## NEW PUBLICATIONS.

ginning:

## "Speak gently ! it is better far To rule by love, than fear,"

peem, also widely popular, commences:

"Childhood, sweet and sunny childhood!" Mr. Bates's talent was strong and true so To his honor it may be said that he never transgressed the lines marked out for him by the boundaries of a tender and thoughtful temperament, and accordingly his collected works are a sweet, pure and musical rebuke to the spasmodic poetry of the day. A short biography, prefaced, gives the story of an industrious and true but uneventful life and the editing of the poems, as well as typographical matters, is in the most perfect taste.

"The Records of Living Officers of the United States Navy and Marine Corps," compiled by Lewis R. Hamersly, is a useful book of naval statistics. At a glance the consulter can find the history of any officer on any one of the vessels composing our marine service. Short biographies of our admirals, commodores, captains, commanders and lieutenants are given, with their public history minutely narrated. The life, for instance, of the gallant and noble commander of the Oneida, Edward P. Williams, is particularized on page 114, with his services on the African and Brazilian eoasts, his war-record, and the appointment in 1869 to his last ill-fated command. Fifty pages at the close of the book are given to a brief history of the Federal naval operations during the vessels engaged in putting down that insurthe rebellion, supplemented by a complete list of rection, with their officers down to the boatthe viscal strain of real provided from official sources. The form is a pression, in which we find a strain of real poetry: neat\_calf-bound octavo\_of\_350 pages. -Pub- poetry: lished by J. B. Lippincott & Co.

Littell & Gay have a chronic habit, which we are only too glad to believe inveterate, of we are only too glad to believe inveterate, of the minimum of the blow, Each day adds to its lingering fear Deep pains that none can know. collecting into separate pamphlets the serial Speed on, speed on-the whirlwind's wrath works selected for the Living Age.

A little before Christmas they issued, in a handsome brochure, Mrs. Oliphant's "Histori- Bear down the reed, oh ! rushing tide, cal Sketches," a work which we think has not reached its full vogue in this city simply because our booksellers have not adequately pro-Sketches to the great names of English history under George II., Pope, Walpole, shoulder: Lady Montagu, Queen Caroline, Wesley, and several others; and such a portrait gallery has certainly not been vainted since Thackeray's higher. By all means let our readers acquire this little-noticed collection .- Our publishers now issue in one pamphlet two tales recently he hails his "favorite nags, so swift and strong," found attractive in the Living Age, "Clemence personally and by name ; and then, in the acand "Clelia; from Family Papers." These are I can teach you how to live !" exclaims the excellent stories, only to be found in English, epicure, and finally, in a sudden and natural rein their present form ; they were translated expressly for the publishers, the first from the "Oh, I can teach you how to live !--French, and " Clelia " from the German of A. Niels.

tistic character of many parts of the "Pil- one of which we observe the appended initials tistic character of many parts of the "Pil-grim," now 'exhibiting at Concert Hall. A diorama partially painted by artists like Hart and Nehlig cannot be commonplace. A beautiful English edition of Bunyan's "Pilgrim's Progress "—that of Cassell, Petter & Galpin— has been sent us by the conductor of that ex-hibition; it is in octavo, on tinted paper, with highly artistic designs. We shall enjoy turn-ing over the handsome leaves of this fine inexperience hibition; it is in octavo, on tinted paper, with the more ready to discover their real originality, ing over the handsome leaves of this fine inexperience. standard, associated with the memory of an artistic and blameless exhibition."

Roberts Brothers, of Boston, publish a translation by Ellen Frothingham, in English hex- been trimmed too narrow. This error has deameter, of the best of Goethe's shorter works, prived Mr. Sartain's engraving of the margin the "Hermann and Dorothea." Miss Frothingham's treatment of hexameter lends itself exloveliest of love-poems is by it made accessible the writer. to English readers and talkers. It is a simple and exquisite story of burgher life in Germany. The lovers are separated by not quite so many social grades as were Cophetua and the beggar-maid, but still the simple and trustful Dorothea is allowed to enter her lover's household on the menial understanding that she is to he a servant; after which the honor of a betrothal naturally raises her into the most refreshing state of delight .- The printing and cover are in unusually good taste. Received from Porter & Coates.

"Casimir Maremma" is a novel by Arthur Helps, Clerk of the Queen's Privy Council and author of "Realmah" and "Friends in Council." Like the former, it is a novel buried mirable conversations. The old "Friends" of the "Council" listen again to a romance from the pen of Milworten wheat to a romance from the pen of Milverton, who this time de-

A State of the second second

Whi e-who has lent his brain and hand so The poems of the late David Bates have long to the task of assuaging human pain-has been collected by his son, Stockton Bates, and been known to a few of his intimate friends as issued in attractive form in this city. The a courtier of the Muse on the sly. Being now deceased poet having acquired a most enviable turned of fifty (it is his own boast in one of the reputation as a writer of singularly winning, poems now to be reviewed, or we should neither heart-full and manly verses dispersed in a believe it nor dare to utter it) he has determined multitude of American, journals, it has been to collect his fugitive sighs and musical plaints indiciously thought a suitable time to give them for the benefit of his personal acquaintances: the book form which their literary rank de- The collection has been shaped into worthy, serves. Mr. Bates was author of the lines be- form, and printed, but not published, or published only by subscription. Many of those who know the glorious doctor will be astonished at the relatively high quality of these metrical efwhich are familiar in every American and fusions. Most of them betray the hand ac-English house hold, and which have gone enstomed to heavier tools than the quill, but around the world in the European languages. there is hardly a versicle which does not pro-The gift of finding just the right, the universal | claim that, with the littérateur's strict attenpopular language for the tender sentiments of tion to expression, the ideas here confamily life, is a very rare one; these sweet lines tained could have been moulded into are the solace and the motive of many whose permanent adornments to literature. The ears have never been reached by a line from poems are all of the kind known as occasional, Fennyson, or Browning, or Arnold. Another and all struck out apparently at a blow. They all have something to say; and, although there is not one which a literary expert could not improve in technical expression, there is ever long as he kept it to the expression of love of something pithy and practical, the fruit of exnature, of family feeling, of purity and virtue. perience and acute observation, to reward or amuse or stimulate the reader. Some, as "Man is not a Machine" and "Ground Over," have a peculiar shrewd wisdom, the proverbial philosophy of an observant and practical man; others, as "The Hominy Man," and "Footprints on the Sand," are bits of philosophy or morals pointed by an anecdote-are in fact, in a metrical form, after-dinner stories such as in a prose shape the Dr. retails so capitally several have a nervous strength and directness of expression that reminds the reader of Dr. Franklin or Dean Swift-as the following on the invisible laboratory of Time: "Man cannot work without a tcol:

Our comfortable citizen, Dr. J. DeHaven

'he child can't learn but by a school; Man makes no change except by laws hat come directly from a cause he chisel sharp the sculptor holds. o trace the lines of all he moulds; for every line of beauty fair The pencil or the chisel's there ot so with Time-he has no tool:

Not so with Time-he has no sch e makes his lines both deep and bold, has no hand his tools to hold he furrows deep upon the brow ach one can see, but knows not how

Time has sealed by his endeavor To make his furrows last forever."

THE REED.

The mind revolts from its sad fate Is nothing now to me, I've lived through all that man can know, And now I feel I'm free.

The reeds will sigh no more.

cause our booksellers have not adequately pro-vided themselves with and advertised it.
