HARRISBURG, May 13.—The Schoeppe case came up in the Supreme Court this morning, on the writ to review the evidence of the lower Court, as per recent act of Assembly. The Attorneys of Schoeppe, Messrs. Miller and Hepburn itled the petition of Schoeppe, to which the District-Attorney, Maglaughlia, intered the plea that the case was entered on the 14th of Kebenger Lord. he 14th of February last, and that when the egislature passed the bill, on the 15th day of ebruary, this case was not pending, and ould not be governed by the new law. Messrs. Miller and Hepburn filed the repliention of the plaintiff in error, and the Dis-trict-Attorney filed the demurrer thereto. Chief Justice Thompson said positively and emphatically that he believed the case was closed on the fourteenth, and was not pending when the act of Legislature was passed on the fifteenth, and he could not see how diment could possibly be reopened now.
The case was postponed till the 23d inst., when this point will arise in the argument. The Court adjourned till Monday morning. Girard College Excursion Party. PORT CLINTON, May 13th.—The excursion mained here half an hour, giving the boys a
