dot down a little every day, or as often as pos- this may prove to be really the case. "The sible, though there will be no opportunity for flowers appear on the earth, and the voice of mailing till we reach Damascus, three weeks the turtle is heard in the land.' Our ride to bence. We have made our first day's journey day has been through a charming country village, on the brow of a hill, built from the ruins morning we came to ruins of the old city of doubtless, was applied to the locality. There was ine them. The situation is the most picturin vision of the ladder set up to heaven, and on the summit. Around the base Abraham I will be with thee in all the way and off beyond this is a grand amforsake thee, till I have done all that I have surroundings. The present village only conspoken to thee of." On arriving at our tent tains some 50 or 60 miserable dwellings, and FOREN to thee of. On arriving at the shelter 300 or 400 inhabitants—a set of lazy, dirty Orders for these celebrated Shirts supplied promptly brief notice. of a rock in the open field, read the 28th chap- Arabs. Among the ruins are the remains of ter of Gen., which tells the interesting story the Church of St. John, which belonged to the Bethel was also the place where Jerohoam set | Knight Templars in the days of the Crusaders, up one of his calves, and where the prophet and is one of the most picturesque ruins in came to reprove him for his idolatry, as told | Palestine. We rode over the hill to see a numin 1 Kings, 13th chapter. It was to this place | ber of fine old columns belonging to the analso that Elisha came up from Jericho, after cient city. Many of these now stand in the Elijah's translation, and the forty-two mock- midst of rich orchards and groves of olive and ing children were destroyed by two she-bears fig trees. In looking at these, I thought of the woods, as stated in 2 Kings, Isaiah's graphic reference to Samaria when d chapter, 23-25. The woods have disap- he speaks of it as: "The glorious beauty on peared, and so have the bears, but not the the head of the fat valley, which shall be as a NABLOOS, SHECKEM, Tuesday Evening, March the summer" (ch. 28: 4). In its palmy days 22d.—We took, an early start this morning, the city must have appeared as perfect in its

having a long day's ride before us. Our jour. beauty. These ruined columns must have ney lay through the portion alloted to the tribe been the pride of the city then. But now the of Ephraim. It is the richest land we have street which they adorned is gone, the city gen since leaving the fertile plains around itself is gone, and the shafts stand lonely and Jaffa. The fertile vallies and hills, terraced to bare. And as one stands on that hill their very summits, show that the blessing and gazes on those solitary columns, shouting promised by the dying patriarch to the up from clustering vines and green corn, and referred descendants of his favorite son Jo- on the piles of hewn stones in the terraced seph, still lingers here, for "the chief things fields, and the great heaps among the olive of the ancient mountains," vines, olives, corn, trees in the valley below, how deeplp impresflourish luxuriantly amid the lasting sive it is to recall the fearful prediction of hills." Jacob knew what he was Micah, as you see with what literal truthfuldoing, when "guiding his right hand ness it has been verified, "I will make Sawittingly" he laid it on the head of the maria as an heap of the field, and as plantings as he said "in thee shall Israel of a right and a support son as he said "in thee shall Israel of a right and a support son as he said "in thee shall Israel of a right and a support son as he said "in thee shall Israel of a right and a support son as he said "in thee shall Israel of a right and a support son as he said "in thee shall Israel" of a right and a support son as he said "in thee shall Israel" of a right and a support son as he said "in thee shall Israel" of a right and a support son as he said "in thee shall Israel" of a right and a support son as he said "in the said of a right and a support son as he said "in the said of a right and a support son as he said "in the said of a right and a support son as he said "in the said of a right and a support son as he said "in the said of a right and a support son as he said "in the said of a right and a support son a support son as he said "in the said "in the said of a right and a support son as he said "in the said "in the said of a right and a support son as he said "in the said of a right and a support son a wittingly" he laid it on the head of the youngest son, as he said "in thee shall Israel bless, saying, God make thee as Ephraim." | bless, saying, God make thee as Ephraim." | stones thereof into the valley, and I will disbless, saying, God make thee as Ephraim. stones thereof into the valley, and I will disWe have had a most unexpected experience cover the foundations thereof." Micah 1: 6.
TABLE FARTENING. Every table should have the on. They hold the leaves firmly together when pulled about the room. pegan to rain, and continued at intervals all plains of Dothan, where Joseph came to seek day. The rain came down in furious bursts his brethren, when he found they had removed at times as though it would take us off our from Shechem. He probably came by the same route as we have followed, as roads, or fierce, pelting hail, that sometimes spread a paths for man or beast, are few in this country. white vail over the landscape in a few seconds, His brethren would see him from afar as he We had our water-proof appliances on, and came down the mountain, or across the plain, did not mind it much, and managed to keep when they said: "Behold, this dreamer pretty dry. It was amusing when the blasts | cometh!" & c. Then followed the casting of hail came to see how instantly the horses into the pit, and the selling him to the Midwould wheel round, and turn their tails to it, | ianites. and stand still till it was past. The day was enlivened by occasional bursts of sunshine, which soon, however, gave way to returning dashes of rain. During one of these brief gleams of sunshine at noon, we gleam to the distant north, all mantled with snow, this afternoon,—a beautiful sight.

