Correspondence of the Phila. Evening Bulletin.] HOTEL D'ANGLETERRE, ATHENS, Saturday Erening, May 7 .- We have continued our ex mination of the objects of interest about Athens, to-day, We went first, this morning, o the remains, of the Jupiter. Sixteen splendid columns of this famous building are still stand ing. They are certainly very fine; but I do not hink them equal to those of the Temple of Inpiter at Baalbek. I know this would be egarded as not an orthodox opinion by those who consider themselves judges in matters of art. Still this is my opinion, most decidedly the progress of the Ottoman arms in Europe. -I shall hold to it. On the colonnade, over Our voyage all day has been among the Ionian two of the columns here, are the remains of a Islands. There are seven of them, and they cell inhabited during the middle ages by some are spoken of as "The Seven Islands." They of those strange beings known as "pillar- lie on the western shores of Greece, looking saints," and who showed their plety by living towards Italy. Zante, Cerhalonia and Corfu on the tops of pillars or columns. The fellows are the chief of the seven. They were all unwho lived up this cell must have had a lively der the government of England for many time of it. They had not more room to move years, and prospered from the connection. about in than three or four paces; and their But when the present government of Greece lonely den was lifted up some sixty or sev- was established, under the direction of the enty feet from the earth, with no visible powers of Europe, England resigned her pro- brated its seventh anniversary on Wednesday. means of communication with it. The town of the same name, at the might have been. We then rode over the southern part of the island, is very picold city have all disappeared, and the modern rants, which are sent all over the world. But sion. The report of the Secretary, Miss Annie city occupies an entirely different locality. Tanks, which are sent an over the world. The island abounds in churches as well as cur- M. Galliner, of Philadelphia, shows that during We visited the old Stadium, or Circus, where rants. There is said to be more than one for the past fifteen years one hundred and thirtythe Athenian games were celebrated. It was every hundred inhabitants. This is chiefly due four ladies have graduated at the institution, of a wast amphitheatre in the side of a hill, to the influence of the Venetians when in which number sixty-five have married and file which could seat 40,000 people. The celebrated power here. Then every important family had teen died. Three of the graduates have enwhich could sear to, so pour near by, is now a power nere. Then every important taking agged in missionary work in China and India, a church of their own. There is one large gaged in missionary work in China and India, mere thread of water. A mass of rock lies church near the water, built after the model their aggregate work amounting to twenty accross the river," near the Stadium. From of St. Mark's in Venice. The steamer did not seven years.

accross "the river," near the Stadium. From this rock a streamlet trickles down into a pond at its foot. This is the classic spring of we could only take a general view of the island and town from our position on the island and town from the island and town from our position on the island and town from the island and town once sacred to the nymphs; but the only representatives of those poetical ladies to be found this sail among the different islands of Greece.

Island and town from our postucing than Long, of Frankfort, Sussex county, Del.; and this sail among the different islands of Greece.

