the year of our large seventy, a vexation of spirit. The bagpipes round their altars, temples and shrines.

From this "temple" we drove around the Pan, which they professed to accompany, but bor and adjacent shores, up to the amphireally overwhelmed, sounded most discordant theatre back of the town. It is very perfect We had no music in our soul that yet, the seats being many of them in their was none in the voice of the instruments! and vaults complete and whole. We were suvius, with all its possible wealth, by a single look at the trash. We were bound for Pozzuoli and its unknown wonders, and we were late getting off; and the driver was were late getting off; and the driver was were late getting off; and the driver was the driver was were late getting off; and the driver was the driver surly, and took infinite pains, so we thought, to gars, had appropriated to themselves the difference of the surly and took infinite pains, so we thought, to make the most of every obstacle. Briefly, we ferent portions of the building, and were firm their proceedings which could be described as a on much dust and noise, and too many don- chins, with the ordinary readiness of Americans keys and other abominations, towards the to pay what is demanded, no matter by whom ciety is called upon to fulfil." upper end of the Chiaja, to allow us to settle or for what. But an appeal to the ordinary upper end of the Chiaja, to allow us to settle down quietly and grow good-natured under the soothing influence of a ride along the the partial success of their well-planned you have in carrying out such an i shore of the blue sea, where spring was waving its magic wand over the trees and shrubs and Of course, we were emotionized and pa-But when we finally arrived at the point

hand cut smooth down for a hundred feet or more from the summit of the hill, we forgot our vexation and began to be interested. We

That we nad amazing appetites, and then referred all our impressions and emotions to this vulgar cause, and were not a bit ashamed!

Like the "Swiss Family Robinson" when they were hungry, we "partook of refreshing the control of the hill, we forgot the summit of the su Like the "Swiss Family Robinson" when they were hardly beyond the business of the city, and yet quite as much in the country as we would be two hours hence. On our left appeared a small door, opening on steps which conducted to the top of the hill, and on the top of the hill, and on the conducted to the top of the hill, and on the top of the hill, and on the top of the hill the fatigue." Presently a fork the world chiefly with a view throw of missionarism was to civilize the world chiefly with a view throw of missionarism was to civilize the world chiefly foul vapors that befogged our mind: "The Tomb of Virgil"! "O, we must go there at all events, and no time is like the present! Hold on, driver! we are in no hurry to reach Pozzuoli; we have no doubt the old town will stay there a few hours longer. You stay here!" And so we went up to the tomb of Virgil. Literally, we went up to the tomb of Virgil. Literally, we went up to the tomb, and we were pretty well blown when we reached the summit of the hill, and were glad to stop and admit of the fatigue. Presently a fork the fatith of a few men belonging to a title faith of a few men belonging to a title faith of a few men belonging to a trocious persecutions and which succeeded in preserving itself as a distinct part of humanity without ever having the felt unequal to the fatigue. Our substitution of the most atrocious persecutions and which succeeded in preserving itself as a distinct part of humanity which succe which we have ever had.

After a few minutes spent in admiring the prospect, we turned to the right, wound around among the beds of a vegetable garden, threw a among the beds of a vegetable garden, threw a time the prospect of the prospect of the summing nunsen on his travels suggested to his ready mind an opportunity for the exercise of that peculiar industry which characterizes the Italian vagabond more than any other vagabond.

We reached the Solfatara. It is a semi-exdered as me. In preaching you will be quite as bewildered as me. In preaching you will be quite as bewildered as me. In preaching you belief to Industry the fact. But if you attempt to make out the fact. But if you attempt to make out the fact. But if you attempt to the fact. But if you at

to topple over on the passing wagons. Descending from this perch, we entered at

nearly a half mile long, and varying in height placed the mouth of Hell not far from where you behave yourself properly in this world you runs the most direct road to Pozguoli. Classi
We went down towards the cloud of steam, do so because you expect that for such conduct you will be rewarded by a certain kind of cal writers speak of this tunnel, as well as and the guide lighted a torch and passed it agreeable life in Paradise. But your notions many others in the environs of Naples; and along the sides of the cavity, and the whole about paradisaical enjoyments must be very in the time of Nero the Grotta was used for its present purpose; although it had not probably Then putting the torch into a corner of the reached its present dimensions. The tunnel hole from which the smoke emerged, it was is now lighted with gas, the pavement is good, and the roof seems to have gotten rid of any primitive disposition it may have had to drop pieces of stone on the heads of passengers. a few feet apart. As we entered the first gallery, I'm your Paradise. Just the same must it be When we went through it in the morning, the the head and upper part of the body were al- with the Jews too. A Jew is brought up in a air was shiveringly cold, but when we re- most instantly in a profuse perspiration, from certain kind of ideas, which it is hardly possiturned in the evening the temperature was the same as under he open sky—the traffic of the mation, the guide squatted on the ground, and planted in him. The Schoeppe case was argued before the Supreme Court at Harrisburg, yesterday. Argument will be concluded to-day.

