THE BRITE A BE PHILADELPHIA EVENING BULLETIN. WEDNESDAY, MAY 11, 1870.

nowhere so well stated, nor the real nature of their future accepted sovereign. that piece of imperial statecraft so well exposed, as in the resolution just adopted at, an important meeting of the electors of the Second Circumscription of Paris. This is the electoral division which chose M. Thiers, and the meeting in question and itsobject were approved by him; though he was unable to attend in person. A large number of eminent political [Gorrespondence of the Philadelphia Evening Bulletin.] men were, however, present, among whom may be mentioned M. Odilon Barrot and M. ment and the cause of it.

representative principle.

is asked to accept certain "inberal reforms," very bad one, to is true; the long and neavy rains which have already been brought about by the force of public opinion, on the other hand it is asked to "ratify a Constitution" of which the 13th and 44th articles establish a permanent the 13th and 44th articles establish a permanent Known such an inclement, disagreeable winter. the Apocalypse. Then there were magnifi-right, on the part of the Executive, to modify Easter passed off finely. The Misereres, as cent pyrotechnic displays of the most their depot to the terminus of the road at Hestonville, as provided by ordi-the road at Hestonville, as provided by ordi-nance of Councils; and should the said Com-

There is nothing, I think, to be said against the composers of his school when heard with Bengal lights. The foot of the Ripetta the logic of the above resolution. It shows under the vast dome and huge naves of St. was like a fairy scene. On the opposite side of very clearly the position, and exposes the sort of cleft-stick in which the wily ruler of the On Holy Thursday Allegri's Miserere was Virgin enshrined in it; and the little steamers, Domini one thousand eight hundred and or ciert-stick in which the why ruler of the strand eight hundred was the stream is and the net stream is the stream is one thousand eight hundred seventy (A. D. 1876.) French people has managed to place his sub-jects. He asks them to vote for "liberal re-Baini's were sung on Wednesday; Mustafa's and down the stream; every little while Ben-Jects. He asks them to vote for "hours and on Friday. The Lamentations, by Palestrina, gal lights threw the most magical light over _____ eager to do; but he couples this vote with a were sung each day. On Holy Thursday I was river, shore, little fleet; buildings and trees. eager to do; but he couples this vote with a write stand card day. On they individually i was inver, shore, indic, need, buildings and drees. condition which involves the re-consecration lucky enough to reach St. Peter's in time to The Ripetta or Scrofa (for the street which of a large nortion of his own direct and when a seat on the ton bench of the Grand deads down on the right from the Porto del QUARTERMASTER'S OFFICE UNITED sonal authority. Thus he places them in the dilemma of being obliged to answer by a single "Yes" or "No" to a question to which they would fain be allowed to answer both. They would like to try "No" to are discussed to answer and the to the both. They would like to say "Yes" to esting ceremony of purification of the High | fireworks flashed out. both. They would like to say "Yes" to the "liberal reforms," but "No" to the thir-teenth and forty-fourth articles of the new Constitution. The simple question is, what is it best, practically, to do under such circum-it best, practically, to do under such circum-it best, practically and the such and the such as the Tenebra were sung near the High Altar is best, practically, to do under such circum-it best, practically, to do under such circum-the provide such circu more than an equivalent. Others say, and niche of which is placed the St. whole, this latter is the more practical way of viewing the question. And yet you will per-ceive that the dilemma is very awkward and irritating; for every vote which swells the ma-jority consecrates and strengthens a principle which a vast number of the voters cordially de-test. In estimating the vote, therefore, it is necessary to bear in mind how many will give their real assent only toone half of the proposi-test. In estimating the vote, therefore, it is necessary to bear in mind how many will give their real assent only toone half of the proposi-test. In estimating the vote, therefore, it is necessary to bear in mind how many will give their real assent only toone half of the proposithe government.

LETTER FROM ROME.

The Health of Rome--Easter Services---Display on Easter---Musical Matters in Rome.

all, I am most happy to report that the health of Mustafa. Dufaure, both ex-Ministers ; M. Duvergier de of Rome is excellent. We have had charming ment, and because the establishment of a Ple-biscitary régine involves the negation of the in Florence; two deaths have occurred within and because the stablishment of the in Florence in Florence in Florence within and because the negation of the in Florence in Florenc

great measure of the men who opposed the late reforms, are working day and night, both in the capital and the provinces, to induce the electors to vote, and to vote "yes." The Mayois and all the other government function-aries are also using all their influence in the same direction. Most of the Ministers have addressed strong letters to their constituents, urging them, as a personal favor, to support the capital function are san a personal favor, to support the capital function are san a personal favor, to support the capital function are san a personal favor, to support the capital function are san a personal favor, to support the capital function and the provinces in a function are san and the other government function-aries are also using all their influence in the same direction. Most of the Ministers have addressed strong letters to their constituents, urging them, as a personal favor, to support there is no confusion. tigure of speech has both given offence and been much laughed at, and has certainly added neither to the popularity nor reputation of the Prime Minister. The absence of rain here, and the persistence of chill northeast winds, which have again re-turned, are causing considerable damage to agri-cultural and garden produce, and are even be-ginning to create fears as to the harvest. The of this music also were composed for voices of the been with arreable. Build the build the been with arreable. Build the been with arreable. Build the build the build the build the been with arreable. Build the build ginning to create fears as to the harvest. The price of bread has risen considerably, and of other provisions as well. The strikes continue, and are announced to grow worse and worse, and some thousands of workmen are now on the loose about the streets of Paris. The late Prefect, Baron Haussmann, has re-turned to Paris, and, I am told, had a long turned to Paris, and, I am told, had a long

gular total of two million eight hundred thou- teenth century. In 1580 he wrote his Office to General Grant.

