official journal published the form of words in which it is submitted to the national vote; on Sunday, as is usual on such occasions, the roclamation of the Emperor to the French people on the same subject appeared; and yesterday the Ministers, in their turn, put forth circular or manifesto, addressed to all the [ In the chapter preceding this was set for functionaries of the Empire, to stir up their | how certain shrouded skeletons came mystezeal and solicit their co-operation. riously-marching past my door after midnight, zeal and solicit their co-operation. There is nothing very particular to remark in fins, and such like property with them, and how any of these official publications. They are all one sat down by me to rest (having also his pretty much what might be expected under tombstone with him, and dragging after him the circumst nees which have preceded and his worm-eaten cofin by a string), and comthe circumst necessary. They are also in accordance with the way in which such things are "managed" in France. First comes the "Yes, friend," said the poor skeleton, " the form of the Plebiscite, against which, perhaps, facts are just as I have given them to you. there is not much to be objected, except as Two of these old graveyards—the one that I there is not much to be objected, except as regards one particular. The decree which an-nonnees it says that the French people are

the following proposition : made in the Constitution since 1860, by the ruinous to property, We have got to move all, and who still move and warm a rigid pos-Emperor, with the co-operation of the great or be content to see our effects wasted away terity. In our prosaic days, where events are odies of the State. . . .

Now, so far there is nothing to be said ; the Plebiscite is unobjectionable in form, and lib-Plebiscite is unobjectionable in form, and lib-erals of all shades can have no hesitation in do not refer to people who come in a pine box erals of all shades can have no hesitation in do not refer to people who come in a pine box background of contemporaneous history. Her was life in it; and in this he has succeeded. In voting "yes" upon such a proposition as the mounted on an express wagan, but I am talk- entire life sceme to have been made to set forth above But then comes the following words:

ean support and vote for freely. But to pratify" and swallow the whole Senatus Con-sultum, containing the very dispositions on which we have split with the Cabinet, and in (Count Daru and M. Buffet) have with the volume set is no son, and the you may see him sitting on the the volume set is no son, and the son and the son sultum, containing the very dispositions on which we have split with the Cabinet, and in the volume set is no son, and the very dispositions on the volume set is no son, and the very dispositions on which we have split with the Cabinet, and in the very dispositions on the very disposition of the very dispositions on the very disposition of the very dispositions on the very disposition of the very dispositio (Gount Daru and M. Buffet) have with from it, is a very different thing. Moreover, we have been told over and over again, they say—and Ministers have said the saded, especially if he had hard good after he is dead, especially if he had hard good after he is dead, especially if he had hard good after he is dead, especially if he had hard good after he is dead, especially if he had hard is are theng-that the people are only appealed in and to the Constitution which they voted in 1851, and which required to be "ratified" by them. Why, then, ask them to " ratify" any-thing but these "changes and additions," which more unfortunate occasion for its display has more unfortunate occasion for its display has not occurred since we became a nation. To see the bereaved wife of the che hard is on world of its later who had done nothing but be born. Who had done nothing but be born. Who had done nothing but these "changes and additions," which in and to the Constitution which they voted in the doors of the them. Why, then, ask them to " ratify" any-thing but these "changes and additions," which more unfortunate occasion for its display has monarchy, the three nore that the people are only appealed in and to the Constitution which they voted in the doors of the constitution which they voted in the doors of the constitution which required to be "ratified" by then, ask them to " ratify" any-thing but these "changes and additions," which more und which is any change be and additions, which the doors of the constitution and by I noticed that whenever an old friend of the nore and which in any case bore no relation to the and by I noticed that whenever an old friend of the nore and which in any case bore no relation to the and fidelity of ber deceased husband, is a piti-and the additions. we can all alike accept and vote for?

