## SKETCHES OF EASTERN TRAVEL.

NO. XIV. (Communicated of the Philadelphia Evening Bulletin. BRINDISI, Wednesday Afternoon, May 11th. We came to anchor in the harbor here about five o'clock this morning. We found on coming ashore that the express train for Naples does not leave till seven in the evening. So we have to spend the day here. This is an old walled town, with antiquated fortifications that are going to decay, because no longer of any value on account of the modern mode of warfare. I expected to find this part of taly mountainous, or at least hilly. Instead of this it is very flat and level. There is not a hill in sight anywhere. The town is small, poor and uninteresting. Virgil, died here, and there is a fine old Corinthian column erected to his memory. Brundusium was celebrated in old times, you remember, as the place where in their warlike expeditions to the East. This quiet old town must have witnessed many exciting scenes as Rome's proud legions went orth in their work of conquering the world. It is likely to regain something of its former ormed, with a view of connecting-this point ing Brindisi the port of departure for the the Suez Canal gives it a great advantage over Marseilles. The railway connection is now Oriental Company of England are expected to adopt it as their port of transfer in the Medierranean instead of Marseilles.
