FOREIGN CORRESPONDENCE

LETTER FROM ROME.

A Protesiant Lady's Account of Some of the Second Observed Communication (Communication) and the South Will. Guesses and the far Western Territories, I am willing the form of Coasional Correspondent.

Rome, Thursday, April Lighty 1670.—Day before yesterday I went first to our own church, just outside the Porto del Popolo, but they can greation was not large, as the strangers here, who form a large portion of this American Pro-

the past few days, or saving their strength for tion at what we had seen; so on we started again, and heard the Miserere once more. what is to come.

After church we called for Mrs. B., who is,

Then the altar was all stripped and washed with the blank of her own citizens three hundred for Mrs. B., who is,

The blanks and cannot reaching in pro-After church we called for Mrs. B., who is, as you know, a Roman Catholic, and went over to St. Peter's for the Miserere. Some portions were very good, but as a whole it was disappointing. The church is too large, and disappointing. The church is too large, and for its supplement with Anthony Trollope's story of "Ralph, the Heir," and Karl Bodmer's pictures printed in rich of finely-curled wood—a kind of mop. Then disappointing. The church is too large, and some cannot supplement with Anthony Trollope's story of "Ralph, the Heir," building railroads within her boundaries. By means of this enterprise she now has five thousand miles of iron and steel rails traversing different parts of the State. I am ready to disappointing. The church is too large, and

impressed.

I can't say that I like Holy Week in Rome and social republic, the members of which are been educated in a State which embarked been educated by the state which embarked been educated by the state which embarked been educated by the s a piece of the True Cross; then the Handkerchief of St. Veronica, and then a Spear. All of
these were in silver cases, and sparkled brilthese were in silver cases, and sparkled brilhantly. At the sight of them the faithful crowding, and hurrying and fatigue, you never

before we could tear ourselves from the wonderful doings.

After a part of a dinner we went around for Mrs. B. again, and she took us to see the Feet Washing. It was certainly a curious sight for an American, and one that gives rise to various emotions according as we look upon it. Asyon may think-of-ib-differently from mel. Two with trying to say what I thought, but content myself with trying to say what I state.

We were first shown into a room, where, inside of a railing, four long tables were laid. The tables were covered with cloths, and on them were pitchers of wine and large bowls for drinking plates of salad, an orange for each person, a dish of mearouni, a plate of stewed meat and a piece of cheese, with bread, . We passed through this room and found ourselves in a perfect jam of women, none of the made sex being allowed in this part of the will be good to be a sessence of one thousand and tonly printed books. The publishers, in a long through the room and found ourselves in a perfect jam of women, none of the made sex being allowed in this part of the world.

**American, and one that gives rise to various emotions according as we look upon it. As you may think-of-ib-differently from med. The present one has this graceful inscription to an according a well-be made and marable entrepreneur: "To my the tribute and the present one has this graceful inscription to an according as we look upon it. As you may think-of-ib-differently from med. The present one has the graceful inscription to an according as we look upon it. As the present one has this graceful inscription to an acute and admirable entrepreneur: "To my the feet and of the Procure of the High Court. In the trial and dimension that the present one has the graceful inscription to an acute and admirable entrepreneur: "To my the feet and the present one has the graceful inscription to an acute and admirable entrepreneur: "To my the feet and the present on the feet an sex being allowed in this part of the building. forty printed books. The publishers, in a Emperor. modest address, remind us of the peculiar ex- A letter is published from Flourens t

The gether in any work, or indeed in all previous dence of the existence of the conspiracy. and the rustle of the moving dresses. The publications.

ladies looked very smiling, and proud of 3. The most valuable feature of the work is Flourens, which was found on Beauri when the distinction accorded them; but the poor, now to be mentioned. Compilers of manuals tired pilgrims seemed very much abashed, or of literature have generally fallen into the great Very Dear Friend: I have duly reperhaps more correctly, ashamed. The pilgrims were reated on the high bench, and their
dirty stockings and shoes were taken off, and
then at a signal the waching commenced. The then, at a signal, the washing commenced—the generally neither ask nor care what such views with my Christian name; but I hope we shall Cardinal chanting with all his might, and the may be. This capital error is avoided in the have to wait long, and next week we shall

ladies and pilgrims responding as well as the present work. The author occasionally venawkwardness of the situation would permit. I
ought to have told you that the pilgrims must
walk sixty miles, and bring certificates that walk sixty miles, and bring certificates that they have done so, or they cannot have their feet washed. R., who saw the thing better than I did, says that it was a bona fide washincreased from the student of literary history. For instance, able criticisms | 400f. are received. There is not a moment to ing; and you would have thought the feet upon the speeches and literary productions of needed a little water, if you had seen them, Edmund Burke have been written or spoken the country, and all will be delayed, but you by such men as Cazales, Charles James Fox, will succeed. I reckon upon you and your Wilberforce, the Duke De Levis, Gerard Ham- cab. Take care of the money, and don't be

repeat what I have already said to you. Either had been hungry for a long time. After they in latter times by Lord Brougham, Lord John | you ought not to have had anything to d had finished, the Cardinal announced that the Russell, Sir Robert Peel, Mr. Macaulay, and with it or you must be successful. ladies were expected to march with these pil-grims to St. Peter's the next afternoon, which Northern Pacific Railroad. to procure, and troublesome to examine. In During the debate in the House of Representives, yesterday, Mr. Ela, of New Hampshire Mrs. B., met a friend of hers, the Countess—, who offered to take us to see the lodgings prepared for the foot-sore guests. As soon as the pared for the foot-sore guests. The foot-sore guests are for the foot-sore guests are for the foot-sore guests. The footpilgrims left the table, they marched in to bed, of a copious index of subjects, so that the inthe ladies chanting and conducting them. We quite can find at a glance all the authors of had not the gentleman from New Hampshire went after them, and saw the nice, white, soft beds, which are made over, the Countess said, every year. A young priest said prayers, and we went away.