The Marquis d'Audelarre, the Chairman of the railing and pull a long face and read along the Committee of the Left Centre, and the down till he came to that, and then he would the Committee of the Left Centre, and the same who wailed upon the Emperor and tried to purshade him to give up his permanent right of "appealing to the people," has written and published, a very sensible letter on the above published a very sensible letter on the above subject. It is remarkable and worthy of notice on account of the facts and incidents which it mentions. M. d'Audelarre says that he met M. Ollivier, by accident, the previous day, as he was coming out of the Corns Legis. day, as he was coming out of the Corps Legis-latif, and stated to him the objections felt by Injun-I am on the most familiar terms the Chevalier de Mesnard, entered into a closet Latif, and stated to him the objections fet by himself and others to the form of the Ple-biscite on the grounds I have mentioned. M. Ollivier thereupon told him that he You would admire him. He is the most dis-the state of the chevalier of the chevalier of the chevalier of the office of the Northern Pacific Railroad You would admire him. He is the most dis-the state of the chevalier of the chevalier of the office of the Northern Pacific Railroad You would admire him. He is the most dis-the state of the chevalier of the chevalier of the office of the Northern Pacific Railroad took off tiles from the roof, Company, No. 120-BROADWAY, corner.of was mistaken in his interpretation of the words in question, and that the "ratification of the Senatus Consultum," spoken of in the Plebis. Senatus Consultum," spoken of in the Plebis-cite, means only the "ratification" of the a cheery screech like raking a nail across a "changes and additions" mentioned in its forty-fifth and last article, and which alone are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of that article, "submitted to are, by the terms of the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of that article, "submitted to are by the terms of the terms are, by the terms of that article, "submitted to the approbation of the people." The present vote, M. Ollivier said, in his opinion, had no reference either to the questions of the the apprediate to the questions of the the people or the construction of the result of right of appeal to the people or the -the patty that occupied the grave who sold the princess), which burn like red-hot ture. Proposals may be for the work in detail, dynasty; and this opinion he authorized next to znine remembers it well. Now do you iron, says: "and Judas indignantly would or by the mile. M. d'Audelarre to make public. Now, this see th'at individual going along with a piece of spurn thy hand;" all parties protested with them The said Company will also receive pr M. d'Audelarre to make public. Now, this statement is, no doubt, very important. iow his knee gone, and not a thing in the world upon a sister, to use the kingly ber cross-ties, and for the iron rails, spikes But still M. d'Audelarre begs hard that the form on? That is Barstow Dalhouse, and next to term. ' of the Plebiscite may be put in conformity Columbus Jones he was the most sumptuously in her last days the Duchess of Berri sub-with the above declaration, and the people be with the above declaration, and the people be asked only to "ratify" the "changes and addi-tions" in question. I do not know whether the tions " in question. I do not know whether the thands of our descendants. They open new hands of our descendants. They open new hands of our descendants. They open new concession will be made. But the point, as you names of our descendants. They open new sen decorated. In 1831 spe had married ing to the blank Wednesday, May 4th, 1870, at cemeteries, but they leave us to oar ignomiay. will see, is very important, and if yielded would rally the whole Left Centre once more to the anything that is about us or belongs to us. Cabinet; for they do not object to the day it was a piece of furniture that would have the Duchess still held her heroic bearing. For be seen, and the time allowed for completion "permanent right of appeal" by the Emperor being again consecrated and re-confirmed by voting de noro the 13th and 46th Articles of the Consultum. And if this is "not intended," the consultum. And if this is "not intended," the consultum to the the consulture of the most dimensional to the construction of the construction of

The Emperor's Proclamation is generally re-garded as rather tame. And it could, indeed, hardly be otherwise, seeing that he has now so often repeated the same things. We have all there is a hind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if so is a kind of sweet thing in its way, if so is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet thing in its way, if sheet is a kind of sweet the same things. We have all there is nothing mean about me. Good by, of the first marriage of the King Francis I. of the Two Sicilies with the Archduches Marie heard a hundred times about the "eight mil-lions of votes," and the "eighteen years of calm" (some of them very calm indeed); and these expressions now fall very and these expressions now fall very in that crazy old cemetery again. I will travel married to the unfortunate Duke of Berri. flat upon the public ear. How- till I find respectable quarters, if I have ever, the Emperor asks very plainly for a new to hoof it to New Jersey. All the ever, the Emperor asks very plainly for a new vote of confidence to himself, and in favor of the "transmission of the crown to his son"— and I have no doubt he will get it. The gen-eral feeling is that if the vote were, by any obside to full blow five multilities it would be the doubt the work to may be ordered for a period of viving friends, but they do not suit the remains eral feeling is that if the vote were, by any chance, to fall below five millions, it would be precation, and that the sign of a danger- ous reaction, and that the situation of the Government and the country would be precating the case, and that the rote is nore likely titset. Hello, here are some of the Bledsoes, and that the vote is more likely to be above six millions than below five. The Ministerial Circular to the Prefects and other functionaries is very strongMinisterial Circular to the Prefects and other to strong, perhaps, to be quite "constitutional," for although it says that it only apas to their zeal as "citizens," and does not.
Mad with his gravestone on his shoulder he calls of the constitutional the sign of although it says that it only apas to their zeal as "citizens," and does not.

mation of a new Cabinet.
The Emperor has complimented the Prefect
of Police for his success in maintaining public
of Police for his success in maintaining public
order.
Victor Hugo has been cited to appear before
bit in the Kappel, exciting hatred and contempt for the government.
PARIS, May 9, Noon.—Full returns have
mot yet been received, but enough is known to
make it certain that the government has been
sustained by an immense majority. Up to this
hour the figures stand as follows: Yes, about
6,400,000; no., about 1,340,000. The city is
tranquil.