Miss Jennie B. Shemwell, of Chaptico; St. there, in these matter-of-fact days, are some I have enjoyed it more than I can express Mary's county, Md. All of them read esof the washerwomen of Athens, pursuing The softness of the sky, the rugged hills lying says, that of the last-named bether practical, but very unpoetical avo- in sharp, clear outline against it, and the pecu- ing fair, that of Miss Long excellent, and that cations. Then we visited the Temple of liarly rich, deep hue of the clear, sparking of Miss Bishop a really superior production, Theseus—the most perfect of all the remain— water, looking like liquid indigo or a molten being an essay on Luther and Loyola, followed ing monuments of Grecian art in this famous sky, would be beautiful enough in themselves. by the valedictory. The effort was universally city. Not far from this stands the Pnyx—a But when to all this is added the deeply interrocky eminence on which the public assem- esting historical and classical associations conblies were held. Here is the "orators' stage' nected with almost every spot, it becomes very -a square elevation, or natural platform of charming. That line of Tennyson's is in my mind all the time, in which he describes these ock, where the philosophers and rhetoricians delivered their discourses. On this spot, islands so beautifully as: "Summer isles of Eden lying in dark spheres Pericles and Demosthenes stood, when they electrified the citizens of Athens with their of purple sea." oul-stirring, matchless eloquence. But the place visited last was the most interesting of the Island of Cephalonia. This is the largest and to have plans made for the necessary all, viz. the Areopagus, or Mars' Hill. This was the spot particularly connected with Paul's memorable visit to Athens. It is a wild speaks of it under the name of Sanos. It was ment has been accelerated by the recent despeaks of it under the name of Sanos. It was distingted by the recent despeaks of it under the name of Sanos. It was distingted by the recent despeaks of it under the name of Sanos. It was distingted by the recent despeaks of it under the name of Sanos. It was distingted by the recent despeaks of it under the name of Sanos. It was distingted by the recent despeaks of it under the name of Sanos. radis included the speaks of it under the name of Samos. It was cision of the Wilmington and Reading Rail-one of the islands over which the sagacious Acropolis. It was the place of most solemn one of the islands over which the sagarous road Company to locate its freight and passenjudicature among the Athenians. Here, for in furnishing his quota of twelve ships to the Grecian fleet that sailed to Troy. We stopped an hour or so at the chief town of this island, law and religion had been decided. And bence, when it was known that Paul wished but did not land. In sailing by the upper end city, and an earnest hope is expressed that they to discourse to the people on a new religion, of Cephalonia we got a distant view of the will extend their wires in this direction. At we read that" they brought him to the midst famous Ithaca—Ulysses's own island. It is a present we are entirely dependent on the of the Arcopagus,"to hear what he had to say. rocky little isle, about seventeen miles long Western Union. A temple of Mars then stood on one part of and four broad. It has never figured in the the hill. In a dark ravine beneath it was the scenes of actual history. Its only interest, emple of the Furies. And there, in full view though this is an undving one, is that with which barges plying between here and New York, temple of the Furies. And there, in full view though this is an undying one, is that with which of all the beautiful temples and shripes, Homer has invested it, in his charming story of and in the effort was capsized and a man in and monuments "graven by art and man's dethe sage old king—of his long and weary wan-vice," which filled the Acropolis, the great derings—of the peerless prudence of his faithful Penelope, and of his final happy return to Apostle stood, with outstretched hands and

Greece appear when thought of in connection who have a good reputation for industry and that but for the rainy weather about the time with that princely man! The philosophy of Greece has exploded. Her proudest monuments have crumbled to decay. But the truth shores of Cephalonia into the broad space of which Paul preached there remains as full of water lying between it and the Island of Corfu. fife and power, as able to subdue, to sanctify There was a heavy sea on. Our little steamer and save, to-day, as it was when his burning tossed about at a tremetdous rate. This prolips gave utterance to it, in the hearing of the duced the usual distressing effect of such comastonished philosophers of Athens, eighteen motion on many of the passengers, and, among the rest, upon "the present writer" (to use STEAMER BYZANTINE, GULF OF CORINTH, Bishop White's favorite periphrasis for the trial having lasted just a week. The prisoners, hundred years ago. May 8.—We were up before four this morn-personal pronoun 1, or me), who was obliged | Cardin, Brown and Thomas, were all found | the Piraus, and got on board the steamer before six-which was the hour for the steamer I will say good-night, and "turn in." to start. This is a Grecian line of boats that STEAMER PRINCIPE ODONNO, BETWEEN journed until next week. A single week will runs between Athens and the Island of Corfu Corfu And Brindisi, Tuesday Evening, May then be given to the short cause list, after It goes through a very interesting part of 10.—Our little Grecian steamer came to anchor which the summer vacation will set in, and con-It goes through a very interesting part of Greece, and this was our reason for preferring it. Starting from the Piraus we had a fine run of four hours up the Gulf of Ægina to the Isthmus of Corinth. Our course took us in full view of the Bay of Salamis, where full view of the Bay of Salamis, where change; and so, without waiting for morning, Xerxes had his plans spoiled by the destructure we got a boat and went ashore by starlight. We tion of his fleet; and also of the Bay of Eleu-found a decent hotel, with comfortable rooms excitement, this morning, as the weather will sinia, where the famous mysteries were per-formed. We landed on the Isthmus at ten sleep before breakfast, which made up in part the W. B. A., of Schuylkill county, in general o'clock, and were carried over, with our bag- for the discomforts experienced in the earlier | Congress assembled. gage, in an omnibus. It is only about four miles, and was accomplished inside of an fast we went to secure our passage to Brinmiles, and was accomplished inside of an hour. Grecian troops are stationed all across the Isthmus, for the protection of travelers from the brigands. On reaching New Corinth, on the other side of the Isthmus, at the head of the Gulf of Corinth, we found the steamer waiting for us. Old Corinth stood a mile or two from the slore, at the foot of a lofty hill.

