fel we for

of Mather: he finds that Puritan despotism is a problem which increases in difficulty every of Mather; he finds that Puritan despotism over conscience is a thing of the past in Massaover conscience is a thing of the past in Massachusetts, while the Quakerism of 1660, its freechusetts, while the Quakerism of 1660, its chusetts, while the Quakerism of 1000, its free-dom and liberty of opinion, is the accepted gospel of the Bay State to-day. Mrs. Julia Ward Howe has an article on "Harrisburg," ache which a mistress of social strategy owns what a charming current of heterodox fun, and How to Find It," being a short record or gaily as she closes the procession downstairs, is a short-visit to our capital, made by the fair the weariness of a hard-won triumph. Who orator in the reformatory and female suffrage interests. Walter McLeod gets up a scientific journey to the other side of the moon; but beauties; the due but sparing re not moon-journeys a little stale, and is not sprinkle of wits; how to get the charming erudition thus sugared with fiction an acknowl- wife without the sulky husband, or the charming husband without the unbearable wife; the edged bore? "John Whopper, the Newsboy," edged bore? "John Whopper, the Newsboy," is for juvenile readers; it purports to be a real narrative; but the editor of this periodical, in his first conspicuous story, "The dical, in his first conspicuous story, "The Man without a Country," and since, brings | tion of guests whose relatives die at the last into magazine ethics the new principle that it | moment—these are things which make one into magazine ethics the new principle that it sjustiliable to get up a hoax for a moral purpose—and we confess that we have no confidence in the gravest declarations made under day more chaotic. It drifts from house to his authority. J. B. Torricelli, in a paper on the American Bishops and Infallibility, insists that there are such fundamental differences between the Church and the American idea, that no peace between them is possible. These are for amusement it casts itself into furnaces hotpecimens of Old and New for July; its almost ter than that of the Three Children. But it specimens of Old and New for July; its almost oppressive wealth of short articles may be guessed. It reviews the literary and progressive ideas of the day in its "Examiner" and dullness wait the eternal silences. Faces "Record." In poetry it presents a good deal that is thin, but has one exceptionally fine contribution; Sarah Helen Whitman, a too-seldom heard nightingale, retrieves her own old, inimitable gift of melody in some elegiac old, inimitable gift of melody in some elegiac little head it has nothing at all. It reads noverses on a portrait of her friend Edgar Poe. thing but novels, and it forgets all the novels The magazine, under its new publishers, it reads. It is impossible to recollect more than a dozen times in an evening the people one met the evening before. The naughty little

attaché, with his naughty little stories, has to Fowler & Moon's magazine, The American go to his embassy at last. Even the "occa1 Exchange and Review, is always interesting sional notes" where one got a hint or two in and instructive. The June number has ex- past seasons have become dry and unhelpful in cellent papers on The British Social Science this. It is terrible to simper from group to group, and find nobody to talk to, and Congress of 1869, Arrow-headed Letters and Literature, Vitality of Buried Vegetable Germs, Probabilities in Science, and American History. The Review's Department of Mining and one likes, to the lion one comes at last. If h Metallurgy is still in the editorial charge of H. does nothing else, he gives some shadow of aim Metallurgy is still in the editorial charge of H.
S. Osborn, L.L. D., Professor of Mining and
Metallurgy in Lafayette College, and is full and
suggestive. The Monetary and Insurance Departments, and those of Railways and Transpartments, and those of Railways and Transpartments. partments, and those of Kallways and Trans-portation, Patents, Arts and Science, with abundant Noting and Commenting, present a

But each of these problems has its own gentle complete exhibit of business movements during excitement in the solution, and the British the month. Published at Fourth and Walnut | hostess has handled too many animals to feel

Philadelphia eclectic, shows now a monthly matter. The first problem, as we have said, is is crisp, articulate, bright, and never fatiguing.

Great attention is given to the selection of attractive stories. The July number has a attractive stories. The July number has a discover the unknown requires the tact and exists a constant of the selection of the Season is a rarer and more difficult animal. He must be wholly unknown, and to discover the unknown requires the tact and exists a constant of the season, or as if there were no new lions to come. Sometimes it is possible to induce them to roar in other circles. Long of Famous Men," from Belgravia, "Robes- where the African explorer who "went in" a pierre's Speckled Stockings," from the Illus-Tuileries," from Chambers' Journal, may be scented the coming epic in a young under-indicated as agreeable articles not fictitious, and blushes graduate who had produced nothing but blushes ervation by simply appearing in other from amongst an unusually capacious table of woke one morning and found himself contents. Every extract is scrupulously worke one morning and that his charmcredited to its original source; and these sources are so various, amongst a class of good sources are so various, amongst a class of good out that he was going to set the world on their the fair bosoms of the world, can still turn up with propriety at a missionary meeting, and their than the fair bosoms of Exeter Hall. Something the fair bosoms of Exeter Hall. So Eiglish periodicals hardly ever seen by our public, that the Transatlantic may be called a box in which a whole Arabia breathes.—

