tished daily, Sundays excepted, at THE BULLETIN BUILDING,

r Eighteen Cents per week, payable to the carriers;

were appreciated and would be attended to." How they were "attended to" turned up in the form of an ordinance to build a house for the Superintendent, who was burned out, last spring, and to engage some additional nurses. Mr. Williams proceeded with a cogent arguspring, and to engage some additional nurses. This ordinance failed in Councils, and nothing ment, drawn from English history, to show drawn from English history, to show account of his unbending Protestantism. De It will buy a TEN DOLLAR ROCKHILL & at all has been done. The Committee say, in the injurious and unfair results of such direct mortuis nil misi verum. But as the friend to

we have done our best to impress Coun-cils, through their Committee and otherwise, with the necessity for increased accommoda-tions in the Insane Department. This want of action upon the part of Councils, not to say neglect, must certainly arise *not* from want of proper feeling, but from lack of à just ap-preciation of the merits of the case, for cer-the wants of a community as to appropriate millions of dollars for the purchase and im-provement of a public Fark for the uso of those whom a kind. Providence has already se whom a kind Providence has already tly, cannot, if they but understand the matter, turn a deaf ear to the plainve and saddening wail that comes up from hose who have been and are afflicted with a nalady compared with which death is a bless-

This is precisely what the Committee ought

the include the difference of the more of things in this world, that cannot be expedient in the direction of a State which is essentially unjust. The right and the insane poor were left to their odd for a time, can never die is and the insane poor were left to their odd for a time has presented the whole subject who were left to their odd for the insane poor were lef necessary, responsibility, since Councils are (that the duty of Congress is to abolish this

monstrates that the policy is to be a settled one.
The Board of Guardians of the Poor seem to be imitating the Board of Health in their timid avoidance of the responsibilities devolved upon them. The action of the Board yesterday, in reference to the urgent demand for decent provision for the insane poor, was of the most discouraging description, and leaves little reason is condition and encouragement which to hope that, under the present administration,
areas to the order of the responsibilities devolved upon them to four obligations. By making the burther an easy one, and improving the providing a boundant remunerative employment of Africa will be refused firmly and that tender of deeds in fee simple of the providing a boundant remunerative employment of Africa will be refused firmly and peremptorily. The inducements held out to protection and encouragement which to hope that, under the present administration, to hope that, under the present administration. discouraging description, and leaves little reason to hope that, under the present administration, anything will be done to relieve the sufferings of the unfortunate inmates of the crowded wards of the Insane Department of the Alms-house. The Joint Committee of the Board presented a report, yesterday, setting forth their action in reference to this matter. The Committee had met the Council Committees on Poor, and met the Council Committees on Poor, and in a free Government? It seems to me that there can be but one auswer to all these questor refusal was not given him. FROM WASHINGTON.

[By the American Press Association.] Nominations.

WASHINGTON, June 21 .-- The followin more Sent Home. Ispecial Despatch to the Phila. Evening Bulletin.] WASHINGTON, June 21.—Gen. Farnsworth followed Gen. Logan in the Whittemore case, taking the ground that the case ought to go to the Committee for examination before being disposed of by the House. Judge Poland endeavored, after Mr. Farns-worth had concluded, to offer a resolution to refer the matter to the Judiciary Committee for examination of law and precedents bearing unon this case but Can

Secretary Boutwell excluding Whittemore. Among those who returned here this morning, and was at his office to-day.

chusetts; B. F. Butler, Cessna, Ela, Farns-worth, Hood, Jenckes, Kelley, Morrill, Po-land, Sawyer, Taft and Whittemore. [By the American Press Association.] Naval Orders. WASHINGTON, June 21.—Lieut. T. Aug. Mil-ris detached from the receiving-ship Ver-mont, and ordered to the Mohican. Paymaster Francis A. Given in detached Actached from the Macedonian. Midshipmen, George L. Dver, H. O. Rittenbouse, John W. Dannenhower, Doynton Leach, Hugo Osterhaus, and Albert C. Dillingham are ordered to the Plymouth. (By the American Press Association.) (By the American Press Association.) (By the American Press Association.) ported a Senate resolution conferring on the Court of Claims jurisdiction in the claim of William D. Campbell, for loss of an unfinished steamer, alleged to have been seized at. Cairo, in 1863, by order of General Grant, and subsequently sunk. Adopted. Under the regular call of committees for reports, the Committee on Claims reported a large number of bills of a private nature, the sideration of which consumed the morning Mr. Washburn (Mass.) reported an act to

pay loval citizens in States lately in robellic or services in taking the Eighth census assed. Mr. Ela. from the Committee on Claims, re ported a bill providing for funding the interes to the State of Massachusetts, 'amounting to six hundred and seventy-eight thousand dollars on money expended by her on coast defence, &c., during the war of 1812. Pending the debate the morning hour ex-pired, and the case of Whittemore was taken

