factures are as cheap now as in 1860, notwith- other than their salaries: First—In giving to merchants from the dock-book copies of the drafts of iron and lead decapital engaged in cotton manufacture, the sired by them as vouchers for the weights more than one day's march north of the Union value of the product of that manufacture in when sold, thus enabling them to sell at once 1869, the number of persons supported by it, from the dock without the delay and expense actual murderers. No Indians can now rightand the value of agricultural products it con- of reweighing, for which service the weighers, of reweighing, for which service the weighers, by agreement among themselves, demand and scooner they are cleared out the better.

In a recent case between Fort Hays and In a It alleges a cost of production of pig iron which is shown to be fallacious and unreliable second—In giving the weight of flaxseed and which is shown to be fallacious and unreliable second—In giving the weight of flaxseed and turned out to be white men in disguise; such by every authority within reach of your committee, now connected in any manner with its manufacture.

It alleges that no material increase of the manufacture of the material increase of the materi It alleges that no material increase of the imports of iron is probable, and yet recommends a schedule of a tariff on this and other metals which would render a large increase of these imports necessary in order to raise the which accommodation he is willing to pay a transfer of a sugar of Sandy, but if so not one should be spared of Sandy but if so not one should be spared of Sandy but if so not one should be spared of Sandy but if so not one should be spared of Sandy but if so not one should be spared of Sand

It suppresses the fact that the price of lumber rapidly fell in 1868 and 1869, and argues that the present duty thereon tends to an increase of the price, when the market quotations show that it is as low now as during the last three thing of value shall be made to any such officer, from any person engaged or interested in the importation of merchandise. It also provides that no gratuity, fee or emolument what soever shall be received by any such officer, from any person engaged or interested in the importation of merchandise. It also provides that no gratuity, fee or emolument what soever shall be received by any such officer, from any person engaged or interested in the importation of merchandise. It also provides that no gratuity or present of money, or other that it is as low now as during the last three things of value shall be made to any such officer, from any person engaged or interested in the importation of merchandise. It also provides with the Arrapahoe runners, says he was in camp, and is positive they had nothing to do with killing the men on the Sweetwater. I am inclined to believe it from statements made of the price, when the market quotations show that no gratuity or present of money, or other that it is as low now as during the last three thing of value, shall be made to any such officer am inclined to believe it from statements made thing of value, shall be made to any such officer am inclined to believe it from statements made thing of value, shall be made to any such officer am inclined to believe it from statements made thing of value, shall be made to any such officer am inclined to believe it from statements made thing of value, shall be made to any such officer am inclined to believe it from statements made to any such officer am inclined to believe it from statements made to any such officer am inclined to believe it from statements made to any such officer am inclined to believe it from statements made to any such officer am inclined to believe it from statements made to any such officer am inclined to believe it from statements made to any such officer am inclined to believe it from statements made to any such officer am inclined to be such as the statement in the statement of the statement in the years prior to the imposition of the duty.

It alleges that the duty on coal enhances the mine of all the coal of the limited States to the importation of merchandise.

The state of the limited States to the limited States and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. I believe it to limited to defice the form Sioux and Arrapahoes. consumer, a statement contradicted by the statistics of the coal trade for the last ten years.

This law is undoubtedly based upon the consideration of the coal most largely produced and most generally used the authorise.

The statute forbidding these practices is penal.

This law is undoubtedly based upon the consideration that there exists a great temptation of the coal most largely produced and most generally used the authorise.

equivalent to "an unnecessary tax" of five correctness of this view. The acceptance of a cents on each pair, and yet recommends a favor, even though in the abstract unobjection of the duty which would make this change in the duty, which would make this tionable, does nevertheless weaken an officer's shones were with the miners, and that Zook, a half-breed Shoshone interpreter, shot Black utterly wrong which may afterwards be made Bear. Mr. Hardwick was told by a person n each pair.

It unfairly, and untruthfully, depreciates the to him by the person from whom he has recondition of our artisans and laborers, endeavoring to create the impression that, through the latter than the fact that such temptation exists in a last re- the word to Red Cloud and his father to-morfact is patent to all, that the general prosperity allowing officers to receive pay from other of the people during the past ten years, not- sources than the Government which employs withstanding the drain of a great war, has been them, which has brought the revenue service

most marvelous and whelly unprecedented.
It alleges that domestic competition, excited opinion that it abounds in corrupt and illegal by tariff laws, "is accompanied by the usual practices. I do not mean to say that the resort of turning out articles or products of in- three forms of charges made by the weighers, ferior quality, but with an external good as described in the papers referred to me, inappearance," thus ruthlessly condemning the American manufacturer, and inferentially can be rendered, very likely; without detriment praising his European rival, when the truth, to the Government. The objection lies in the airly stated, would have bestowed praise and | natural repugnance between any forms of condemnation in reverse order, and shown that the competition engendered by a protective in fact do often come in conflict; in the diffitariff has uniformly resulted in greater mechaniculty of establishing any rule defining when eal skill, improved machinery, and finer and fees or gifts may safely be taken, and when more durable workmanship.

