THE LAST OF HIS TRIBE. He crouches and buries his face on his knees, And hides in the dark of his hair;) for he cannot look up to the storm smitten trees, Or think of the loneliness there-Of the loss and the loneliness there. The Wallaroos grope through the turts of the And turn to their covers for fear;

But he sils in the ashes and lets them pass Where the boomrangs sleep with with the nullah, the sling, and spear.

On the tops of the rocks, with the rain, And the wind which drives up with the sale Have made him a hunter again-A lunter and fisher again.

For his eyes have been full with a smouldering thought; But he dreams of the hunts of yore, And of foes that he sought, and of fights that

he fought, With those who will battle no more---Who will go to the battle no more. It is that the water which tumbles and fills

Goes moaning and moaning along; For an ocho rolls out from the sides of t And he starts at a wonderful songthe sounds of a wonderful song.

And he sees, through the rents of the scatt ing fogs, The corrobboree, warlike and grim,

And the lubra, who sat by the fire on the lo — To watch, like a mourner, for him— Like a mother and mourner for him.

Will he go, in his sleep, from these deso Like a chief to the rest of his race, With the honey-voiced woman who becko

and stands, And gleams like a dream in his face-Like a marvellous dream in his face? —Leavés from Australian Forests, by Henry Kimball.

FROM NORTH CAROLINA.

Correspondence of the Philadelphia Evening Bulletin. FLIZABETH CITY, Pasquotank county, N. C., May 5, 1870 .- In the old "North State"-(the homes of Helper and Rayner)-the " Sunny South"-where but a little while since man was bartered like merchandise in the market, but who to-day is a "man and a brother," in its fullest sense, do I find myself and family, and calling this our home.

try a Southern clime, &c., and found the win-try are available wild and placebut beyond an We left the land of Penn last fall, to ter exceedingly mild and pleasant beyond expectation; could not be called winter. The reach trees bloomed very early in February. colder than usual, and much rain. To-morrow one of our enterprising "truckers" will begin the peat trade; will send them North. I find that North Carolina furnishes a large proportion of the early vegetables and fish that find The form of the French "ticket" paper has your Northern markets, being quite a source been discussed at the Tuileries with the Minisyour Northern markets, being quice a source been discussed at the Timeries with the Annie-of revenue. Corn planted and growing nicely. Cotton-planting about to begin. Roses at full bloom the past two weeks, of which there is the greatest variety. Trees as green as mid- and running nearly as follows: nimmer. Birds in abundance, and oh! how sweetly they sing; and, strange to say, they the liberal modifications made in the Constitucarol at night.