Mr. Logan submitted a resolution reciting that the Committee on Military Affairs had in February last submitted a report, showing that Whittemore had accepted pecuniary conmorning nous. The Postoffice appropriation bill was re-sumed, the question being on Mr. Trumbull's amendment allowing Congressional docu-ments to be sent from Washington free, tak-ing the frank from Senators and members and officers of both Houses, and retaining to all amenutive departments and the Agricultural trumbulk and the Agricultural and the House had the power Mr. Logan said the House had the power by a two-thirds vote to expel a new member The House could not expel for difference o opinion, but for a violation of its rules Whittemore had violated the rules by the commission of an act which was considered felony in the courts. Having power to expel the House had also power to exclude. The claimant had been proved guilty and had by his resignation contessed the justice of the sentence which the House was then about to pass upon him. The authority to expel em-braced also the authority to exclude. The act of Whittenore was infamous, and all that is lacking to make him infamous forever and incapable of holding a seat on this floor was the judgment of a Court. Whittemore's act being infamous it must be in the power of Congress to protect itself from his intrusion. his constituents were notified that this House

cessary for the use of the Executive Depart-ments. Rejected—yeas, 22; navs, 26. Mr. Sumner moved to substitute for Ram-say's amendment, providing that after Octo-ber 1st, 1870, the franking privilege shall be abolished, and a uniform rate of twenty cents mutan a set on this floor. They have seen fit to return him, probably by way of in-sult, or to show they would have him there in spite of Congress. The House had no right to preserve a set between the setabin spite of Congress. The House had no right to prescribe politics or religion of its members, but have the right to expel or ex for infamous conduct. Otherwise it would be in the power of a constituency to corrupt and destrov representative government. There destroy representative government. There were no precedents in favor of Whittemore.

proposition of Mr. Ramsey, which was re-jected-yeas 26, nays 28. The bill was then offence, which consisted of introducing the other half, over which the large Coal Trade of the certain resolutions on slavery, was not a crime Matteson, of New York, was expelled for bribery and corruption in the thirty-fourth Congress, and returned to the thirty-fifth Congress, to which he had been elected before he was expelled from the thirty fourth. In the English Parliament Wilkes had been expelled four times, and was only admitted at last after the whole record of his case had been blotted from the journal. Mr. Logan yielded to Mr. Farnsworth, who -said he was sorry his colleague had seen fit to delate the question in such personal spirit.

investigation although he knew he exced

unpopularity in so doing. He thought the case ought to be referred to a committee. Mr. Poland submitted an amendment, pro-viding, that Whitemore's credentials be re-ferred to the Judiciary Committee, with nower to report at any time on the precenting mover to report at any time on the precedents, and giving their opinion as to whether he ought to be admitted. Mr. Schenck suggested that the worls "together with all proceedings heretofore had in the case," be inserted after the word redentials. Mr. Logan said he had not yielded with the be offered, and he declined to admit them and

resumed the floor, after a sharp encount with Mr. Schenck. Mr. Logan demanded the provious question Mr. Logan demanded the provious question on his resolution, which was seconded. Yeas, 84; nays, 57. Among the Republicans voting no were Messrs. Poland, Beaman, Finkeln-burg, Morrell, Maynard, Churchill, Clarke (Kansas), Arnell, Pierce, Butler (Mass.), Ju-lian, Dawes, Hoar, Butlington, Ela, Winans, Gartield, Cessna and Paine.

Mr. Poland then renewed the resolution previously offered by him, referring the whole subject to the Judiciary Committee. The Speaker decided that the motion was a not in order, as the subject had been fully dis-r- posed of by the action just taken. g. Mr. Whitemore, who had been sitting quietly in one of the rear seats, then rose and left the hall. In a few moments the galleries which had been well filled were comparatively emptied. On motion of Mr. Dawes the House went into Committee of the Whole on the miscel-