It entirely omits any detailed exhibition of ample in provoking all classes of revenue offithe growth of our manufacturers under the cers to secure for themselves irregular emoluexisting tariff system, and of the advantages to ments, many of whom from the nature of their street. the country derived from that growth.

It endeavors to east suspicion and odium and favors inherently improper. upon American manufacturers, whose gains and strength belong to their country, and who with safety allow its employers to accept fees re the defenders of American independence in and rewards from those having dealings with it, the trade battles of the world, and invites this any more than any private corporation or indicountry to trust in and pay tribute to foreign | vidual could tolerate such a practice on the part nanufacturers, whose gains and strength give of their employes.

South Seventh street. increase of riches and power to our rivals and My opinion is, therefore, that as the Government employs its officers and pays them for MORNING POST. It slanders the American inventors and their service, no fees, rewards, or emoluments manufacturers, whose labors in the useful arts, of any kind should be allowed to them, except have given a multitude of new and improved products to the American people, who draw from home manufacturers a great variety of articles of common use unknown to the mass of workers in other lands, and better in form, texture and quality than such similar goods as may be furnished by foreign commerce.

It impatriotically seeks to establish the-principle that dependence upon foreign manufacturers is our natural condition, in defiance of the policy of all culightened nations, whose cridization has been built up and whose people

such as may be distinctly provided for by law. Any other system of compensation, if tolerated, any other system of compensation, if tolerated, any other system of compensation, if tolerated, is almost certain to runinto abuse. It will sometimes wrong the Government by a betrayal of its interests, and sometimes the merchant, by subjecting him to petty extortions. Whatever facilities are needed by importers for the prompt, and correct entry of their goods should be extended by Government ollicers without reward outside of their salaries. And if the law is imperfect and fails to meet the exigencies of business it should be amended.

The BEST WORK—ON MUSIC—AND the only one of its kind, is "Piano and Musical Matter". Promounced by competent prior of their goods should be extended by Government ollicers without reward outside of their salaries. And if the law is imperfect and fails to meet the exigencies of business it should be amended.

The BEST WORK—ON MUSIC—AND the only one of its kind, is "Piano and Musical Matter". Promounced by competent prior their goods seem that the only one of its kind, is "Piano and Musical Matter than the only one of its kind, is "Piano and Musical Matter than the only one of its kind, is "Piano and Musical Matter than the only one of its kind, is "Piano and Musical Matter than the only one of its kind, is "Piano and Musical Matter than the only one of its kind, is "Piano and Musical Matter than the only one of its kind, is "Piano and Musical Matter than the only o under the encouragement of existing laws, such as may be distinctly provided for by law.

Forty-First Congress-Second Session.

In the Senate, yesterday afternoon, Mr. Cameron, from the Military Committee, reported a bill giving medals to Pennsylvania and Massachusetts soldiers who were first to arrive in Washington in April, 1861. The Legislative Appropriation bill was considered, and an amendment adopted placing female clerks on the same footing as males in regard to compensation; also one appropriating \$100,000 for sation; all sation sation sa the same footing as males in regard to compensation; also one appropriating \$100,000 for Arctic exploration. The Senate adjourned, pending consideration of the bill.

In the House of Representatives, Mr. Churchill introduced a bill, which was passed, exempting fishing, coasting and river vessels from tonage dues. Mr. Griswold offered a resolution for the appointment of a committee to ascertain who are the present owners and are interested in the Northern Pacific Railroad. Rejected—yeas, 84; nays, 87. The Senate amendments to the Fifteenth Amendment bill were non-concurred in, and a Conference Committee appointed. Mr. Judd moved a suspension of the rules, that he might introduce a bill reducing the tariff on molasses and sugars, salt, coffee, tea, and pig and scrapinon. The motion failed, less than two-thirds voting for its. Mr. Hill, from the Election Committee, reported in the Ohio contested in the Kentuicky case of Barnes vs. Adams, that Adams was entitled to the seat. The Army Appropriation bill was reported, and here are appointed to the seat. The Army Appropriation bill was reported, and for the properties and sugars, salt, coffex a seat. The Army Appropriation bill was reported, and for the properties and sugars, salt, coffex and sugars, salt, coffex and pig and scrapinon. The motion failed, less than two-thirds voting for its.