Our camp is pitched near a little town called Jeneen, lt has no special interest, but is the gleams of sunshine at noon, we get the graph of and stand still till it was past. The day was We got our first view of Mount Hermon, in an | half-way stopping place between Shecher old well to lunch. We had just spread a rug and Nazareth. It began to rain again after

on the grass for our provisions, when down reaching our tents. This makes us anxious take our lunch under such shelter as our sun- ous of a fine day, having a long and interumbrellas would afford. While we were at esting ride before us. lunch, several modern Rachels, from a neighboring village, came to the well to fill their water-skins. They lingered about till our rewell in the parcel of ground which Jacob sites of his own soul. Hence, there is an ease bought from Hamon, the father of Shechem and gave to his son Joseph. Shechem is beautifully situated on the side of Mount Gerizim. There is a fine valley between it and nothing labored from the first to the last of his Mount Ebal, directly opposite to it. A magnificent sight it must have been when the twelve tribes were arranged, six on one of these line and word was well considered, and made. mounts and six on the other, as they to convey the exact meaning intended by the entered the land to rehearse the author. For this reason there can be no diffi-

at the house of a friend of his in the city.

And here we are now, snugly quartered with tisk of being pronounced, if not shallow, at a Samaritan family, and realizing the un- least superficial. With such critics David speakable comforts of a dry roof overhead Bates will find no-tavor, but with those who and a dry floor beneath us, as the storm still | admire depth, delicacy and tenderness of sentirages, with alternate hail and rain, thunder | ment, expressed in pure and mellifluous verse, | and lightning, and furious blasts of wind. he is and always will be a favorite author. To N. B.-Never advise any one to take this sustain this opinion it is but necessary to note journey who is not strong and of robust health, because of the exposure and fatigue. And because of the exposure and fatigue. And never-advise a lady to come under any circumstances, not only for the reason just stated, but because of the manifold and constantly who have never heard the name of David Bates have memorized and taught their chilrecurring inconveniences to which nothing dien to repeat those beautiful words but the direst necessity should subject a ladv. SHECHEM, Wednesdoy, March 23rd.—Detained at Shechem to day. It has been pouring rain | Had the author never written another poem, all day. We lose our visit to Mt. Carmel by his reputation as a true poet would still have this delay, but there is no helping it. Dr. M., been established. Yet he did write others, with a party of thirteen, including three and those, too, which, as poetry, are superior ladies, is also detained here, in another house. to the popular tavorite. An instance of one The Dr. dined with us by invitation this after-noon, and we had a pleasant time comparing in grandeur of conception and felicity of exnotes of our past experiences, as well as of pression, is unsurpassed in the annals of literaour plans and prospects for the future.

Thursday Evening, March 24.—Still at Shechem. The rain ceased about noon to-day, but too late to allow of our starting in time to vesce the past stage of our journey before

FOREIGN CORRESPONDENCE cloudy. Soufter an early breakfast we were took a thankful leave of "the good Samari-tans," who had "showed no little kindness" to the company of strangers whom the storm had driven to seek shelter.

Opens, June 1st. Closes, October 1st. chem-An Oriental Storm-Ascent of Mount Gerizim—Ruins of Sabeen balmy and pleasant, though there has been no sunshine all day. And as we rode

Sixteen Daily Trains leave Passenger Depot, corner of Berks and American streets (Sundays excepted), as follows:

7 A. M., Accommodation for Fort Washington and interestical points. entered the land to rehearse the blessings and the curses in this grand amphitheatre. We reached Shechem wet, weary and chilled with the cold, after being eight hours in the saddle. Poor Mrs. H. could hardly stand when she dismounted. The idea of camping on the wet ground, in our wet things, and without a fire, was not a cheerful one. To our great relief, our Dragoman, Ali, had gone ahead and secured quarters for us at the house of a friend of his in the city.

