## EVENING BULLETIN. | skilløu workmen fair wages than to undertake -----

The PHILADELPHIA EVENING BULLETIN is published daily, Sundays excepted; at THE BULLETIN BUILDING,

607 Chestnut Street. The EVENING BULLETIN is served by carriers, at Bight Dollars per annum, payable at the Office,

Are Cents per month. PEACOCK. FETHERSTON & CO.

Wednesday, Jane 22, 1870.

Persons leaving the city for the summer, and wishing to have the EVENING BUL-LETIN sent to them, will please send their ad-

onth.

## ------

which is attracting a great deal of attention ceeding of the House of Representatives falls Union; if the motives under which it was IT Is throughout the country, and provoking some so flat upon the moral sense of the people? fought out were sound and true ones; if the very bitter denunciation. His employes struck | How is it that, with the endorsement of Whit | hecatombs of lives that were freely given to it for higher wages than he could afford to pay, temore's condemnation, there is everywhere ex- were really precious to those who survived and as they were supported in their refusal to pressed the sentiment that he has been meanly them and to the country for which they were it is compromise by the trade union to which they and unfairly dealt with? The answer is spent; if the Rebellion was in itself a wicked belonged, Mr. Sampson secured nearly a simple enough. The whole country sees that thing; if the manner of its conduct was cruel hundred Chinamen, who, after a few days' this man has been made the scape-goat for the and savage; if its whole policy and practice renstruction, are working quietly and efficiently sins of many of his colleagues. If everybody sulted naturally in an irreparable loss to the in his factory, at very small wages. The does not know it, everybody ought to know entire nation; then there is nother good sense general disposition seems to be to abuse the that there are probably a dozen or more other nor sincerity or reason in this morbid desire to manufacturer for availing himself of this kind members of the House, some of whom may convince the leaders and actors in the rebellion of cheap labor; but neither reason, justice nor have voted yesterday to exclude Whittemore, that they were not so very wrong after all, and It is common sense warrant such treatment. The who sold their very last appointments to West that they are entitled to some compensation shoemakers determined either to control this Point and Annopolis. If the investigating for the losses which their own treachery, disman's business to their own unrighteous ad- committee did not find these cases out, they loyalty and folly brought upon them. When vantage or to break it to pieces; and they must have closed their eyes very carefully in- this generation has passed away, it will be enjoyed the assistance of a powerful organiza-tion in their conspiracy. Placed in such a It is this fact that has taken the moral force national privileges which their fathers forfeited tion in their conspiracy. Flaced in such a perfect out of Whittemore's example; alid it is this fact. and which they are not yet fit to resume. right to use in his defence any honorable | that has prevented Whittemore's indictment veapon upon which he could lay his hands. under the law of 1853. In a Court of law, Red Dog, the orator of Red Cloud's Indian Especially had he the right to exercise the Whitemore would be on equal ground with his delegation, in a speech in New York, attributed It is common privilege of American citizens to con- prosecutors, and his defence would bring to his corpulence to the enormous number of lies duct his business, legitimately, after his own light the facts which the Committee of the that had been crammed down his throat by fashion, and to employ whoever he pleased to House have, either willingly or otherwise, con- the agents of the Government. If continued help him. He selected Chinamen; he might cealed. It would be a very awkward thing if exposed to systematic and persistent men have chosen negroes, Arabs, Esquimaux, or Mr. Whitemore should set up a line of de- dacity produces this extraordinary physiologimen of any other race, and nobody would have fence which would put cadets and midshipmen cal effect, every habitual reader of the New a right to offer any objection. Particularly on the witness-stand to account for the pro- York Sun by this time must be eligible to were his former laborers debarred, by their own cesses by which their appointments were pro- membership in the Fat Men's Club. The outrageous conduct, from the privilege of cured. It is very safe to assume that Mr. cruelest falsehoods of that journal have been making any reasonable complaint.

will, at least, bring one blessing with it. It is will, at least, bring one blessing with it. It is eminently right and proper that laboring men should associate themselves for purposes of mutual relief, and to secure to themselves fair wages for their work. If the organizations did nothing more than this they would deserve our sympathy, respect and assistance. But these unions, having learned their strength, aim to obtain such a control of the labor market that capitalists are placed at a grievously unfair disadyantage, and are oppressed even more than laborers were before trades' unions were thought of. It is a well-known fact that a powerful-body of selfish-men is the cruelest hody-of-selfish men is the cruelest i secure his re-electio and, with cruel insolence, pretend to determine fluential offenders. that certain workmen whom they choose to