At Baltimore, yesterday, a game of base ball between the Atlantics and Pastimes was won by the former, the score standing 22 to 6.

"Despatches all deny the invaders. There is no attempt to deny O'Neill's arrest. It is reported that Fitz Hugh Lee will succeed him. Malone, New York is fixed as the point of concentration. Transportation has been secured for several thousand men over the Hudson River Railroad. A train this afternoon carried fourteen hundred men under ex-confederate Col. McMalhon, mostly veterans of the late war. Col. Gaynor leaves to-night with a though the former, the score standing 22 to 6.

"Notwithstanding the rumors that the Few York. Clisgow. New York. Deer and Finder Liverpool. New York of Paris. New York. Liverpool. New York. New Orleans and Philadelphia. Savannah. See Providence in the deny O'Neill's arrest. It is reported that Fitz Hugh Lee will succeed him. Malone, New York in the Queen. Liverpool. New York in the Queen. ously going on. All the men offering themselves are immediately accepted and provided with transportation."

Tokonto, May 26.—The Fenians advanced across the line about two miles to Henderson-ille, near Huntingdon. The Canadian troops be preparing to attack them. The telegraph res have been cut of the soldiers' graves in the neighborhood of ously going on. All the men offering them-Grand Army of the Republic for the decoration THE books of John M. C. Marsh, late taxcollector for Westfield township, N. J., show a deficit of \$14,000, and his bondsmen have been

THE citizens of Yanceyville, N. C., hav St. Albans, May 26, 9 P. M.—The Feheld a meeting to denounce the murder of State Senator Stevens, who was found hanging nians hold Huntingdon and Island Point. This ntelligence is officially received. The greatest THE President vesterday signed a resolution excitement prevails here. A number of Fe authorizing payment of full salary to Alvin P nians will go to Malone in the morning. Railroad trains here are guarded by United lovey, as Minister to Peru, without deduction States soldiers with fixed bayonets. Fenian trains, laden with men, are leaving AT Liberty Corners, N. J., on Tuesday night an old man, named Franklin Hope, hanged himself in a barn. On Wednesday, a boy, every few hours for Malone. INSTITUTE FOR COLORED YOU'LH named Maurice Conkling, went to the same barn and hanged himself from the same beam.

[From Old and New for June] Ar an adjourned meeting of the American In these days of publicity and notoriety, Tract Society in Boston, yesterday, it was agreed to place the affairs of the Society in the when few things are done in secret that are not at once proclaimed upon the house-tops, it is reands of a special committee, and the chairfreshing to turn our gaze backward to some of man was authorized to appoint the committee. the quiet, noiseless acts of benevolence that De Tur municipal election in Richmond, Virhave emanated from the Society of Friends, ginia, yesterday, resulted in the choice of Ellyson. Conservative, for Mayor. The who (whatever may be said of their departure who (whatever may be said of their departure in later days from the letter of their founders), still retain, in their patient, quiet, thoroughness of devotion to any good work, a noble persistence, worthy of George Fox or John Woolman. We have never visited a school where a finer degree of intelligence was manifested, and it is a complete refutation of the prejudice against colored teachers. We have rarely seen two hundred young people collected for any purpose, where such an air of cheerful zest and heartfelt interest pervaded the assembly. They seemed to look up to the excellent lady who is the Principal with an ardor of devotion that left no doubt of her influence over their hearts. whole Conservative ticket was successful by a large majority. Norfolk is reported to have An important debate is expected in the Corps As important departs is expected in the Ministry apprehend degree of intelligence was manifested, and it is the opposition of a coalition of the Right and a complete relutation of the prejudice against Left wings. The "Left," it is said, will announce its willingness to accept power. THE boat race between the Quaker City pose, where such an air of cheerful zest and Club, of l'hiladelphia, with the first-class mid-shipmen of the Naval Academy, at Annapolis, seemed to look up to the excellent lady who is will take place this afternoon. The President, the Principal with an ardor of devotion that Secretary Robeson and Admiral Porter are ex-pected to be present. THE River and Harbor bill, reported yester like your teacher very much, I see." "O yes. day, appropriates \$1,500,000. Among the ma'am, she's splendid," was the answer, given

and \$15,000 for the Schuylkill river, at Phila-delphila. once in the society of a superior per-son. She had been attending to a class in English composition, and said, with that tone of dence for New Zealand and Australia may be forwarded by the way of San Francisco for the mail steamers to sail on the 10th of each month. Then went on to give as some of her ideas, in mail steamers to sail on the 10th of each month. beginning June 10th. The rate of postage on letters, newspapers, &c., is ten cents per half beginning June 10th. The rate of postage on letters, newspapers, &c., is ten cents per half ounce, prepaid.

