#### CORRESPONDENCE. LETTER FROM LONG BEACH.

delphians are wont to wander, when the climax and of the summer, solstice makes even the most comfortable of homes uncomfortable to them; but as yet no word has come from Long but as yet no word has come from Long I survey. I will share my dominion within tion of color with form which best expresses Beach to advise maukind that she still survives reasonable limits, but I do not care to abdicate the complete science and inspiration of art." in all her desolate beauty, with old ocean still in favor of any republic. The lovely moonlight of those never-to-be with the lovely bay, with its wide expanse of charmed an unromantic fisherman that be for-trated and an unromantic fisherman that be for-the deviation of the second secon water and glorious effects of sky and cloud, got himself in venturing to say that it was in blindness and in cowardice, as the dominion L.M. Koons, B In Lockhart's Life of Sir Walter is con

female friend, a resident of one of the Orkneys, recounting her experiences during a visit to the mainland. She finds the country, with its ma-estic mountains and forests, unendurably monotonous; it is far from compensating her for her absence from the eternal variety and motion of the sea, and she concludes her com-plaint with the avowal that nothing shall ever tempt her- from the "wind-swept Orcades" again. Not forgetting Dr. Holmes's beautiful passage on the "Life of the Woods" in Elsie enner, there is a fascination, I think, fo most of us, which the sea and its surround ngs possess, that nothing else in natural scener an equal, and Sir Walter's fair correspondent ection for the seaside is universally under 1 and appreciated, the manifestation whereof is the seaward journeying throng which an nually peoples the desolation which for the nest of the year reigns supreme from Moun Desert to farthest Florida. Do not pretend to elieve it is fashion, or a desire to participate a the excitement and dissipation which un irtunately prevail at all popular resorts, that gives the principal impulse to this hegira Nobler and more natural is the motive. But we do not come to Long Beach, of all places, to philosophise, or to become didactic.

When the day comes when the goodly company which each returning summer finds, there congregated shall find eye vigilantly regardful of the proprieties, then farewell, forever, to the great glory of Long Beach; destroy the old house, with all its odd ong, line in hand, either talking delightful nonnse or enjoying, beyond measure or expression, that glorious ennui when the mind i palatial in proportions and grandeur, with et carpets, mirrors and grand pianos, and

the other inevitable adjuncts, and project daily pleasure; but however valuable, such a phemay be in the outer world, his presence in our Long Beach sphere is not at all ired, and we humbly trust that he will find proportions. Gustave Planche, the critic, used

I hear many projects discussed concerning ments of Long Beach, all the while rvently praying that the schemes of the innovaters may come to naught. Far from being that Long Beach may perpetually remain Long "You will be the Michael Angelo of bad art." Beach, for improvements will be its certain "After dimer each evening." says M. Champ-Once "a fatal spirit of change" begins everything for their outlay but genuine recreaion and improvement. So I hope some influential friend of the

willy-disposed man who, as I am told, seriously contemplates introducing a line of steamers from Atlantic City to this isolated paradise will, by serious counsel and urgent persuasion,

nduce this really imprudent man to desist. Spare us the inevitable contamination! Thank | casionally while hunting through a docket, or | Celebrated Patent Sofa Bedstead sland, away out at sea, here-which has, thus ing their patients, to so many classes of life befar, resisted the inroads of civilization. nd whither the dread steam-whistle never comes—and may it never—to one's ears. Hautefeuille." Though, perhaps, when I say it never comes, of the eternal fitness of things suffers a rude shock in the distant shriek of this craft as she rolls her way slowly and uncertainly out of Egg Harbor river over there, bound for the stant port of New York. The Eureka is a years, has advanced so greatly in morals and enterprise of Egg Harbor City. I have often marks, "a mooted question whether the pictopecting some day that she will roll over and able painting known as the 'Muse of Cortona,

that characterizes the course of this unique pride of the sea. Thus, with her, descent to the "vasty deep," will poetic justice be dealt of a person who understood its value, and pren proper measure to those who, with sacri- | sented it to the Museum of Cortona, on condi ecluded precincts of this romantic bay. that city. Necessarily, in this changeless locality, the ex- "The 'Muse,'" says Mr. Jarves, " is one of