and a start of the second of t

THE WALTZ. The authorship of the following lines upon the waltz when it was introduced into England, more than half a century ago, has never been generally known. Gov. Andrew, of Massachusetts, who was very fond of repeating sonorous verses, and whose memory was remarkably accurate, sought in vain to ascertain

etotums set a spinning for their amusement? Well, peace be with them! I foresee that shall soon be dulcified, and forgive the waltz for the sake of your prose and Sir H. Engle-field's verse, just as one forgives the great plaque field's verse, just as one forgives the great plague at Florence for the sake of Boccaccio's inimitable description."

adequacy, for it is the det n ption in a purely Brig Ida (Br), Harding, hence at Kingston, Ja. 23d emotional mood: "And in itself, of all the Brig Hartie E Wheeler, Bacon, hence at Cardenas 2d. emotional mood: "And in itself, of all the scenes which this world offers, none is to life so profoundly interesting; none (I say deliber-ately) so affecting as the spectacle of men and women floating through the mazes of a dance; under these conditions, however, that the music shall be rich and festal, the execution of the dancers perfect, and the dance itself of a character to admit of free, fluent, and con-tinuous molion. * * From all which the reader may comprehend, if he should not

volume of music, taken with all the circumstantial adjuncts of such a scone in rich men's halls, the blaze of lights and jewels, the motion, the sea-like undulation of heads, the interweaving of the figures, the imakuklosis or self-revolving, both of the of heads, the interweaving of the figures, the unalcuklosis or, self-revolving, both of the dance and the music; never ending; still beginning, and the continual regeneration of orsider from a system of inotions which seem forset to approach the very brink of confusion; that such a spectacle, with such circumstances; inay happen to be capable of exciting and sustaining the very grandest emotions of philo-ephilos and the turnar, "100 man, Baturday," 11 ARIES, Wednesday, "11 ARIES, Wednesda NAPOLEON is said to purpose abolishing the ginning, and the continual regeneration of or-decree banishing the Bourbon and Orleans der from a system of motions which seem foris open. I he reason is in part that such a sply to HENET WINGE & CO., Mass south John and life, Mass south John and Sound, its hours of golden youth, and the interminable revolution golden youth, and the interminable revolution the yAZOO will sail from NEW OBLEANS, vis of ages hurtying after ages, and one genera-. cet (as a German would say) to the object, the beholder to the vision. And although this is known to be but one phase of life—of life cul-minating and in ascent—yet the other and re-pulsive phasis is concealed upon the hidden or pulsive phasis is concealed upon the hidden or ject (as a German would say) to the object, the averted side of the golden arras, known but not feit—or is seen but dimly in the rear, crowding into indistinct proportions." What would Miss Mitford, Sir Henry En-glefield, with his "What you have touched you may take," and Sir William Elford, of the Boccaccian prose, have said to that? Would they have smiled at the mere opium-vagary? Yet for such visions no other opium than blandad music and imagination is needed. And They have similed at the mere optimi-vagary: - BKTURNING TEXVE HIGHMOND MONDAYS and THURSDAYS. and NOBFOLK TUESDAYS and before the sime should how wide and rich and deep seems the variety of human susceptibility, that cultivated persons of the same nation at the same time should contemplate the same spectacle with such different emotions. It may be pleasant to some tentbusiastic dancer to read these words of things have been said of dancing.—Harper's Magazine.
 Magazine.
 Mr. Shirley Brooks, in his column in the Must and Lindard London News, inquires if it is true
 Magazine Lindard London News, inquires if it is true Yet for such visions no other opium than blended music and imagination is needed. And Express Company. PARIS is in a most excited condition. Seve-ral riots occurred on Monday night, and yester-ral riots occurred on Monday night, and yester-IT is thought that the Spanish Government enthusiastic dancer to read these words of summoned their representatives from France, De Quincey's, and to know that such fine Austra, Italy and Portugal to confer with them | things have been said of dancing.-Harper's

THE latest advices from the Darlen Dup Canal Expedition, received at New York yes-terday, are unfavorable, showing that the Cali-donia bay route has been pronounced imprac-ticable. In the Methodist Episcopal Conference South In the Methodist Episcopal Conference South stream, and because his haunts were in vaux; adhesion to the present system of discipline. A report was also made recommending a sepclumsy etymologies this is nearly the worst, --The English holders of Confederate bonds pine for thirty-five per cent. of overdue interest, and "are moving" again,