So was secure. Still the mere discovery is a very small part of the battle. There is the battle. But as a rule, revivals are simply failures. A battle times a heterodox lion, when all speculative interest in him is gone, will secure a second season by plunging into the Arches Court. But as a rule, revivals are simply failures. A battle times a heterodox lion, when all speculative interest in him is gone, will secure a second season by plunging into the Arches Court. But as a rule, revivals are simply failures. A battle times a heterodox lion, when all speculative interest in him is gone, will secure a second season by plunging into the Arches Court. But as a rule, revivals are simply failures. A Seventh and Chestnut streets.

Seventh and Chestnut streets.

The American Engineer is a large quarto problem of bagging your lion as well as of getting first sight of him. The most terrible difpaper illustrated with clear and excellent me-chanical engravings. It exhibits a large class of the splendid industries of Philadelphia of the splendid industries of Philadelphia.—
ter all, there are benighted beings who demur always elder sisters or cotton-spinning virgins to being whirled through a London season, to being whirled through a London season, from Manchester, or widows with a Number 1360, for the week ending June crushing up and down a thousand hot stairother articles of interest and value, The will sometimes give his first social roar only to Origin of the English Nation, Part III., from turn tail and run away. Mrs. Persecute only Macmillan's Magazine; Poetry and Poets of caught her Indian hero to see that Macmillan's Magazine; Poetry and Poets of the Present Generation, translated for the Living Age from the Revue des Deux Mondes; the country and lose himself in a wilderness her subdued references to the past, her air of the country and lose himself in a wilderness her subdued references to the past, her air of the subdued references to the past, her air of the subdued references to the past, her air of the subdued references to the past, her air of the subdued references to the past, her air of the subdued references to the past, her are a subdued references to the past, her a subdued references to the past, her a subdued references to the past, her a The Princess des Ursins, Blackwood's Maga-zine; a review of the Poems of Dante Gabriel ising season, simply to escape the burden of Rossetti, by William Morris, Academy; The Velocity of Thought, Nature; French Lunatics. Pall Mall Gazette; Among my Books, trouble to discover. the Cuban Foreign Mission, at St. George's Hotel, New York, were robbed on Saturday of \$55,500, in registered United States bonds,

watchman named Stephen Manahan was arrested, and made a full confession, implicating brakemen on freight trains.

THE United States Land Officers of the Booneville, Springfield and Ironton districts of Schr D C Guyther, Robertson, hence at Richmond 24th

Booneville, Springfield and Ironton districts of Missouri, are in consultation at St. Louis, regarding an order from Washington for the ousting of all persons making entries under the Market of the person of the consultation o Graduation law since March 3d, 1867, unless they make proof of settlement, or pay the difference in price. It appears that 1,000,000 acres in Missouri, which have been entered at a creation of the Missouri and Missouri acres in Missouri acres i 12½ cents per acre, without complying with the law, will be thrown upon the market by this Schr 38 Baymore, Burdge, cleared at Galveston 8th inst. for Boston.

They evacuated the place on the 29th, having captured \$110,000 in customs money, two mules, several thousand muskets, forty tons of coal, and \$50,000 worth of merchandise. The United States Consul protested against the seizure of the arms. It was thought that the expedition would march against San Blas, Mazatlan, and other places, in pursuance of a scheme to establish a Northwestern Mexican THE new and extensive car-shops of the Reading Railroad Company, at Reading, Pennsylvania, were burned early yesterday morning The fire originated in "an oil and cotton-waste loset" in the centre of the works, and was first discovered by a watchman at three o'clock. The shops, except the boiler-house were totally destroyed, with one hundred and

ten thousand feet of finished lumber, four pr senger cars, eighteen wooden coal cars and six eight cars. The loss is estimated at from \$100, 000 to \$115,000. Nearly all the workmen en ployed, about three hundred in number lose peir tools. Incendiarism is suspected. In the Young Men's Christian Association Convention at Indianapolis, on Saturday, th second Sunday in November was selected for observance as a day of prayer throughout t various associations. The employment of traveling agent to organize Association work in the South was authorized. A resolution was Waller Strike I. Prices Low adopted expressing concern at the persistent efforts to undermine and abolish the civil laws for the observance of the Sabbath, and impressing on the young men the necessity of seeking to maintain the sancity of the day. In The Ex-ecutive Committee reported that there was no necessity for action on the resolution in regard