destroyed by an earthquake some ten or twelve years ago. The new city does not amount tion of a general in the corps of Royal Ento much. It contains only a few houses, and these very poorly built. Unless there should brother, and he was greatly pleased to hear, brother about his brother, and he was greatly pleased to hear, be a canal built across the Isthmus, which has been talked of, there is but little to cause it ever to become a place of much broad at the popularity of his writings in America.

brother, and he was greatly pleased to hear, as he has heard before, of the popularity of his writings in America.

brother, and he was greatly pleased to hear, as he has heard before, of the popularity of his writings in America. it ever to become a place of much import
After securing our tickets, we got a couple courage Schuylkill and remove from the courage S After securing our tickets, we got a couple of carriages and rode round to several of the old basis. Some are yielding, however, and The sail of to-day has been our first experience of Grecian steamers. They are much This is the gem of all the Grecian islands we Shenandoah and in the Mahanoy Valley to smaller than the French steamers, on which have seen. The town is delightfully situated. | induce the Superintendent of the M. and B. M. we have sailed several times, and are also in- The harbor in front of it is one of the finest | R. R. to start the Mahanoy plane, which is ferior to them in every respect. But they are imaginable. At a projecting point of the now making partial time. Still, the great mabetter than the Italian boats, in which we island, on which the town lies, are two bold, jority seem firm as ever, and no man can tell have made several small trips in getting down lotty, rocky cliffs, which are fortified to their when the end will come. the western cost of Italy. The boat on which very summits, making defences of the strongwe are now sailing is a pretty decent est character. The view from the citadel is vessel. We find things on board a good deal magnificent. The neat, clean city below, the luxuriant gardens on the outskirts, the dark Our sail down the Gulf of Corinth, this mountain ranges in the distance, the lovely afternoon, was a very delightful one. We had islands scattered round about, and the beautithe rugged hills of Sparta and the Pelopon- tul blue water that surrounds them, make up nessus on one side, and those of Thessaly on altogether a landscape which, once seen, can the other, making altogether a landscape of never be forgotten. This is our last day in the most varied and picturesque beauty. The Greece. It makes a charming conclusion to softy summit of Parnassus—sacred to the this delightful part of our journey, and will abode of the Muses—has been in sight all the leave an indelible impression of the peculiar afternoon. Its top was covered thick with loveliness of this interesting region. We left snow, which must make it rather cool for Corfu about five o'clock this afternoon. The those famous damsels, unless their wardrobe sun was going calmly down, as with the bow contains an assortment of external appliances of our noble steamer (the finest we have sailed much more substantial than those in which on in these waters) pointing westward, we they are generally represented as being ar- threaded our way along the beautiful straits

7 Per Cent. Gold FIRST MORTGAGE BONDS, FREE OF U. S. TAX, OF THE

Burlington, Cedar Rapids and Minnesota R. R. Co. A LIMITED QUANTITY FOR SALE

INTEREST PAYABLE MAY AND NOVEMBER. -These bonds have 50 years to run, are convertible at the option of the holder into the stock of the Company at par, and the payment of the principal is provided for by a sinking tund.

The greater part of the road is already completed, and shows large carnings, and the balance of the work is rapidly progressing.

We unhesitatingly recommend these Bonds as the safest and bost investment in the market.

United States Five twentles; at present prices, only return five per cent. Interest, while these pay eight and one quarter per cent in Gold; and we regard the security equally good.

The Company reserve the right without notice to advance the price.

HENRY CLEWS & CO., Bankers, 32 WALL STREET, N. Y., TOWNSEND WHELEN & CO., ROWEN & FOX.
