and fraud, or other means, places upon his party ticket is unworthy means, places upon his party ticket is unworthy fication in view of the successful issue of the to exercise the privileges of citizenship. He degrades himself to the level of his candidates and deserves all the ills that can be heaped upon him by legislation that is bought and sold. If persons with bad records are nominated in this sion. city they will be repudiated from the day the Before to-day's BULLETIN meets the eyes of ticket is made; and care will be taken that re- many of our readers, the contributors to the ENTIRE COLLECTION OF PAINTINGS. spectable and honorable men shall be presented. Pennsylvania Hospital will probably have defor the franchises of those who are determined | termined the question of the admission of to purify our local politics. It will be better to women to the instruction of that venerable inmake this violent remedy unnecessary; but it stitution. To many others, however, there is will certainly be applied if the evil is to be time to present this caution against confusion cured. It might as well be understood by the of ideas upon this important subject. It is not hack politicians that the day of blind obedience of vital importance that any particular thirty to the behests of those who chance to obtain or forty women shall attend a clinical lecture control of the party nominations is passed for- | at a particular hospital. Sick people will die just ever. The people hereafter will exercise their as fast, even if the students of the Female independent judgments in criticizing the merits | Medical College are not added to the audiences of candidates; and the influential press will of the Hospital lecture-room. But it is imporencourage them in the effort.

#### -----WELL DONE.

serves great credit.

the Tariff bill, in Committee of the Whole, Mr. broom of professional prejudice, or traditional Judd introduced a motion to postpone "all conservatism. special orders" until the general calendar was Should the contributors of the Hospital disposed of, and upon this motion General determine upon an arbitrary exclusion of Schenck fought and won a decided and im- women from the benefits of all clinical instrucportant victory. ### FROM HARRISBURG.

[Special Despatch to the Phila. Evening Balletin.] General Iruin Assumes the Duties of Bis Office. HARRISBURG, May 2 .-- General W. W Irwin to-day assumed his duties as the new State Treasurer. His principal appointees are: Cashier, M. H. Taggart, of Lancister; Afsistant Cashier, Captain W. B. Hart, of Montgemery; Bookkeeper, Joseph Brown, a ope-armed soldier of the war of 1812, of Craw ford county. Brewning Case.

John Creeting, an escaped lunatic from Dr. Curwin's Asylum, was found drowned in Susquehanna river, near Dauphin, and wa buried yesterday.

### FROM NEW YORK.

[By the American Press Association.] The McFarland Irial. NEW YORK, May 2.- The McFarland tri from New York, n Richmond, via s from New York, creates great interest this morning, on account of the expected testimony of a number of in-portant witnesses. The Court was literally crammed long before 11 o'clock, with ladies, s from Boston, in appeared precisely at 11 o'clock and the profrom Portland, | ceedings commenced. Mr. Graham conversed Luther Horlin was the first witness. He ayraa, Del. with testified that he had seen the prisoner intoxi-cated early in the day; he couldn't walk; took

days from Mil- him Lome in a coach. Question-How did you come to take him

Baltimore, with a he talked well enough. Trom Cardenas, Cross-examined—I made a deposition in the habeas corpus proceedings, at the time I was a

would shoot Richardson on sight, because the latter bad taken his wife away.

antia 5th Jan. at Buenos Ayros Mr. Myerson testified that the prisoner Mr. Myerson testified that the prisoner cleared at Boston came to his house at Woodside and asked if Richardson's property was for sale, and went on asking me about Richardson's movements; rdam 15th ultimo he didn't appear excited, and was quite ra-tional; I told him Richardson had gone to Ayres, at Boston Kansas; prisoner didn't tell me who he was. To Mr. Graham—Don't know that E. went m Providence for the Kansas; was told so; saw R. two day, be-from Chibarien, fore Thanksgiving; he went away in July; have seen a female who has taken his name;

was at Calbarien sold R.'s house for \$9,000; he took possession Wilmington, NC. April 2; Danny was there a mouth ago; bê is understood to be McFarland's son; I asked his name; be said it was Danny Fage; when Richardson bought the house he said he was a widower; didn't say what he bought the , all for this port, house for, nee at Providence J. G. Merriam sworn-He is a lawyer and teading BR No 47, knows the prisoner; met him two days be-fore the shooting; he appeared rational; I

eston 29th had a claim against him in 1860. oridence for this which was objected to. Coursel proposed to show, in rebuttal of the evidence showing that Mrs. McFarland left the prisoner when he was poor, that the prisoner possessed not one fout of real estate a back as 1860. The objection was over-

> Witness resumed-I attached property in Queen's county and a boat in Jersey; the Greenwich street property was sold and bought in by the mortgagee; the Queen's county property was worth only \$200. "Brick" Pomeroy testified that he knew the prisoner; while the Presidential canvass was bending in 1868 saw him at my office. called on me and wished me to purchase cer-tain letters in his possession to publish in my

naper. He informed me that the letters contained a full report of the debauchery of his wife by Richardson; he stated that Greeley and wife by Richardson; he stated that Group, and others in the Tribune were running a free | that he multishing the ove establishment; that by publishing the tests a sensation would be made, making him even with Greelev for what he said about the prisoner; he thought the letters, were worth about \$160; he said Richardson had won the affections of his wife, and it would be a good chance to show up the Tri-bune; I didn't lead the letters and said I didn't care to publish them or purchase them; I said whatever I had against Greeley dan't extend to his reporters, who were all very much alike; I. declined to negotiate for the letters; he continued to press me, and I again refused to purchase them; told him I thought the man who made the pur-chase was no better than he who proposed a narket for reflections on his wife: Mc-Failand then put the letters in his pocket and went out, thus ending the most singular interview i ever had in the whole

ourse of my life. His conduct was like that f a person visiting me to tell news. I noticed no undue excitement. He seemed anx ious to dispose of the manuscripts. » To Mr. Graham.— I knew I was to be a witness about forty minutes ago; I was ques-tioned about the aforesaid negotiations on Saturday; have not mentioned the facts until

some two or three weeks since. Question,--Is, not such an interview as this considered confidential in your business? Answer--Not unless the person asks it; I cau't say what the letters were; Mrs. Calhonn's name was the only one mentioned; saw he had a small nacket of letters; never should have taken McFarland for a temperate man. Music in Central Park. The new Central Park Commissioners have