The ladies chanting and conducting them. We full an are made at a game at a game and at a game and a game and a data of the gentteman from New Hampshire (Mr. Ela) referred by name to a Philadelphian of great distinction; a citizen whom everybody authors' names alphabetically arranged; and of unquestionable integrity. I refer to Mr. Jay Cooke, the head of the firm of Jay Cooke I-forgot to say that the ladies were all of the thes of his work or works, and probably an es- & Co., and what I have said of him I can say of

not allowed to wash the feet; she was not considered good enough; and she poured forth regrets that saddened while they amused me.

-Yesterday we went over to St. Peter's in The morning. We hoped to go up into the marked, about 43,000 separate articles, and in supper-room, but could not manage it, as we could not find our friend with the permit who had made the appointment with us. So we went back into the course the Covernment will contain: I. Thomas Tyler's Tombout the Covernment will contain: I. Thomas Tyler's Tombout the Covernment of the marked great and important service to the Government, for which they were paid.

But every dollar of subscription obtained through their means went into the collers of the Government, and not one dollar of it went to their pockets excepting such amounts as they were entitled to in the way of commissions.

The June number of Lappincort's Magazine will contain: I. Thomas Tyler's Tombout the Covernment of the provided and important service to the Government, for which they were paid.

But every dollar of subscription obtained through their means went into the collers of the Government, and not one dollar of it went the collers of the Government, and not one dollar of it went the college, and in the way of commissions.

But every dollar of subscription obtained through their means went into the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the colleges of the Government, and not one dollar of it went the Government, and not one dollar of it went the Government and important serv

WBB, Secretary.

WBB, Secretary. yeas 26, nays 21,—and the Legislative Appro oriation bill taken up, pending which the Senate adjourned.
In the House of Representatives the Senate bill authorizing the Northern Pacific Railway Company to issue bonds was discussed. My Hawley proposed an amendment requiring all the land grants to be sold only to actual settlers at a price not exceeding \$2 50 per acre, THE COUNTY FIRE INSURANCE COMand quantity not greater than one hundred PANY, Office, No. 118 South Fourth street, bel and sixty acres to each person. After consider-Cheatant.
"The Fire Insurance Company of the County of Phila-telphia." Incorporated by the Legislature of Pennsylva-uia in 1839, for indemnity against loss or damage by fire, able discussion the previous question was seconded—yeas 78, nays 59—excluding all orderively CHARTER PERPETUAL.

This old and reliable institution, with ample capital and contingent fund carefully invested, continues to institution of the continues of the co amendments, but the opposition "filibustere so as to prevent a vote being taken, and the House adjourned until Monday next without TMPORTATIONS.

Reported for the Philadelphia Evening Bulletin.

Also, the wood, cut for coaling, estimated at 31,000 cords.

The foregoing properties will be sold in one parcel or lot, subject to the payment of the mortgages now existing against the property.
One of them bearing date Feb. 1, 1867, given to Wistar Morris, James T. Young and Enoch Lewis, in trust. tar Morris, Tames T. Young and Enoch Lewis; in trust to secure bonds of the company, payable on the 1st February, 1887, with interest thereon, at open cont, per annum, payable semi-annually on the list days of August and February. The principal of which debt is \$500,000, and on above interest was paid up to the first day of February, 1899. The other mortgage is dat-d December 1, 1888, held by Henry Winsor, Wistar Morris and E. O. Biddle, in trust to secure bonds of the company, payable on the first day of December, 1883, with interest thereon at 6 per cent, per annum, payable semi-annually, on the first days of June and December, on this there is due for principal, \$300,000, with interest from Dec. 1:1889.

But the pnychasers will be at libuty to insert a clause. 000, with interest from Dec. 1, 1809.

But the pinchasers will be at liberty to insert a clause. In their deed excluding any personal liability for the debts thus secured, and agreeing to no more than a recognition that such mortgages exists and are liens. The purchasers will be required to pay, in addition to the amount of their bid, the debt due for wood leave (about \$2,000), and the amount due by the assignees or paid by them for cutting wood, now lying on the property, preparing for coaling, about \$12,000. he Assignoss propose to sell at the same time and The Assignose propose to scil at the same time and place:
The property known as the Yoder Farm, in Brown township; Mifflin county, containing 183 acres 124; perches, composed of two tracts, as follows:
Heginning at stone in road, thence by land of John D.
Barr, north 53 deg. cast, 102 5-10 perches to stone; thence by land of Joseph B. Zook, north 444 deg. west, 202 3-10 perches, to stone; thence by land of John Hooley, south 167; deg. west 102 1-10 perches, to stone; thence south 144; deg. east, 109 6-10 perches, to the place of beginning—containing one hundred and twenty-five acres and twenty perches, net measure.
