Dr. Fowler. In doing so, we ing it, to keep it with 18 a'l summer. necessarily crowd out many interesting items

One of the most interesting events in the the "Moya" Hose Company with the sedately United States, that moment will the factions history of Protestantism in America occurred the "Moya" Hose Company with the sedately unite; religious enthusiasm be kindled, and to-day in this city. The General Assembly of the re-united Presbyterian Church met in the Washington Square church for the first time. After so many years of separation, some of which were-years of hostility and litigation, this re-union must be hailed with with joy, notonly by the Presbyterians, but by all who appreciate the advantages of harmony and co. operation in every good work. The sessions of this large and important body will probably be continued for several weeks, and the proceedings will be observed with great interest. We give to-day as full a report of the opening services as time and space permit.

### AUSTRIA AND THE POPE.

The opposition of Austria to the arrogant f do likewise. pretensions of the Pope and his submissive The thought was a noble one. Dying, as a the result afforded by comparison of these two Council, has at length assumed a decided sacrifice to the cause of pyric morality, the amounts; but they may, perhaps, instruct the character. The Austrian Government has pro- "Philly" was preparing for herself a glorious people of Virginia that the loyalty of Philatested continuously and consistently against in mortality; and bright hopes were enter- delphia contains no element of hatred for any the legislation of the Council in matters re- tained that from her ashes would spring that portion of the American people; but that You can't complain that the price is high, and some of the Austrian bishops, in exact But alas for the self-sacrificing spirit of these wherever it is found, and a disposition to manaccord with their government, have spoken | devoted firemen ! boldly, freely and earnestly in favor of that | "The wiscest plans of mice and men liberality which the government has desired in | Gang aft aglee," the action of the Council. To-day we have and the "Philly," instead of dying like Cap- assistance is asked, information that Count Von Benst and the | tain Kirby, or any other hero of the Revolu-Hungarian Prime Minister have agreed to tion, suddenly finds herself doomed to a per forbid the promulgation in the Austrian petual youth by her marriage with the irredominions of any decree made by the Œcumeu- pressible and unextinguishable "Moya." ical Council declaring the infallibility of the For the "Moya," which has been standing Pope. A better idea of the grandeur of this like a disconsolate Peri at the garden gate of assertion of independence of religious anthority the Fire Association, has been as anxious to 1792, at Burlington, N.