She wished her young people, above all things, to avoid plagiarism, yet to get all the help that they could from the best authors, on any given subject. She would have them read all they arrived at Fort Hays on Wednesday, from the Indian Territory. He reports that the North-lindian Territory. He reports that the North-lindian Territory. He reports that the North-lindian Territory write for a week or more after they would not them write for a week or more after they letters when the lindian territory with the subject. She would have them read all they do to Davidson & Hall, Francis Craig, do to Craig & Blanchard; J H McConkey, grain to A G Cattell & Co. Medie. poplar wood to Manayunk. idian Territory. He reports that the Northlet them write for a week or more after they ern Indians have sent emissaries to induce the had mastered their subject. Then their cheyennes, Arrapahoes, Kiowas and Cathoughts would be their own, and must be inmanches to join in a general war, and that the teresting.
The day of our first visit was the day after JUDGE RICHARD STOCKTON FIELD died at the passage of the Fifteenth Amendment, and Princeton, N. J., on Wednesday night. Gen. John A. Granger died at Canandaigua, N. Y., which illumined her fine, expressive face.

Indians are not planting any corn this year. Rev. Isaac Collins, aged 81, who "O, I felt yesterday as if I must dance and served as chaplain and soldier in the war of 1812, and was, for sixty years a clergyman of the Methodist Church, died in Baltimore on Wednesday.

IN THE Southern Presbyterian General Astrona Southern Presbyterian General A sembly, on Wednesday, Revs. Dr. Backus and it," she said; "But oh! it is a joy to think there Vandyke, and Hon. Wm. E. Dodge, presented is nothing now to keep them back from that resolutions of the Northern Assembly express- measure of goodness and intelligence for which ing fraternal confidence and asking the ap- God intended them. He only knows what cointment of a committee to meet a simi- that measure is," she added, quietly; "the committee of the Northern body, to future must decide; but, thank God, there is During the reception of the Northern delegates deep emotion prevailed. Yesterday a report we would fain give the history, in detail, of was adopted in favor of allowing lay exhorters. this noble woman, whose whole soul is bound THE FENIAN EXCITEMENT.

up in the improvement of her race; but we feel we have no right to draw her from the ST. ALBANS, May 26 .- During the entire privacy she values. This much, however, we day squads of Fenians, tired and demoralized. have been arriving here from the Franklin Here is a woman who was born a slave; and line. The Burlington company, which it is admitted by all displayed most courage, were large school, which she conducts in a manner Three Fenians are this morning reported A graduate of Oberlin College, she was for six years a valued teacher there, to large classes of killed, and ten or litteen, more or less, in the engagement, wounded. The killed are John Rowe, of Burlington, Company A, First Fenian Cavalry, shot through the throat; Mr. O'Brien. Company C, First Fenian Cavalry, from Moriah, N. Y., and an unknown man. From Moriah, N. Y., and an unknown man. It is impossible at this time to ascertain example, if one were needed, to show that no whether or not the Canadian troops lost any in | obstacles are overpowering to the resolute will of a conscientious, high-minded woman. The Superintendent of the Vermont Central Railroad has received orders from Washington to furnish transportation at the expense of the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town for an envision leading to the legge reading town to the legge reading town to the legge reading t the Government to such as desire to return to their homes—and a large number have availed from some friend who was coming to talk to themselves of the opportunity and taken their departure to-night. About 3 P. M. Companies and photographs, illustrative of his travels. The I, E and L, of the Third U. S. Artillery, numbering 175 men, under command of Lieutenant-Colonel George A. Kensil, arrived from Forts | air of the most cheerful alacrity pervaded the Warren and Independence, in Boston harbor.

The Canadian troops in the engagement to their teacher, was unspeakably winning. The Canadian troops in the engagement yesterday were an independent company of militia, and did not, according to the most reliable reports, number more than 60 to 70 men. They were shortly afterwards reinforced, but now there are few, if any, at the scene of the engagement. Rowe, one of the Fenians killed, was buried by the Canadians last night, and after the burial large stones were placed at the lead and foot after the stones were placed at and after the burial large stones were placed at the head and foot of the grave and a pile of Christian politeness, we may well hail the freetones on top of it.

A report has been received that General Don-

nelly is more badly wounded than was at first supposed, and fears are entertained that he cannot live, as a high fever has set in. Deputy, U. S. Marshal Flanagan, of Burling many colored people there of an evening, beton, has been to Hubbard's Corner, to-day, sides the scholars, all hungry for information, and officially notified all parties concerned that and anxious for the best books. "You would he has seized all arms and equipments that be surprised," said Miss —, "to know how have been abandoned, in the name of the United States. Three carloads of Fenians, on then way to Malone, passed through here in the books are read and re-read with avidity." And yet this institution, flourishing and suc-TORONTO, May 26.—The Fenian attack on cessful as it is, exists in a city where colored Canada may now be looked upon as having vir- people have been denied the commonest privitually collapsed.
