FROM EUROPE. By the American Press Association.
ENGLAND. LONDON, May 16, 2 P. M.—The proposition for a treaty of naturalization between England and the United States having received

the bill can be passed after three or four days' by Lord Clarendon and Minister Motley, as the official representatives of their respective powers, attaching their signatures to the in nembers to-day against the passage of the bill embodying the plan suggested by Secretary Boutwell for the protection of the fur and seal fisheries of Alaska, signed by a large to the Mission at Paris, made vacant by the number of merchants and bankers of San Francisco, California. They recommend, in place of Secretary Boutwell's plan, following: 1st. That the / natives, alone, of Alaska, should be combined, have produced a wonderful change allowed to kill the fur seal. 2d. That all in the health of John Bright, and his phy-

guard shall, at the proper season, be ecure a revenue of \$1 or \$1 25 upon every skin taken from the islands. Under this planit is believed that the islands may be made to vield an annual revenue of \$100,000 or moreover and above the expenses of collection and of the military force.