a uthor. For this reason there can be no dillication of the condition of the wet sense of his writings. In this respect they stand in enviable contrast to the works of many of our modern poets. It is not pleasant to be compelled to search laboriously for an idea through mazes of verbiage and involutions interminable, and when at length it is tracked to its hiding-place, to find it not worth a tithe of the work expended in its search. With many, however, obscurity is a synonym of profundty; and if a writer expresses Limself fuculty, he does so at the left of the work of his in the city.

question of abolishing the itinerary and adopting the pastoral system, but it is thought the on Tuesday, and crossed to the American side. Her captain, however, was notified that he could not go through the canal, but was recommended to wait until Thursday, when further orders were expected. He thereupon crossed to the Canadian side, discharged his cargo, and left for Collingwood.

Seven men entered the town of Ladore, near Fort Scott, Kansas, on Tuesday last, went to the boarding house of J. N. Roach, and asked to stay all night. Being refused because

asked to stay all night. Being refused because they were drunk, they knocked Roach insensible, and then criminally assaulted his two daughters, 12 and 14 years of age, and cut them with knives. They then quarreled together, and one was shot dead by his companions. At daybreak they fled with the Fifth Police District, on Fifteenth street, quarreled of a police station-house, to be erected upon panions. At dayoreak they ned with the youngest girl to the woods. The town being aroused, they were pursued and captured. Five were hauged, and the other is still in custody.

Advices from Yokohama to April 22d state that the Reitigh Admiral Hornby had been and the town of the Reitigh Admiral Hornby had been and the town of the Reitigh Admiral Hornby had been and the town of the Reitigh Admiral Hornby had been and the town of the Reitigh Admiral Hornby had been and the town of the town being above Locust street, in the city of Philadelphia, are hereby requested and invited from some competent architects, to be submitted to before Monday, May 23, 1870.

The several plans and specifications will be duly considered by said Committee, and if that the British Admiral Hornby had been entertained by the Mikado, at Yeddo, and had any one of the number shall be selected and

sailed for Vancouver's Island on the 19th.

The troubles in Choisiu's territory had been suppressed. The Japanese budget for last year shows a deficit of over \$12,000,000, or about half the imperial revenue. An attempt bud been made to assessingte the American the office of the Mayor. had been made to assassinate the American Consul Shephard, at Yeddo. It was rumored that Sir Harry Parke, the British Minister, was to be transferred to China. Outrages upon foreigners were frequent. The British bark Domedin was wreeked near Yelzelan and Domedin was wreeked near Yelzelan and Specifications may be left with or mailed to the undersigned, at his office, No. 219 Dock street.

Chairman Committee on Police. edin was wrecked near Yokohama, and Forty-First Congress-Second Session.
In the U. S. Senate, yesterday afternoon, the Legislative Appropriation bill was considered,

In the U. S. Senate, yesterday afternoon, the Legislative Appropriation bill was considered, and pending action on amendments giving female employes the same wages as the male, &c., the Senate adjourned until Monday.

In the House of Representatives, Mr. Dawes reported a bill, which was passed, appropriating \$325,000 in gold to pay the first instakment, due September 10th next, under the award of the Hudson Bay and Puget Sound commission. The Tariff bill was resumed in committee. On flour, of wheat, corn, rye and buckwheat, the duty was fixed at 1 cent per pound. On middlings, shorts, etc., 20 per cent. and valorem. On wheat, 30 cents per bushel; rye, 20 cents; barley, 25 cents; oats, 15 cents, and corn 15 cents. On potatoes, 25 cents per nd corn 15 cents. On potatocs, 25 cents per ushel. 6 Per Cent. First Mortgage Gold Loan, Free from all Taxes.

We offer for sale \$1,750,000 of the Lehigh Coal and run, and are convertible into stock at par until 1879.

Principal and interest payable in gold.

They are secured by a first mortgage on 5,600 acres of coal lands in the Wyoming Valley, near Wilkesbarre, at present producing at the rate of 200,000 tons of coal per annum, with works in progress which contemplate a arge increase at an early period, and also upon valuable Real Estate in this city.

A sinking fund of ton cents per ton upon all coal taken from these mines for five years, and of fifteen cents per ton thereafter, is established, and The Fidelity, Insur-ance, Trust and Safe Deposit Company, the Trustees under the mortgage, collect these sums and invest them in these Bonds, agreeably to the provisions of the Trust. For full particulars, copies of the mortgage, &c., W. H. NEWBOLD, SON & AERTSEN,
